

# UniSA DEGREE AND CAREER FINDER

Lay out the set of flashcards then write down the **top three** that interest you most.

1
2
3

Why do these **study areas** interest you?

(For example: I enjoy sport and PE is one of my favourite subjects).

Collect or download the relevant [UniSA Study and Career Guides](#) and see what degrees and pathways are available. Choose **three degrees** that you would like to explore further then complete the table below.

	Example	Degree #1	Degree #2	Degree #3
<b>Degree name</b>	Bachelor of Physiotherapy (Honours)			
<b>Guaranteed Selection Rank</b>	n/a			
<b>Guaranteed Selection By Year 12 Grades</b>	n/a			
<b>Selection Rank cut-off</b>	88.00			
<b>Prerequisites</b>	n/a			
<b>Assumed knowledge</b>	<ul style="list-style-type: none"> <li>• Stage 2 Biology</li> <li>• Stage 2 Physics</li> </ul>			
<b>Alternative pathways</b> <small>(Tip: Consider other UniSA related degrees and/or UniSA College pathways)</small>	<ul style="list-style-type: none"> <li>• Human Movement</li> <li>• Exercise and Sport Science</li> <li>• Diploma in Health</li> </ul>			
<b>Career outcomes</b>	<ul style="list-style-type: none"> <li>• Sports physiotherapist</li> <li>• Rehabilitation coach</li> </ul>			

From your research, list **three careers** that appeal to your future self:

1
2
3

What other information do you need? Do you have any follow up questions?
