

2023 MOUNT GAMBIER

STUDY AND CAREER GUIDE

University of
South Australia

STUDY NEAR, GO FAR WITH UniSA.

Start your unstoppable career at UniSA – South Australia's number one university for graduate careers.

We're the largest university in the state with more than 37,000 students and a footprint across four metropolitan and two regional campuses, located in Mount Gambier and Whyalla.

We're also a young university with a big focus on creating more pathways and access into higher education, with an innovative approach to educating tomorrow's professionals.

UniSA partners with more than 2,500 companies – both locally and around the world – to bring our students placement, project, research and work opportunities. You'll learn in a highly practical and supportive environment so that you'll be a confident and career-ready graduate who can take on the needs of a changing world.

We're Australia's University of Enterprise.

EXPLORE YOUR STUDY OPTIONS

We deliver world-class education to all students, whether you're in a regional community or capital city. You can study locally at our Mount Gambier Campus, online so you can stay close to home or have greater flexibility, or you can explore the 200+ degrees offered at one of our campuses in Adelaide.

TAKE A VIRTUAL
CAMPUS TOUR

[unisa.edu.au/
virtualcampustours](https://unisa.edu.au/virtualcampustours)

Study on the picturesque Limestone Coast in South Australia's largest regional city. UniSA's Mount Gambier Campus is a major tertiary education centre for the state's South East and surrounding areas, including South West Victoria.

Experience flexible learning and quality teaching, with the benefit of a relaxed environment, practical learning opportunities, small class sizes, tailored support services and strong community connections.

We offer degrees in key areas such as education, nursing, midwifery and social work, along with alternative entry programs, reflecting in-demand areas in the region.

unisa.edu.au/mountgambier

GET CAREER READY

We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. You can take part in internships and placements, student exchange programs, industry projects and volunteering opportunities. Our Career Services team is also here to support you and get you ready for the workplace.

CONNECTED LEARNING

Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of on-campus and online learning. The Mount Gambier Campus is also home to one of the nation's fastest network systems, ensuring that students have access to the best internet speeds during their studies.

FLEXIBLE STUDY

Enjoy flexible learning through part-time, online and blended study options. This allows you to travel, work and study from any location. We offer:

- Flexible degrees with a combination of on-campus and online learning.
- The option to choose specific online subjects within your degree.
- 100% online degrees delivered by UniSA Online.

Students studying online can access all campus facilities, including computer pools, library resources and student support services. For more information see page 18.

CAMPUS FACILITIES

We have invested heavily in our campus facilities to provide purpose-built study spaces for our students. The Mount Gambier Campus features state-of-the-art facilities, including the \$12.5 million Learning Centre, which has simulated learning environments for nursing and midwifery students, social work studios, a technology-driven gallery space, cutting-edge IT infrastructure and a range of study and social spaces. The campus is also open seven days a week with full student access.

"UniSA's Mount Gambier Campus offers modern learning facilities and technologies, innovation in teaching, and a well-rounded study experience to ensure students are supported throughout their degree and are career ready upon graduation."

Ian McKay | UniSA Regional Manager, Mount Gambier

STUDENT EXPERIENCE

It's important that you feel supported during your studies. Students have access to a full range of services, including study support, personal counselling, disability services and career services. Our Campus Central team is located on-site and can point you in the right direction. We also have tailored services for Aboriginal students, including study assistance and mentoring opportunities.

DIVERSITY AND INCLUSION

Did you know that UniSA has the most diverse student population in the state? We proudly focus on improving access to university study for people – no matter their background. In fact, we're the best in South Australia for social equity and first generation students (2021 Good Universities Guide) and we have the largest group of regional and Aboriginal students (2019 Department of Education Equity Data).

Bachelor of Nursing (Mount Gambier)

unisa.edu.au/nursing-midwifery

Mount Gambier Campus
On-campus/online Intakes: Feb
3 years full-time Placement

Prerequisites: none

Assumed knowledge: none

UniSA College pathways: Foundation Studies, Aboriginal Pathway Program, Diploma in Health or Diploma in Health (Mount Gambier)

TAFE/VET pathways with credit: Diploma of Nursing with Current Practising Certificate

SATAC code	474031	Program code	IBNU
Year 12 Selection Rank:	Year 12 Grades:	TAFE/VET:	
guaranteed 70.00	guaranteed B, B, B	guaranteed	Dip
cut-off 2022 70.00		cut-off 2022	Dip

Part-time study available

Become a Registered Nurse and make a positive contribution to the community. Join a highly respected and in-demand workforce on the frontline of our healthcare system. Develop the knowledge, clinical skills and attitudes needed for professional practice in a range of settings. Benefit from a strong focus on theory and practical experience, including access to our unique clinician-led hospital and health service on campus, which includes authentic hospital wards, clinical units and community areas. Be prepared to meet healthcare delivery requirements for the 21st century and respond to Australian and international healthcare priorities and trends. Focus on six integrated themes of nursing practice, including safety and quality, cultural safety, evidence-based practice, professional communication, consumers as partners in care, and teamwork. You'll also learn about cultural competence, evidence-based practice, mental health, primary health, professional communication, and safety and quality. Embark on 1,000 hours of nursing placements from your first year of study. Graduate with the academic requirements needed for registration as a Registered Nurse with the Nursing and Midwifery Board of Australia (NMBA).

Note 1: To meet entry requirements, applicants must consider the professional registration requirements, including the English Language Skills standard and complete a declaration stating how they will demonstrate their English language competency, as determined by the NMBA.

Note 2: Once enrolled, students will be required to meet Fitness to Practice in Clinical Placements requirements. To be eligible for clinical placement, providers may also require students to be screened and provide evidence of their vaccination status. For more information, visit unisa.edu.au/health/ftp

Note 3: Students in this program must be registered with the relevant national board. This process is completed by the University after enrolment and no fees apply.

CAREERS

Registered nurses can work in a variety of healthcare settings, including:

Hospitals · medical clinics · primary health services · community support services · aged care · rehabilitative care · schools · home-based services · drug and alcohol treatment centres · community health organisations · mental health services · international aid agencies · correction facilities

DEGREE STRUCTURE

Prepare for a highly rewarding career in maternity care and women's health as a Registered Midwife. Develop the knowledge and practical skills to support women through pregnancy, labour, birth and postnatal care. Benefit from a strong focus on theory and hands-on experience, including industry placements to prepare you for clinical practice. As an international profession with different birthing preferences all over the world, you'll learn how political, socio-cultural, economic and technological factors influence midwifery practice. Learn in our clinician-led, authentic simulated hospital and health service on campus, which incorporates a birthing suite, special care nursery and postnatal area, as well as birthing manikins. Complete comprehensive placement hours and be actively involved in 30 births during your studies, along with the pre and post-birth care of at least 100 women. You'll also follow 15 women through their entire pregnancy, labour, birth and postnatal journeys. Graduate with the academic requirements needed for registration as a midwife with the Nursing and Midwifery Board of Australia (NMBA).

Note 1: To meet entry requirements, applicants must consider the professional registration requirements, including the English Language Skills standard and complete a declaration stating how they will demonstrate their English language competency, as determined by the NMBA.

Note 2: Once enrolled, students will be required to meet Fitness to Practice in Clinical Placements requirements. To be eligible for clinical placement, providers may also require students to be screened and provide evidence of their vaccination status. For more information, visit unisa.edu.au/health/ftp

Note 3: Students in this program must be registered with the relevant national board. This process is completed by the University after enrolment and no fees apply.

Part-time study available

Choose a Learning Area from Arts, English, Languages (Italian only) or Mathematics/Science.

Choose an elective, focusing on teaching children with disabilities, rural and regional education, brain development, relationships and health, arts in early childhood curriculum, or Islam and global politics.

Become an early childhood teacher. Graduate career ready and with professional honours in just four years. Gain a competitive advantage through industry-relevant coursework, highly practical learning and applied research. Focus on the learning and development of children from birth to eight years of age. Develop foundational knowledge in education studies, curriculum planning, professional experience and leadership. Complete three courses in a primary specialism (Learning Area) of your choice to meet the national registration requirements for birth to eight years of age. Learning Areas include Arts, English, Languages (Italian only) or Mathematics/Science. Get real classroom experience with 110 days of field-based placements starting in your first six months of study. Enjoy the option of flexible learning, including online and part-time study.

"My grandparents were teachers and I am now proud to follow in their footsteps. My degree gave me the confidence to create engaging learning experiences for young people and to help develop their fundamental life skills."

Aimee McLaughlin | Early childhood education graduate

Note 1: To be eligible for placement, providers may require students to be screened and provide evidence of their vaccination status.
 Note 2: Graduates can apply for teacher registration in South Australia, interstate and some overseas countries. Applicants should note that there are other criteria determining eligibility for registration by the Teachers Registration Board of South Australia and other registration and regulatory authorities. There are also specific non-academic and placement requirements for entry into this program. For more information, visit unisa.edu.au/eds-requirements
 Note 3: Due to program structure and professional experience placements, students commencing midyear (July) study will complete their program in 4.5 years instead of 4 years.

CAREERS

guaranteed	67.00	guaranteed	B, B, B
cut-off 2022	68.35	cut-off 2022	CIV

Part-time study available honours available

Prepare for a meaningful and diverse career in social work and make a real difference in the community. Learn to enhance the wellbeing of others through advocacy, social change, relationship building and empowerment. Focus on four major study areas, including social work theory, social work practice and skills, social policy and social research. Develop knowledge of various social work practices and their application with individuals, families, communities, groups and organisations. You'll learn how to identify the social policies that impact people's lives and the strategic ways to implement change. Interpret, evaluate and conduct relevant social analysis exploring current real-world challenges. Focus your degree by choosing to incorporate a minor in Children, Families and Society. Access our custom-built social work and human services studio to practise your skills through stimulated scenarios. Gain valuable professional experience through industry placements in your final years of study. Attend classes on campus with the possibility to study some courses online. Graduate with a degree recognised by the Australian Association of Social Workers and be eligible for full membership.

Note: Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

Students will be required to undertake a combination of on-campus and online study.

"I started my human services career at Centrelink and was mentored by a social worker who encouraged me to further my studies. As a result of achieving the degree, I now work at Uniting Communities in a very diverse role, focusing on all areas of practice, including referral, intake and assessment; counselling; case management; residential rehabilitation; detox and withdrawal; community engagement; and being a leader and advocate for our community."

Lisa Wheeler | Human services graduate

Bachelor of Business

We offer a wide range of business degrees that can be studied online. Additional tutorial support is available at our Mount Gambier Campus, either individually or in small groups, so that you can feel further supported in your learning. You'll also have full access to the facilities, resources, events and other support services on campus. Degrees include:

- Bachelor of Business
- Bachelor of Business (Design and Marketing)
- Bachelor of Business (Economics, Finance and Trade)
- Bachelor of Business (Financial Planning)
- Bachelor of Business (Human Resource Management)
- Bachelor of Business (Innovation and Entrepreneurship)
- Bachelor of Business (International Business)
- Bachelor of Business (Legal Studies)
- Bachelor of Business (Logistics and Supply Chain Management)
- Bachelor of Business (Management)
- Bachelor of Business (Property)
- Bachelor of Business (Real Estate Practice)
- Bachelor of Business (Sport and Recreation Management)
- Bachelor of Business (Tourism and Event Management)
- Bachelor of Finance

Please note that some study may be required at City West Campus in Adelaide depending on your course selection.

unisa.edu.au/business-management

YOUR FUTURE, GUARANTEED

UniSA Guaranteed Entry – it's a sure thing.

WHAT'S UniSA GUARANTEED ENTRY?

All you need to do is make sure that you put UniSA as your first preference, meet the guaranteed entry score, and then we'll admit you automatically on your best result – either by your Selection Rank, Year 12 subject grades or TAFE/VET qualification.

YEAR 12 GRADES Guaranteed Entry

UniSA is offering guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that's it, you're automatically in.

SELECTION RANK Guaranteed Entry

UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do.

TAFE/VET Guaranteed Entry

If you have successfully completed the set TAFE/VET qualification for your preferred UniSA degree, you'll automatically receive an offer.

Remember your bonus points

Don't forget that high school students applying for university can also be eligible for Adjustment Factors (previously known as bonus points). These are based on set equity factors and/or subject choices. They're automatically added to your ATAR, giving you a more competitive Selection Rank score.

 Go online and check out UniSA's Guaranteed Entry calculators.

unisa.edu.au/guaranteed

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. Year 12 subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

YOUR PATHWAYS

We have a range of alternative pathways for regional students to gain entry into university.

UniSA COLLEGE

UniSA College offers alternative entry programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student, learn from UniSA staff and have access to a full range of support services. After successfully completing your UniSA College program, you will then be able to seamlessly transfer into a wide range of UniSA degrees. See page 12 for more information.

SPECIAL TERTIARY ADMISSIONS TEST

If you don't have a competitive result from Year 12, TAFE/VET or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT – a two-hour test made up of 70 multiple choice questions designed to measure your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry with other special entry applicants. To be eligible, you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. Go to unisa.edu.au/stat and check out our Prepare for STAT presentation for more information.

TAFE/VET GRADUATES

A completed certificate IV, diploma or advanced diploma from TAFE or another registered training organisation may be all you need to apply for a UniSA degree. If your completed qualification meets the UniSA TAFE/VET Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer. If you're successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program. We also set TAFE/VET cut-offs and you could be considered for entry with a lower qualification.

OTHER OPTIONS

- Completion of a SAIBT diploma
- Completion of courses through Open Universities Australia (OUA)
- Completion of tertiary study at UniSA or another recognised university

UniSA College programs explained...

Diploma in Health (Mount Gambier)

unisa.edu.au/college

Mount Gambier Campus	2 years full-time
On-campus/online	Intakes: Feb and Jul

Prerequisites: none
Assumed knowledge: none

SATAC code (Mount Gambier)	476001
Selection Rank:	n/a Guaranteed entry: 50.00

Part-time study available

This popular two-year program offers an alternative pathway into university study for students who don't meet direct entry requirements for a wide range of UniSA health degrees. On successful completion, you'll be guaranteed entry into the Bachelor of Nursing (Mount Gambier). In first year, you'll learn foundation knowledge to prepare you for ongoing tertiary study and you'll also start to explore health-related topics. In second year, you'll seamlessly transfer into the first year of your chosen bachelor degree.

Entry requirements

Applicants may be eligible if they have one of the following:

- A competitive Selection Rank of at least 50 (including Adjustment Factors).
- A STAT score of approximately 139 or higher.
- An interstate or overseas qualification considered by the University as an equivalent to SACE.
- A recognised Certificate III or Certificate IV from TAFE or a registered training organisation.

In addition, applicants must:

- Be an Australian citizen, a New Zealand citizen or the holder of an Australian permanent visa; and
- Meet the relevant citizenship and residency requirements for a Commonwealth Supported Place.

Applicants who have completed a TAFE/VET award at diploma level or above, or who have studied at the higher education level for more than two years, will not be considered for admission into these programs.

PROGRAM STRUCTURE

FIRST YEAR	University Studies
	Introduction to Anatomy
	Maths Fundamentals
	Elective 1
SECOND YEAR	Introduction to Human Physiology
	Literacy Course 1
	Elective 2
	Elective 3
SECOND YEAR	8x courses from Bachelor of Nursing - Enrol under bachelor degree code (Mount Gambier)

Students will attend on-campus lectures, tutorials, practicals, workshops or seminars; some study may be able to be completed online.

Foundation Studies

unisa.edu.au/college

Mount Gambier Campus	1 year full-time
On-campus/online	Intakes: Feb and Jul

Prerequisites: none
Assumed knowledge: none

SATAC code (Mount Gambier)	477011
----------------------------	---------------

Part-time study available

Study this free* one-year program with no minimum qualifications required for entry. Develop the foundation needed to study at a tertiary level, including critical writing, communication, research and study skills. You can also choose elective courses as an introduction to a specific area of interest, such as health, education, arts, social sciences, information technology, engineering and the environment or business. After you have successfully completed this program, you can use your competitive Grade Point Average (GPA) to apply for any UniSA degree.

*Students will be required to pay the Student Services and Amenities Fee determined by the Australian Government.

FURTHER STUDY

After successfully completing the Foundation Studies program, you can use your GPA score to competitively apply for one of UniSA's 200+ world-class degrees. You'll have the option of studying locally at the Mount Gambier Campus, choosing a flexible degree, or relocating to Adelaide depending on your chosen program. You can also apply for a 100% online degree through UniSA Online. Explore our degrees at unisa.edu.au/study or unisaonline.edu.au

Entry requirements

- No formal minimum entry requirements apply.
- Applicants who have not completed SACE or a Certificate III must be at least 18 years old before February 1st of the year of intended enrolment for Study Period 2, or 18 years old before July 1st for enrolment in Study Period 5.
- In addition, applicants must be an Australian citizen, a New Zealand citizen or the holder of an Australian permanent visa; AND
- Meet the relevant citizenship and residency requirements for a Commonwealth Supported Place.

Applicants who have completed a TAFE/VET award at certificate IV or above, or who have studied at the higher education level will not be considered for admission into this program.

PROGRAM STRUCTURE

FIRST YEAR	University Studies
	Literacy Course 1
	Elective 1
	Elective 2
SECOND YEAR	Literacy Course 2
	Elective 3
	Elective 4
	Elective 5

Students will attend on-campus lectures, tutorials, practicals, workshops or seminars; some study may be able to be completed online. This program is also available externally through online study only.

Aboriginal Pathway Program

unisa.edu.au/APP

Mount Gambier or City West Campus	1.5 years full-time
On-campus	Intakes: Feb

Prerequisites: none
Assumed knowledge: none

Apply directly at: unisa.edu.au/appform

Part-time study available

Study this free* 18-month program designed specifically for Aboriginal students with no minimum entry qualifications required. Build your confidence to study at university and the foundations you need to succeed at the tertiary level. Develop your academic literacy, digital and numerical skills, along with your knowledge in areas such as Aboriginal culture and land management. Benefit from small class sizes with more one-to-one support from teaching staff. After you have successfully completed this program, you can use your competitive Grade Point Average (GPA) to apply for any UniSA degree.

*Students will be required to pay the Student Services and Amenities Fee determined by the Australian Government.

FURTHER STUDY

After successfully completing the Aboriginal Pathway Program, you can use your GPA score to competitively apply for one of UniSA's 200+ world-class degrees. You'll have the option of studying locally at the Mount Gambier Campus, choosing a flexible degree, or relocating to Adelaide depending on your chosen program. You can also apply for a 100% online degree through UniSA Online. Explore our degrees at unisa.edu.au/study or unisaonline.edu.au

Entry requirements

- This program is open to all people who identify as Aboriginal.
- Applicants who have not completed SACE or a certificate III must be 17 years of age or over before January 1st of the year of intended enrolment.

Apply directly at unisa.edu.au/appform or email app@unisa.edu.au for information.

PROGRAM STRUCTURE

FIRST YEAR	Land Management (OC)
	Building Academic Success (OC)
	Applied Computer Practices (OC)
SECOND YEAR	Communication for Academic Purposes (OC)
	Aboriginal Knowledges, Narratives and Experiences (OC)
	University Studies (OC)
	Maths Fundamentals (OC)
SECOND YEAR	Critical Thinking: Media and Academia (OC)
	Introduction to Human Behaviour (OC)

Students will attend on-campus lectures, tutorials, practicals, workshops or seminars; some study may be able to be completed online.

Study a diploma

UniSA College also offers a range of two-year diplomas, designed to provide direct entry into popular UniSA and UniSA Online degrees.

You'll enrol as an external student and complete a blend of both on-campus and online study, with full access to student support services through the local Mount Gambier Campus.

In your first year, you'll complete introductory courses relating to your chosen area of study, as well as core courses that will develop your critical writing, communication, numeracy and research skills. In second year, you'll study first-year courses from your chosen UniSA degree. There are also packaged diploma options, which will guarantee your place into the linked UniSA bachelor degree (subject to academic criteria).

UniSA College diplomas include:

- Diploma in Arts
- Diploma in Business
- Diploma in Construction
- Diploma in Engineering
- Diploma in Information Technology
- Diploma in Science and the Environment

unisa.edu.au/college

"I would highly recommend the Diploma in Health in Mount Gambier as it's really helpful in building your future goals, whichever path you decide to take. I have always wanted to help people in some way. This was my opportunity to get started on a career in nursing, something I have been considering for years."

Terri Veltman | Diploma graduate and nursing student

STUDENT EXPERIENCE

Amy Fenton, UniSA nursing student.

SUPPORTING YOU

STUDY SUPPORT

We want you to achieve your best, so we offer a variety of study support services. You can access online learning resources, talk with a learning adviser, connect with a mentor, and receive free after-hours tutoring online. Our Study Help PALS are also available to provide friendly, informal study support at dedicated sessions on campus. They're current UniSA students who can help you with assignment writing, referencing and building your overall study skills.

unisa.edu.au/studysupport

CAREER SERVICES

We want to get you career ready, so you can access our Career Services from first year. Make the most of our online Career Hub with a wide range of self-help resources, including tips on resume writing and practising your interview skills. There are professional job listings with some that are exclusive to UniSA students. You can also connect with a career adviser for help with career planning and attend industry events to build your professional networks.

unisa.edu.au/careers

PERSONAL COUNSELLING

All UniSA students can access free and confidential counselling to help manage a personal issue or to talk through any pressure points during your studies. We partner with local providers so that you can get independent support and advice when you need.

unisa.edu.au/counselling

ACCESS AND INCLUSION SERVICES

We want to make sure that you are supported, empowered and can participate equitably in university life. Our services range from facility and access requirements through to developing individual action plans for all students with a physical disability, mental health issue or medical condition.

unisa.edu.au/access-inclusion

WIRRINGKA STUDENT SERVICES

We have teams to support the specific needs of our Aboriginal students, including tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on campus and online. We also have an Aboriginal Student Engagement Officer who can provide additional tailored support.

unisa.edu.au/Wirringka

SAFEZONE APP

All UniSA students are encouraged to download the free SafeZone app, providing additional security and support when studying on campus. The app allows you to get help quickly in a personal emergency, or if someone else needs first aid or general assistance. You can check-in when working alone or after hours, sharing your status with the UniSA security team. You can also receive notifications so you know what to do in an emergency situation.

unisa.edu.au/safezone

unisa.edu.au/regional-support-mtgambier

CAMPUS LIFE

CAMPUS CULTURE

Explore our wide range of social activities, clubs and volunteering opportunities. There's always something for you to get involved with such as race days, winery visits, lunches, movies, and so much more. The central piazza and canteen also provide great shared spaces where you can get something to eat, socialise or just relax. If you're interested in building your leadership skills, we also offer unique scholarships that will give you the opportunity to develop new initiatives and events to enhance the overall student experience.

EVENTS AND WORKSHOPS

We host several events throughout the year starting with a Welcome Party as part of Orientation. Other events on the calendar include celebrations for Multicultural Week and Reconciliation Week, student dinners and family days, and other social events. There are also learning workshops hosted through virtual classrooms to help with your studies, along with workshops delivered by visiting academics from Adelaide.

YOUR STUDENT ASSOCIATION

Connect with your student association – USASA. They're your voice at university and are responsible for advocacy work, organising social events, producing the student magazine and coordinating all student clubs. There's also a local USASA representative based at the Mount Gambier Campus.

unisa.edu.au/USASA

GLOBAL EXPOSURE

Become a UniSA Global Citizen through a range of overseas opportunities and virtual international experiences. You can travel and complete a student exchange, short-term program, internship, volunteering opportunity or study tour. Or, you can develop your cultural intelligence through interactive online learning, including virtual project work.

International travel is subject to Australian Government guidelines.

unisa.edu.au/globalopportunities

unisa.edu.au/student-life

SCHOLARSHIPS

Every year, 2,500+ students benefit from our scholarships and grants. These are available to help you with the cost of your studies.

There are a number of grants specifically available for local students after enrolment, including the Cowan Regional Grants and the Rotary District 9780 UniSA Grant.

unisa.edu.au/regionalscholarships

To find out the full range of what you might be eligible for, go to our online scholarships search engine.

unisa.edu.au/scholarships

IN THE COMMUNITY

We've got a strong connection with the local community to help build a vibrant and thriving region.

CONNECTING WITH INDUSTRY

UniSA has rolled out its unique Future Industries Accelerator (FIA) program in Mount Gambier, which encourages meaningful collaborations with industry. Businesses across the Limestone Coast can utilise FIA to test product ideas or to help overcome technical challenges. FIA has become the destination of choice for new innovations and breakthroughs, and is always looking for new opportunities to collaborate. UniSA's world-class Centre for Business Growth has also been focusing on business development programs in the region, with initiatives designed to boost local skills in leading and managing growth in a global marketplace.

unisa.edu.au/FIA

FOREST RESEARCH MOUNT GAMBIER

In 2018, UniSA established a forest research and development hub on campus to support the South East's \$1.2 billion forest industry. Since then, we've successfully completed millions of dollars worth of research that is positively supporting both the local and national industry. The National Institute for Forest Products Innovation Hub is a partnership between UniSA and the state and federal governments, focusing on new research and solutions that can add value to industry and support economic growth in regional South Australia.

unisa.edu.au/FORMTG

HEALTHY FUTURES

The Limestone Coast Regional Sporting Academy (LCRSA) has developed a 12-month program for young local athletes with great sporting potential, focusing on strength training, body conditioning and elite education. As a Foundation Partner, our Mount Gambier Campus is the host venue for all education programs and athletes access regular testing at UniSA's High Performance Centre in Adelaide. The program is all about nurturing local talent, providing good education and removing hurdles to help young athletes reach their goals.

LCLGA.sa.gov.au

CHANGING LANDSCAPES

The Wattle Range Council and UniSA STEM have established a partnership that creates opportunities for student placements and joint research projects. The partnership is focused on challenges relating to biomass, wind turbines, townscapes and coastal erosion, which will benefit the local council area and beyond.

COMMUNITY SPONSORSHIPS

We sponsor local organisations and initiatives to support and celebrate the community. Key sponsorships include the Western Border Football League, Pioneers Basketball, Blue Lake Fun Run, Sir Robert Helpmann Theatre's Community Circle, Solstice Media Regional Showcase, and Women in Business and Regional Development (WiBRD). We also sponsor local secondary school award nights throughout the Limestone Coast and South West Victoria.

Pedal Prix

One of our largest community sponsorships is the UniSA Australian HPV Super Series. The competition sees teams race Human Powered Vehicles (HPVs) on a closed circuit, with one stage held in Mount Gambier attracting hundreds of riders and spectators. UniSA is the naming rights sponsor and is focused on promoting education, the development of sustainable communities, healthy lifestyles, quality research and innovation.

pedalprix.com.au

UniSA nursing students, Adriana Beaumont and Hayley Keyser.

"The City of Mount Gambier supports the work of UniSA's Mount Gambier Campus, providing people of all ages with access to tertiary education. The campus provides local people with the opportunity to upskill and value-add to the community in areas such as education, midwifery, nursing and social work, and is an important drawcard for those considering making a life in our city."

Lynette Martin OAM | Mayor of Mount Gambier

STUDY ONLINE

FLEXIBLE LEARNING

In a busy world, we want to give our students more flexibility with their studies, which is why we offer online, blended and part-time learning opportunities.

If you study online, you'll still have access to all campus facilities, including computer pools and dedicated learning spaces, along with student services such as study support and personal counselling at our Mount Gambier Campus. You can benefit from flexible learning, but still feel supported and experience the campus culture along the way.

Your study modes

ON-CAMPUS

Some optional online study is available.

ON-CAMPUS/ONLINE

Blended learning, combining on-campus and online study.

100% ONLINE

Delivered through UniSA Online.

ACCESS RESOURCES ANY TIME

No matter how you decide to learn, either on campus, online or through a blended mode, you'll have access to custom online platforms that will further support your studies.

myUniSA portal

Your myUniSA Student Portal is where you'll go for all your study-related information and resources. It's the first page that appears after you login as a UniSA student.

"After finishing training as a life coach, I wanted to further my understanding of the human mind, whilst studying and living locally in Mount Gambier. I first completed the Foundation Studies program through UniSA College, which then gave me the confidence to study a degree with UniSA Online. I've enjoyed the flexible learning and accessing the local campus, which has very fast internet speeds and great facilities."

Joe Denman | Psychological science and sociology student

You'll find quick links to enrolment, courses, emails, announcements, assignment details and academic records, as well as access to Campus Central, AskIT, the Library, Career Services, and your student association.

Online learning platform

Each of the courses (subjects) in your degree will have its own Learnonline site, which is your central platform for accessing key course information, your course outline, weekly readings and resources, lecture recordings, discussion forums, and more.

Degrees specifically designed for online learning

Four start dates per year (Jan, Apr, Jun, Sep)

Learn in 10-week blocks

Scholarships and grants available

All assessments are 100% online

24/7 access to learning resources

Flexible around your life

Credit for previous study and relevant work experience

STUDY ON DEMAND

Take full control over your studies with our 100% online degrees delivered through UniSA Online. Study anywhere, any time, and on any device.

- Undergraduate Certificate in Aged Care

SUPPORT SERVICES

UniSA Online provides unique support services over extended hours – including on weekends – so you can get help when you need it. Whether it's for assignments, referencing, administrative or technical supports, you will have access to a team ready to assist you every step of the way.

- Access online academic support seven days a week
- Connect with a dedicated student adviser
- Access tech support 24/7

DID YOU KNOW?

As a UniSA Online student you'll still have full access to the facilities, resources, events and support services available at the Mount Gambier Campus. If you're interested in studying with UniSA Online, you can apply directly at:

unisaonline.edu.au

RELOCATING TO ADELAIDE

As a regional student, you can also choose to relocate and study at one of the UniSA campuses in Adelaide. Depending on your chosen degree, you might be based at City West, City East, Magill or Mawson Lakes. Here are some useful tips to help you make a smooth transition.

BEFORE YOU ARRIVE

Explore your study options

Go online and find out more about the 200+ degrees we offer, including what subject you'll study, career outcomes, study mode, entry requirements, and more.

unisa.edu.au/study

Check for scholarships

UniSA offers a wide range of scholarships, including the UniSA Rural Connect Scholarships, which help regional students fund their relocation to study in Adelaide. Check out the online scholarships search engine to see what you might be eligible for.

unisa.edu.au/scholarships

Look into accommodation

There's a variety of student accommodation options available, including UniSA's Student Accommodation by Urbanest, offering modern apartments in the heart of the Adelaide CBD. It's important to start this process early, so visit our website and connect with one of our dedicated advisers.

unisa.edu.au/accommodation

AFTER YOU ARRIVE

Access support services

We offer an extensive range of support services to help you succeed at university. From study support to personal counselling, we're here to help. Check out the resources available online or visit your local Campus Central team.

unisa.edu.au/student-services

Have a travel plan

Take the time to map out how you'll get to and from campus. You can make the most of Adelaide being a smaller capital city and drive, cycle or catch public transport. Parking at the suburban campuses is very affordable, and bike storage and showers are available.

unisa.edu.au/campus-facilities

Plan your career

It's important to explore your career options and understand where your degree can take you. Our Career Services team provides on-campus advice and support, along with a variety of online resources. They can also help you to find paid or unpaid volunteer, internship and employment opportunities, and they host workshops and events throughout the year so you can develop your professional knowledge and skills.

unisa.edu.au/careers

Study overseas

Become a UniSA Global Citizen through a range of overseas opportunities and virtual international experiences. You can travel and complete a student exchange, short-term program, internship, volunteering opportunity or study tour. Or, you can develop your cultural intelligence through interactive online learning, including virtual project work.

International travel is subject to Australian Government guidelines.

unisa.edu.au/globalopportunities

WHAT
UNI
MIGHT
LOOK
LIKE

Did you know that if you decide to study locally in Mount Gambier, you can generally organise to fit all of your on-campus classes into 1-2 days? This gives you flexibility to work part-time or travel home if you live in surrounding areas.

HOW TO APPLY

Applications to study in 2023 open in early August and are completed through the SATAC website. Check out our handy online resources to help you through the application process.
