### LAW WITH A DIFFERENCE

Practical learning is so important, that's why we build valuable hands-on experience into your law degree so you graduate confident and career ready. Get involved in advocacy training in our on-campus moot court or provide advice through our student-run Legal Advice Clinic under the supervision of a managing solicitor. Our teachers are also researchers, who partner with more than 200 organisations worldwide to create real solutions that shape business, industry and policy. We're always contributing to new knowledge and global understanding, and then share these insights with you in the classroom.

### GET THE LEGAL EDGE

Study a not so common law degree. Graduate with honours and choose to fast-track your career by completing the Graduate Diploma in Legal Practice (GDLP) in your final year – a compulsory qualification needed to practise as a barrister or solicitor in South Australia.

Through a UniSA law degree, you'll participate in a community justice project, practice advocacy and negotiation in our moot court, and gain industry experience through our Legal Advice Clinic or a professional placement.

We also offer a wide range of specialist electives, so you can expand your knowledge in an area of interest like human rights law, family law, sports law, cybercrime, and more.

### DOUBLE YOUR KNOWLEDGE

Expand your expertise and career opportunities by studying a double degree combining law with a second discipline. You can pair your law degree with popular areas like business, accounting, arts, journalism or psychology; or consider your very own combination. You can apply directly on entry or combine qualifications during your studies, giving you the ultimate choice.

### GRADUATE WITH YOUR GDLP

Study a UniSA law degree or double degree and have the option to complete your Graduate Diploma in Legal Practice (GDLP) in your final year of study.

Ella Cameron, UniSA Law and Psychology Graduate / Solicitor, Resolve Divorce.

### WHAT'S INDUSTRY SAYING?

*"Technology has streamlined many aspects of the legal industry; traditional career paths and law firm structures are certainly more dynamic than they once were. It's important to build transferable skills – that is, a willingness to work hard, the ability to lead by example, as well as a desire to learn and give everything a go. My advice is to remain true to your professional core values and skills, but don't be afraid to embrace change."*

Olaf Borutz | Legal Counsel: Sponsorship & Licensing Rights | TEAM Marketing AG (Switzerland)

### YOUR UniSA LAW EXPERIENCE

Our flexible study options are designed so you can study the way you want to. You can benefit from full-time or part-time learning, two study intakes, Summer and Winter School intensives and networking opportunities, as well as accelerated learning pathways. You can also join our active student community through the UniSA Law Students Association (USALSA) – an independent student body that coordinates social events and networking opportunities, careers fairs and seminars, and legal advocacy competitions to give you practical experience and skills development.

### MAKE INDUSTRY CONNECTIONS

Meet industry experts, develop your professional networks and immediately apply your learnings to real-world environments during your studies. No matter which law degree you choose, you can undertake an internship or community justice project. We also partner with more than 60 organisations for semester exchanges, study tours and internships across Asia, Europe and the Americas. Gain practical experience by working on current legal challenges and develop the skills you need for a global career.

### ALREADY HAVE A DEGREE, BUT WANT TO STUDY LAW?

Study our Bachelor of Laws (Honours) (Graduate Entry) and get credit from your previous university studies. If you have successfully completed a recognised bachelor's degree in any discipline, you can study law at UniSA and finish in 3.5 years full-time (or part-time equivalent). See page 29.

### FIGHTING CRIMES AGAINST HUMANITY

A passion for human rights inspired a UniSA law graduate to travel abroad and support international communities in need.

During his studies, Lachlan Merrigan (pictured) received a UniSA scholarship to intern with the United Nations Assistance to the Khmer Rouge Trials (UNAKRT) at the Extraordinary Chambers in the Courts of Cambodia (ECCC).

These courts were established to bring senior leaders from Democratic Kampuchea to trial, who are alleged to have committed Crimes Against Humanity in the 1970s. Lachlan supported senior lawyers and international experts in the Office of Co-Prosecution to prepare for one of the trials.

"I worked with a team from around the world to analyse facts, conduct legal research and write a submission for the Office's trial brief.

"I really enjoyed the opportunity to develop a global perspective of the legal profession and interpret the law differently – the experience encouraged me to step outside my comfort zone."

Your UniSA law degree can take you anywhere and create real impact – the possibilities are endless.

### MEET YOUR TEACHER

"Employers often tell us that UniSA law graduates show strength in taking initiative with a 'can do' attitude and are prepared for the challenges of the legal profession. Our industry connections allow students to hear from experts about how the law is applied, which adds an invaluable element to their learning. As a former lawyer and now teacher and researcher, I want to prepare students for their future careers as legal professionals, and we have so many fantastic members of the legal community who are pleased to share their time and expertise."

Working in a small firm has also given me the opportunity to understand the mechanics and operations of the business. One day I hope to run my own legal practice and mentor young graduates. ## PREFERENCE BY PASSION

We know that choosing your preferences can be confusing, but we're here to help. Applications to study at UniSA are made through SATAC and you can select up to six preferences (degrees).

SATAC make offers by working down your preference list, so it's important to preference in order of what you want to study *most*. Don't forget, SATAC will also look at your eligibility criteria (for example, does the degree have any prerequisites?).

There are also some other things to consider when narrowing down your six choices:

1. By preferencing UniSA first, you might also be eligible for guaranteed entry. All you need to do is meet the set Selection Rank, Year 12 subject grades or TAFE/VET qualification (and any other academic criteria).

2. Do you need a back-up option? Alternative pathways offered through UniSA College can be included as part of your preference list.

That's the hard work done!

You'll automatically receive an offer from SATAC for the first preference you're eligible for in the list. It's also good to remember that there are multiple offer rounds in January and February, so don't worry if you miss out on your top pick first go.

Don't just settle, follow your passion – we'll help get you into your preferred degree and you'll be on your way to that unstoppable career.

## APPLYING WITH YEAR 12 RESULTS

Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

## ADJUSTMENT FACTORS

Australian high school students applying for university study may be eligible for adjustment factors. These are based on set equity factors and/or subject choices (see below). SATAC will combine them with your ATAR to improve your Selection Rank for entry.

- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

**Selection Rank Guaranteed Entry** – UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do.

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. Application timelines and fees also apply.

**TAFE/VET Guaranteed Entry** – UniSA offers guaranteed entry based on successfully completed VET qualifications. If your completed VET award meets the set VET Guaranteed Entry, you have met any prerequisites and specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer.
