# LIKE MINDS?

Pursue an unstoppable career that helps empower individuals and creates more socially engaged communities. You can explore the fascinating world of the humanities through an arts degree, or you can study programs focused on the connections between the brain and behaviour, the meaning behind human interactions, and the broader social sciences. Help to drive better social outcomes and an understanding of mental health across different pockets of society, and deep dive into social policy, research and education to help improve existing systems and contemporary practice. Learn in purpose-built facilities on campus, including our social work and human services studios, Cognitive Neuroscience Laboratory and the Behaviour-Brain-Body Research Centre – home to the Cognitive Ageing and Impairment Neurosciences Laboratory, and the Sleep and Chronobiology Laboratory.

### STUDY SOMETHING UNIQUE

Did you know that we offer South Australia's only psychology degree in cognitive neuroscience, which explores the neural connections in the brain and the way we process and interpret information? We also offer unique degrees that specialise in areas like ageing and disability or counselling and interpersonal skills. Learning alongside experienced practitioners and teaching staff, you'll develop the knowledge and skills to help people thrive, solve complex problems and support the overall wellbeing of individuals, families, carers and communities.

**People-focused degrees** are all about experience and connection, so you'll complete fieldwork, placements and research projects during your studies.

**Our Psychology Clinic** offers postgraduate students real experience in treating members of the community.

### WHAT'S INDUSTRY SAYING?

"The practical application of your study is an amazing way to gain the kind of skills that benefit the whole service ecosystem; a fantastic way to learn while you contribute."

Lydia Crawford-Pope | Designer & University Relations, Research and Innovation | Uniting Communities

### GO BEYOND THE CLASSROOM

When you study a degree in psychology, social work or human services at UniSA, your studies will go beyond the classroom. You'll have opportunities to immediately apply your learnings to real-world environments while building your professional networks and connecting with industry. Complete fieldwork or a placement, or collaborate with industry on cutting-edge research projects. Postgraduate students can also gain practical experience in our on-campus Psychology Clinic, where you'll treat real patients under the supervision of qualified clinical psychologists and develop skills in a range of therapeutic practices.

### DOUBLE YOUR KNOWLEDGE

Enhance your learning and career opportunities by studying a double degree. Combine your psychology qualification with a second discipline in areas like law, human resource management, exercise and sport science or human services. Examine human behaviour and its application in different environments, broadening your knowledge and expertise.

### CREATE YOUR OWN ADVENTURE

The more you can learn and follow your passions, the more options you'll have as a graduate. That's why our Bachelor of Arts offers you the flexibility of a double major with more than 150 combinations to choose from. You'll be able to deep dive into real areas of interest and draw connections to future career paths that you couldn't do in any other way. You could pair Languages with History and Global Politics and work as a diplomat. You could use your knowledge in Sociology and Cultural Studies to develop new policies. You can study Criminology and Languages to work in security and intelligence, or even combine Applied Linguistics and Psychology to explore art therapy. See page 13.

## #1 IN SA FOR GRADUATE EMPLOYABILITY

QILT Employer Satisfaction Survey, 2020-22 – Employability Skills Indicator. SA public universities.

## WELL ABOVE WORLD-CLASS RESEARCH IN PSYCHOLOGY

2018 Excellence in Research for Australia (ERA).

### STAND FOR SOCIAL CHANGE

We offer industry-recognised social science degrees in both ageing and disability or human services. Develop the skills to support individuals, families and carers involved with the elderly and people living with disabilities, or those who have experienced personal or social difficulties.

Learn to navigate the Australian National Disability Insurance Scheme (NDIS), explore ethical practice and discover how to enhance services within the sector; or delve into the world of human services and understand how behaviour is affected by cultural, environmental, psychological and political factors – and what you can do to have a meaningful impact.

Graduate with more than 500 hours of placement experience and be part of the next generation of social change.

### JOBS GROWTH

Jobs in aged care and disability are projected to grow by 74,900 (28%) over the next five years.

Australian Government National Skills Commission, Employment Outlook – March 2022.

### CONNECT WITH REAL PEOPLE

UniSA runs a Psychology Clinic that provides affordable services to the community. Based at Magill Campus, postgraduate clinical psychology students learn to provide high quality therapeutic services to real patients under the guidance of fully qualified and practising clinical psychologists. You can gain valuable experience in helping people to overcome difficulties by building the tools they need to thrive, and explore critical areas of mental health like anxiety, depression, eating disorders, PTSD, insomnia and behavioural issues in children.

[unisa.edu.au/communityclinics](https://unisa.edu.au/communityclinics)

### ENGAGE IN GROUNDBREAKING RESEARCH

During your studies, you can get involved with fascinating research projects conducted at the Behaviour-Brain-Body Research Centre located on campus. This research group combines expertise in sleep, nutrition and physical activity. They explore a diverse range of topics such as the effects of sleep on human performance, cognitive decline and links to dementia, as well as fatigue management and reducing risks with shift workers.

[unisa.edu.au/BBBR](https://unisa.edu.au/BBBR)

### DISCOVER OUR ABORIGINAL EMPLOYMENT PATHWAYS

Aboriginal and Torres Strait Islander students who are studying a degree in psychology, social work or human services are able to engage in paid work during their studies through a unique partnership with SYC – a not-for-profit organisation that invests in the community by helping people with housing, education and employment. Students can apply their learnings and gain valuable experience with the possibility of continuing employment after graduation.

## NEW WINDOW TO THE SOUL

It's often said that the eyes are the window to the soul, revealing our thoughts and feelings. Now, cutting-edge research reveals that your eyes may also be an indicator of your personality type, simply by the way they move.

A study by UniSA researchers, in collaboration with international partners, is using state-of-the-art machine-learning algorithms to demonstrate a link between personality and eye movements, with findings showing that eye movement can tell whether people are sociable, conscientious or curious.

The study delivers important insights for social robotics, and its findings could help to improve interaction between humans and machines, making robots and computers more natural and better at interpreting human social signals.

With automation in customer service industries on the rise, these findings could lead to improved personalised services and more authentic interactions with machines.

### MEET YOUR TEACHER

*"My job is to ensure that students are ready to support diverse people living with disability or experiencing ageing. It's important to develop the right skills to help build family leadership, valued social roles, person centred services and social inclusion, so that individuals, families and communities can live more enriching lives."*

Caroline Ellison | Program Director: Social Science (Ageing and Disability)

Graduate with a law double degree, including professional honours and the option to complete your Graduate Diploma in Legal Practice (GDLP) in just five years of study, fast-tracking your legal career. Study core courses and concepts that underpin the Australian legal system across areas such as torts, contracts, criminal law and constitutional law. You'll also develop in-depth knowledge about human behaviour, social services and human resources by exploring key concepts in psychology. Choose from a range of specialist psychology courses to tailor your degree, including Psychological Assessment, Cognitive Neuroscience, Health Psychology, and Work and Organisational Psychology. Experience practical learning in a moot court and engage with our student-run Legal Advice Clinic, working with clients under the supervision of a managing solicitor. You can undertake an industry placement or community justice project, and there's opportunities to go on an overseas study experience. In final year, you can choose to complete your GDLP – a compulsory qualification needed to practise as a barrister or solicitor in South Australia. Attend classes on campus with the option to study some courses online. You'll also graduate with a double degree accredited by both the Australian Law School Standards Committee (ALSSC) of the Council of Australian Law Deans (CALD), along with the Australian Psychology Accreditation Council (APAC).

*This double degree covers the academic requirements for admission to practise law (the Uniform Admissions Rules) as specified by the National Law Admissions Consultative Committee.*

*Students are required to undertake Criminal History Checks through the Department of Human Services (DHS), obtain a SAPOL National Police Record Check, and complete a one-day Safe Environments for Children and Young People course. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.*

ADMISSIONS INFORMATION

If you're interested in one of our popular law double degrees, there's a few ways you can apply. The first option is to apply directly using the SATAC code listed above. You can also give yourself a back-up option by listing the Bachelor of Psychology as your second preference. If you're offered a place in the psychology degree, you'll be eligible to transfer into the double degree if you successfully complete at least four courses (subjects) with the required Grade Point Average (GPA).

The Unstoppables

ANIMAL WHISPERER

Dr Janette Young  
Lecturer in Health Sciences  
(Health Promotion & Health Services)  
Bachelor of Social Work  
Doctorate by Research, Health Sciences

For many of us, there is nothing better than cuddles and chats with our animal friends. Pets bring joy and are foundational to many people's mental health.

That's why UniSA grad and lecturer, Dr Janette Young, has spent more than 10 years investigating the benefits of animals during times of loss, trauma and change. This *UNSTOPPABLE* force is now applying her knowledge to aged care, where pets can continue to give purpose and connection for residents. Core to her work is the recognition that both human and animal rights need to be considered to best support positive outcomes.

Graduate with a law double degree, including professional honours and the option to complete your Graduate Diploma in Legal Practice (GDLP) in just five years of study, fast-tracking your legal career. Develop strong skills in analysis, reasoning, advocacy, negotiation and communication to resolve complex legal problems. Study core courses and concepts that underpin the Australian legal system across areas such as torts, contracts, criminal law and constitutional law. You can also tailor your degree by choosing an arts major and minor, focusing on areas that interest you most. Experience practical learning in a moot court and engage with our student-run Legal Advice Clinic, working with clients under the supervision of a managing solicitor. You can undertake an industry placement or community justice project, and there's opportunities to go on an overseas study experience. In final year, you can choose to complete your GDLP – a compulsory qualification needed to practise as a barrister or solicitor in South Australia. Attend classes on campus with the option to study some courses online. You'll also graduate with a degree accredited by the Australian Law School Standards Committee (ALSSC) of the Council of Australian Law Deans (CALD).

*This double degree covers the academic requirements for admission to practise law (the Uniform Admissions Rules) as specified by the National Law Admissions Consultative Committee.*

Develop the knowledge and skills required to become a registered clinical psychologist. Benefit from a curriculum designed in collaboration with industry practitioners. Graduate with a strong understanding of the latest developments in clinical psychology practice and the ability to critically reflect on psychological theory and its practical applications. Study advanced coursework covering topics such as adult psychopathology, child and adolescent psychological assessment, specialised interventions, and behavioural medicine. Elevate your research skills through a major project in your final year. Build your practical skills through clinical studies, professional clinical placements, as well as training under the supervision of registered psychologists in our on-campus Psychology Clinic. Graduate with a qualification accredited by the Australian Psychology Accreditation Council (APAC) and be eligible for full membership with the Australian Psychological Society. You'll also be eligible for full registration with the Psychological Board of Australia.

All students studying this degree will be required to complete criminal history screening through the Department of Human Services prior to being accepted for work placements. The clearance is valid for three years and can take up to eight weeks to be processed.

In addition to this, a National Police check is also required. A combination of histories will be required as part of this check, and is only current at the time of issue.

You must also have completed a course in Responding to Risks of Harm, Abuse and Neglect – Education and Care. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

### CAREERS

# HOW TO UNLOCK YOUR UNSTOPPABLE CAREER

## GET THE COMPETITIVE EDGE

In the next five years, more than 90% of new jobs will need post-secondary qualifications like a university degree.

Latest federal government reporting shows that there'll be jobs growth across a wide range of industries and job types, but the most growth will be careers that demand higher skill levels. Professional roles alone will rise by 14.7% between now and 2026.

This means, furthering your education has never been more important. Developing soft skills in communication, computing, cognitive ability and care will also be essential ingredients to your future success.

It's in our DNA to produce unstoppable graduates, and with more than 200 world-class degrees to choose from, we'll help you become a force of the future in Australia's workforce and beyond.

Information Source: Australian Government National Skills Commission, Employment Outlook – March 2022.

## PREFERENCE BY PASSION

We know that choosing your preferences can be confusing, but we're here to help. Applications to study at UniSA are made through SATAC and you can select up to six preferences (degrees).

SATAC make offers by working down your preference list, so it's important to preference in order of what you want to study *most*. Don't forget, SATAC will also look at your eligibility criteria (for example, does the degree have any prerequisites?).

There are also some other things to consider when narrowing down your six choices:

1. By preferencing UniSA first, you might also be eligible for guaranteed entry. All you need to do is meet the set Selection Rank, Year 12 subject grades or TAFE/VET qualification (and any other academic criteria).

2. Do you need a back-up option? Alternative pathways offered through UniSA College can be included as part of your preference list.

That's the hard work done!

You'll automatically receive an offer from SATAC for the first preference you're eligible for in the list. It's also good to remember that there are multiple offer rounds in January and February, so don't worry if you miss out on your top pick first go.

Don't just settle, follow your passion – we'll help get you into your preferred degree and you'll be on your way to that unstoppable career.

# STUDY AT UniSA – THE BASICS

## APPLYING WITH YEAR 12 RESULTS

Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- A competitive Selection Rank (ATAR inclusive of adjustment factors);
- Fulfilment of the degree's prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the degree's prerequisite requirements and one of the following:

- An interstate or overseas qualification considered by the University as equivalent to SACE; or
- The International Baccalaureate Diploma with a minimum score of 24 points.

[unisa.edu.au/Year-12](https://unisa.edu.au/Year-12)

## ADJUSTMENT FACTORS

Australian high school students applying for university study may be eligible for adjustment factors. These are based on set equity factors and/or subject choices (see below). SATAC will combine them with your ATAR to improve your Selection Rank for entry.

- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

[unisa.edu.au/adjustmentfactors](https://unisa.edu.au/adjustmentfactors)

## GUARANTEED ENTRY

There are a few ways to guarantee your place at UniSA:

**Year 12 Grades Guaranteed Entry** – UniSA offers guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that's it, you're automatically in.

Subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

**Selection Rank Guaranteed Entry** – UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do.

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. Application timelines and fees also apply.

**TAFE/VET Guaranteed Entry** – UniSA offers guaranteed entry based on successfully completed VET qualifications. If your completed VET award meets the set VET Guaranteed Entry, you have met any prerequisites and specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer.

 Try UniSA's Guaranteed Entry Calculators

[unisa.edu.au/guaranteed](https://unisa.edu.au/guaranteed)

## ALTERNATIVE PATHWAYS

Entering your chosen degree straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following:

**UniSA College** – there are a variety of pathway options offered through UniSA College, including Diplomas, Undergraduate Certificates in University Studies, Foundation Studies, and the Aboriginal Pathway Program. You'll be enrolled as a UniSA student and build the academic skills needed for university study, along with introductory knowledge for your preferred UniSA degree.

Find out more about the full range of UniSA College programs at:

[unisa.edu.au/college](https://unisa.edu.au/college)

**STAT** – a competitive Special Tertiary Admissions Test (STAT) score, based on 70 multiple choice questions designed to assess your aptitude for tertiary study. A personal competencies statement or relevant employment experience alongside your STAT score may also be considered for some degrees.

**TAFE/VET** – applicants may be eligible for entry with the completion of an award from TAFE or another Registered Training Organisation at AQF Certificate IV or higher.

**SAIBT** – There are a range of bridging qualifications offered through the South Australian Institute of Business & Technology.

**Tertiary transfer** – completion of at least half a year of full-time equivalent study towards an undergraduate degree at a recognised higher education institution. You can apply using your competitive Grade Point Average (GPA).

[unisa.edu.au/pathways](https://unisa.edu.au/pathways)

## RELOCATING TO ADELAIDE

We offer a range of in-demand degrees at our regional campuses in Mount Gambier and Whyalla. If you're interested in relocating to Adelaide to study at one of our metro campuses, then start your planning early – there's a few things to think about before making the move.

## FEES

All UniSA domestic undergraduate students are in Commonwealth-supported places. Students pay a contribution of their fees depending on their program and the associated contribution band (see table below). Student contributions also depend on the unit value courses. As per the Australian Government guidelines, the student contribution amounts for 2023 are:

Band	Field of education	Student contribution	Student contribution
		For one year of full-time load (1 EFTSL)	For each subject (0.125 EFTSL)
1	Agriculture, english, mathematics, teaching, clinical psychology^, languages and nursing.	\$4,124	\$515
2 (2 & 2A)	Architecture, IT, other health, allied health, creative arts, engineering, science, environmental studies, professional pathway psychology, professional pathway social work and clinical psychology^.	\$8,301	\$1,037
3	Dentistry, medicine and veterinary science.	\$11,800	\$1,475
4 (4A, 4C, 4P, 4S & 4Y)	Law, accounting, administration, economics, commerce, communications, society and culture, professional pathway psychology, professional pathway social work and clinical psychology.	\$15,142	\$1,892

*\*Some postgraduate programs are Commonwealth-supported, while others are full fee-paying. These details are listed under each program in this guide. For programs under one year full-time study, fees are listed as the whole program. For programs over one year of full-time study, fees are listed based on the cost per annum. This table should be used as a guide only (indicative 2023 only). Total costs can vary depending on the courses you study and the band they fall into. For more information about fees, including eligibility for Commonwealth-supported places and deferring your student contributions through HECS-HELP or FEE-HELP loans, visit [unisa.edu.au/fees](https://unisa.edu.au/fees)*
