

Student Checklist

UniSA Human Performance

Non-Clinical Programs

This Checklist has been developed to assist you with obtaining Conditional Evidence documents required by students to be eligible to attend placement. Conditional Evidence is required to be current for the duration of your placement unless otherwise notified. Students are required to submit Conditional Evidence documents to their [InPlace](#) student profile for verification by the Clinical Placement Unit.

You are required to:

- Complete your relevant checklist and keep original documents in a folder, placement sites may ask to view original documents.
- Upload copies of conditional evidence items to InPlace: (<https://unisa-prod.inplace.com.au/>).
- Present conditional evidence documents to placement venue staff on the first day and/or as requested
- Keep your conditional evidence documents current for the duration of your placement.
- **Important: Do not action the conditional evidence requirements on this checklist, until you have reviewed the Conditional Evidence Matrix below**

Conditions Evidence Key

☑ = Condition must be met by student and evidence submitted to InPlace.

☒ = Condition does not need to be met by student

☑ = Condition is not mandatory but recommended

■ = Condition is required to be completed by student, placed in folder and uploaded to InPlace, document is not verified by CPU

UniSA Human Performance			
Compulsory Conditional Evidence	Bachelor of Human Movement / Bachelor of Exercise & Sport Science	Bachelor of Outdoor and Environmental Leadership	Bachelor of Health Sciences (Public Health & Wellbeing)
