2021 STUDY AND CAREER GUIDE

"UniSA is a globally connected and engaged university helping to solve the problems of industry and the professions. Our graduates are the new professionals, at ease with the world and ready to create and respond to change. We are Australia's University of Enterprise."

Prof. David Lloyd | Vice Chancellor and President

YEAR 12s, WE'VE GOT YOUR BACK

What a year it's been so far. We know that you began 2020 with a plan, and then that got turned on its head. But despite this, we know you're doing your best to adapt, learn and grow.

At UniSA, we want you to know, that through all of this change, we've got your back!

What has remained the same is that completing Year 12 and achieving your SACE/IB and ATAR are important milestones as you prepare for further study and your unstoppable career.

Another thing that hasn't changed is our flexible admissions policies. UniSA has many pathways in addition to the ATAR, so you won't be disadvantaged.

When applying for university, we will consider your Selection Rank, which is your ATAR plus any eligible Adjustment Factors.

ADJUSTMENT FACTORS

Adjustment Factors (formerly known as bonus points) are based on set equity factors and/or subject choices. They are automatically combined with your raw aggregate score to generate your individual Selection Rank and boost your overall result.

GUARANTEED ENTRY

Designed to reduce some of the stress faced when applying to university, UniSA offers Guaranteed Entry into many of its undergraduate degrees. You're guaranteed a place into many UniSA degrees if:

- Your Selection Rank meets the UniSA Guaranteed Entry score;
- You have met the prerequisites and any specific requirements for admission; and
 - You have listed the degree as your first preference.

COMPETITIVE ENTRY

If you don't meet the UniSA Guaranteed Entry score, you will still be considered for competitive entry. When there are more eligible applicants than available places in your preferred degree, offers are made to applicants in descending order of Selection Rank scores until all places are filled. The lowest Selection Rank that receives an offer is called the cut-off. This can vary each year depending on the number of applicants and places available in the program. Minimum entry requirements, such as prerequisites still apply.

Using your Year 12 grades

SELECTION BY GRADES

For some degrees, applicants who have not achieved the Selection Rank required for automatic selection may be offered any remaining places available based on the grades of their Year 12 subjects.

Selection by Grades allows you to compete using your best three A, B or C letter grades from your Year 12 studies. Selection by Grades will only consider 2O-credit Stage 2 Tertiary Admission Subjects (TAS) where you have earned a C- or better.

For more information and a list of eligible degrees, visit *unisa.edu.au/selection-by-grades*

Using an alternative pathway

TERTIARY TRANSFER

If your Selection Rank is not high enough to gain entry into your preferred degree, you can consider starting a different degree with a lower entry score. You can then use your competitive Grade Point Average (GPA) to apply for a transfer after one full-time study period (typically four courses).

UniSA COLLEGE

UniSA College provides a range of alternative pathway programs that can help you transfer into your preferred UniSA degree. We offer two-year diplomas that allow you to transition into your bachelor's degree in the second year, or the Foundation Studies program, which is one year of full-time study that gives you a competitive Grade Point Average (GPA) that you can then use to apply for your degree of choice.

To discover our full range of alternative pathway options, see pages 28-31.

SCHOLARSHIPS

Every year, more than 2,500 students benefit from scholarships and grants at UniSA. We offer support to a wide range of students from all different backgrounds. Our online scholarships search engine will help you find what you may be eligible for.

Alumni in focus: FINDING THE RIGHT FIT

Ben Germein is one of the co-founders and masterminds behind the global business, Happy Way.

He combined his passion for fitness with a degree in marketing to launch a range of 100% natural protein powders for women, a game-changing move in one of the

fastest-growing industries.

Unsure what he wanted to do after finishing school, Ben worked a few odd jobs before deciding to go to university. To keep his

pulse on the health and fitness industry, he decided to work at a gym during his studies before opening and managing several gym facilities across Adelaide. It was this experience and the people he met along the way that ultimately inspired him to start his own business.

Like any true entrepreneur, Ben was restless and wanted to find the next challenge. That's when Happy Way came into the picture. Ben went from working in his basement to distributing products to 64 countries around the world.

READY TO STARTUP YOUR **FUTURE?**

We offer a unique elective to all UniSA students called Startup Studio - giving you the knowledge and expertise to design and develop a successful business concept from start to finish. This course will take you beyond the traditional classroom setting, by connecting you with industry mentors and experts through the Innovation \mathcal{S} Collaboration Centre - UniSA's startup incubator.

"I love the autonomy and the ability to be creative with no limits to what I want to do and how far I can take things. There is a lot of freedom that comes with running your own business, but it also takes a lot of structure and dedication.

I've looked for mentors throughout my career. It's really important for entrepreneurs to connect with people, be inquisitive and asklots of questions.

"It's a big positive that students get exposed to working in the field and with industry throughout their degree. Our approach is to provide students with as many opportunities as possible to learn in a hands-on way. Connecting what we teach to real-world issues is really important – we want our graduates to be confident problem-solvers who are fully prepared for their professional careers."

Associate Professor Tom Raimondo

Program Director: Environmental Science

Named in the Top 5 Researchers Under 40 by ABC Radio National and UNSW, and recipient of a 2016 Young Tall Poppy Science Award.

"Careers are not linear, they bounce around depending on where the opportunities lie, so say yes even if they're outside your field. Have an openness to learning new things, learn to adapt and be resilient to change. We look for individuals who can build rapport quickly, have strong relationship skills, and adopt a growth mindset."

PATHWAYS **INTO UniSA**

Your pathway options...

Your Year 12 score

1 > SELECTION RANK

Complete Year 12 and apply using your Selection Rank (ATAR + Adjustment Factors). It's important to check if you're eligible for any Adjustment Factors (bonus points) or Guaranteed Entry.

UniSA pathways

2 > UniSA COLLEGE

Complete the one-year Foundation Studies program (or 18-month Aboriginal Pathway Program), then competitively apply for your preferred UniSA degree using your Grade Point Average (GPA).

The other option is to complete a two-year diploma, then enter into the second year of one of our 100+ linked UniSA degrees.

Alternative pathways

3 > VET QUALIFICATIONS

Apply to your preferred UniSA degree using a certificate IV, diploma or advanced diploma from TAFE or another registered training organisation. You may also receive study credit or be eligible for Guaranteed Entry (conditions apply).

4 > SAIBT DIPLOMA

Successfully complete a diploma through SAIBT and then enter the second year of a related UniSA degree. A minimum Grade Point Average (GPA) is required.

5 > SPECIAL TERTIARY ADMISSIONS TEST

If you're over 18 and haven't completed more than two years of full-time tertiary study in the last two years, you can sit the Special Tertiary Admissions Test for entry into UniSA programs.

Previous tertiary study

6 > TERTIARY TRANSFER

If you have completed at least half a year of full-time equivalent study (at either UniSA or another recognised institution) you can competitively apply to transfer into a different degree using your competitive Grade Point Average (GPA).

7 > OPEN UNIVERSITIES AUSTRALIA

Complete four courses at an appropriate level through Open Universities Australia, then apply for entry into UniSA based on your competitive Grade Point Average (GPA).

Your pathways explained...

1 > SELECTION RANK

If you have completed high school you may still be eligible to gain entry into your preferred UniSA degree using your Year 12 results regardless of when you graduated. Your Selection Rank is valid up until you complete two-years of full-time tertiary study.

GUARANTEED ENTRY

UniSA offers Guaranteed Entry into many degrees. If your Selection Rank meets the UniSA Guaranteed Entry score, you have met any prerequisites and specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer (application timelines may apply).

unisa.edu.au/guaranteed

ADJUSTMENT FACTORS

UniSA offers Adjustment Factors (formerly known as bonus points) to high school students applying for entry. Additional points are based on set equity factors and/or subject choices and are combined with your ATAR score to give you a competitive Selection Rank.

unisa.edu.au/adjustmentfactors

SELECTION BY GRADES

For some degrees, applicants who have not achieved the Selection Rank required for automatic selection may be offered any remaining places available based on the grades of their Year 12 subjects.

unisa.edu.au/selection-by-grades

2 > UniSA COLLEGE

UniSA College offers alternative entry programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student. learn from UniSA staff and have access to a full-range of support services. After successfully completing your UniSA College program, you will then be able to seamlessly transfer into a wide range of UniSA degrees.

unisa.edu.au/college

DIPLOMAS

UniSA College offers two-year diplomas, designed to provide a pathway into more than 100 linked UniSA degrees for those who do not meet the requirements for direct entry.

In first year, you will complete introductory courses relating to your chosen area of study, as well as core courses that will develop your critical writing, communication, numeracy and research skills. In second year, you will study first-year courses from your linked UniSA degree.

After successful completion, you will graduate with a diploma qualification and transfer into the second year of your chosen bachelor's degree.

5 > SPECIAL TERTIARY **ADMISSIONS TEST**

If you don't have a competitive result from Year 12, VET or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the Special Tertiary Admissions Test (STAT) - 70 multiple choice questions designed to assess your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry with other special entry applicants. To be eligible, you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. UniSA also offers full-day workshops to help you prepare.

unisa.edu.au/stat

6 > TERTIARY TRANSFER

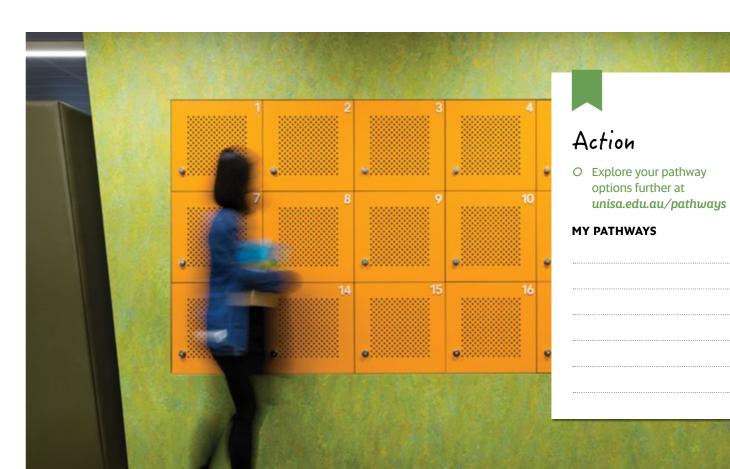

If your Year 12 results were lower than expected, you have the option of starting a different degree then using your competitive Grade Point Average (GPA) to transfer into your first preference. You can do this after completing four courses, which is typically one fulltime study period at UniSA or another recognised higher education institution.

Students are also able to transfer into different degrees if they change their mind, using their competitive GPA and after completing a minimum of four courses.

7 > OPEN UNIVERSITIES AUSTRALIA

If you have completed at least four courses through Open Universities Australia (OUA) at an appropriate level, you may use your Grade Point Average (GPA) to apply for entry into a UniSA degree. OUA offers undergraduate courses across a variety of disciplines such as accounting and business, engineering, health, languages and management.
