We're here to guide you through the next steps of finding and applying for your future degree.

UniSA Guaranteed Entry – it's a sure thing

Did you know there are a few ways you can guarantee your future place at UniSA? If you put us as your first preference, and meet the guaranteed entry scores, you'll automatically receive an offer based on your best result – either your Year 12 subject grades or Selection Rank.* There's nothing more you have to do! We also offer guaranteed entry through TAFE/VET qualifications.

Make us your first preference

+

Achieve the required Year 12 subject grades

or

Achieve the guaranteed Selection Rank score

or

Achieve the guaranteed TAFE/VET qualification

*For guaranteed Selection by Grades, subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50. Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. This is for both guaranteed Selection by Grades and Selection Rank

CHOOSE

It's decision time. Gather all the information you need by exploring our website, picking up a UniSA study and career guide, and reaching out to us if you need.

Choose what degrees you're most interested in and ask yourself questions like:

- Do I like the subjects?
- Does it lead to the career I want?
- Do I meet the prerequisites and entry criteria?

APPLY

Armed with your list of preferences, you can now apply to study at UniSA through the SATAC website. If you need help with your application, check out our self-help resources.

TIP

Remember to list your preferences in order of what you're most passionate about, not based on your ATAR. How you preference is how SATAC will provide offers (by working down the list). In your SATAC application, make sure you use your own mobile number and a personal email address – one you can access after high school.

And, don't forget to apply before the early application deadline to avoid a late fee.

CHECK AND CONFIRM

Year 12 results are finalised in mid-December. Check to see if you're eligible for Adjustment Factors (bonus points) and confirm your Selection Rank (ATAR, including Adjustment Factors), by visiting SATAC's self-service portal. Then, give our Future Students Enquiries team a call to talk through your study options.

You could be eligible for UniSA's Guaranteed Entry into your preferred degree through your Selection Rank, Year 12 subject grades or TAFE/VET qualification (see page 2).

It's also important to confirm your preferences by the change of preference deadline to be considered for an offer.

TIP

You could be eligible for guaranteed entry into your preferred UniSA degree, so go online and check out our Guaranteed Entry Calculator.

Remember to pay your SATAC application fee. If you don't, you won't be eligible to receive an offer.
