

This Checklist has been developed to assist you with obtaining and safekeeping compulsory conditional evidence documentation and is to be used in combination with the Passport to Placement (PTP) folder. It is the responsibility of students to ensure that their conditional evidence is current for the duration of their program. Students can view and submit their conditional evidence in the student placement system (**InPlace**).

You are required to:

- Complete the checklist (Page 2&3) and place original documents in your PTP folder.
- Upload scanned original copies of conditional evidence items to InPlace: (<https://unisa-prod.inplace.com.au/>). All documents can be uploaded, only compulsory documents will be verified by the CPU office.
- Present conditional evidence documents to venue staff on the first day and/or as requested
- Keep your conditional evidence documents current for the duration of your placement.
- **Important* Do not action the conditional evidence requirements on this checklist, until you have reviewed the Conditional Evidence Matrix below**

Conditions Evidence Key

¹It is recommended you ensure your immunisations are up to date, as during your placements you may still come into contact with blood/bodily fluids. Please refer to note 2 if you choose not to be vaccinated.

²If choosing not to complete the Immunisation Requirements for Placement Package it is mandatory that students complete the Student BBFE Declaration.

⁴Pharmacy students only require this document for 4th year placements.

⁶Student Blood and Bodily Fluid Exposure (BBFE) Information Declaration only acceptable for first year PHAR1009 pharmacy students completing non-clinical project.
