Type of Request

Please select only one of the options below

Pre-Allocation Request

Select the box above if your request does not comply with section 5 (i) of the Clinical Placement Policy, but you would like your request to be considered prior to being allocated to a placement site. In the lined area provided below, please outline your reason for submitting this request. Supporting documentation is not compulsory.

Special Consideration

Select the box above if you believe that your request complies with section 5 (i) of the Clinical Placement Policy, in the lined area provided below, please outline your reason for submitting this request and attach supporting documentation.

*Please note that Special Consideration requests will only be considered in the following circumstances:

- Students with an access plan
Students who are the registered Carer for a sick or disabled dependent child or relative, with documented evidence
Students with a major health problem requiring frequent and specialised treatment which is only available at certain locations, with documented evidence
Other highly extenuating medical, compassionate or special circumstances outside of the control of the student, and where there was no opportunity to plan ahead, such as those outlined in the Variations to Assessments Procedure, specifically Clause G

Important* In order for your Special Consideration application to be considered please attach supporting documentation when submitting this form. Where the request involves a medical and/or disability, the CPU will discuss your request with the course coordinator to ensure special placement needs can be met. In some cases, students with a medical certificate noting placement limitations, may be asked to provide a more detailed medical opinion on their fitness for placement.
