#### Additional Notes
- Note: Catholic Studies is not available as a major.
- Refer to options 1 and 3.
Teaching Capability Statement

All applications to commence study in our Bachelor of Education and Master of Teaching degrees require applicants to submit a 400-600 word Teaching Capabilities Statement in addition to your SATAC application. This supports the national priority to ensure those entering the teaching profession have the personal qualities to best support learners and graduate as classroom ready, high quality teachers. The Teaching Capabilities Statement complies with the national Australian Institute for Teaching and School Leadership (AITSL) initial teacher education program standard of academic and non-academic entry requirements.

More Information

Visit unisa.edu.au/eds-requirements for more information on any of the entry or placement requirements.
Learning Areas – Bachelor of Secondary Education (Honours)

Bachelor of Secondary Education (Honours) students will complete a major and sub-major as part of their degree in which they intend to teach and that aligns with the Australian National Curriculum.

Students can select their sub-major from the following areas:

- Arts – Drama and Creative Arts or Visual Arts
- Catholic Studies
- English
- Humanities and Social Sciences – Geography and History
- Languages – French, Italian, Japanese or Languages Education (for proficient speakers only)
- Mathematics
- Science – Physics, Chemistry or Biology
- Technologies – Design and Technology, Digital Technologies, or Food and Textile Technologies

Learning Areas – Master of Teaching (Secondary)

Graduates wishing to gain entry to the Master of Teaching must have completed a major and a minor learning area in which they intend to teach and that aligns with the Australian National Curriculum.

A major consists of a minimum of 6 courses/27 units or equivalent with a minimum of 2 courses at Australian third year undergraduate level or equivalent. A minor consists of a minimum of 4 courses/18 units or equivalent with a minimum of 2 courses at Australian second year undergraduate level or equivalent.

If applicants do not have a minor learning area, they can choose to complete one of the following as part of their postgraduate studies:

- TESOL (Teaching English to Speakers of Other Languages),
- Islamic Studies
- Integrated Teaching & Vocational Education or
- Lutheran Studies
Placement requirements for all UniSA Bachelor of Education and Master of Teaching programs

In the lead-up to each professional experience placement you need to ensure that several important prerequisites and requirements are completed or satisfied, including:

- A Department of Human Services (DHS) Working With Children Check (WWCC)
- Mandatory Child-Safe Environments Training, and
- Meeting required standards in the national Literacy and Numeracy Test for Initial Teacher Education (LANTITE) – to be completed during your studies.
Master of Teaching

Take your career to the next level and develop your knowledge further through postgraduate study.

Why study a Master of Teaching (Secondary)?

- The Master of Teaching (Secondary) will prepare you for a career as a teacher in your area of choice and develop your expertise through professional experience in the classroom.
- Focus on the learning and planning needs of adolescent students from Year 7 to Year 12.
- Benefit from highly practical learning, completing supervised placements totalling 60 days and starting in your first year.
- Enjoy further flexibility with a trimester degree structure, making it easier for you to prioritise field placements.
- You will also study core courses covering curriculum studies, education studies and pedagogy (the theory and practice of teaching).
- Choose to study Australia’s only minor specialisation in Islamic pedagogy, providing the knowledge and inclusive practice required for teaching Muslim students.

Other Entry Requirements

Applicants to the Master of Teaching must have completed a three-year Bachelor degree or equivalent from a recognised higher education institution with a competitive Grade Point Average (GPA).
