GET THE CAREER YOU WANT
Our Bachelor of Business degrees include common first year courses, so you will learn the fundamentals in accounting, economics, marketing and management. You can then tailor your degree based on your interests and career goals through a chosen specialisation, with the ability to focus your studies on up to three different areas through the broadest range of business-related courses offered in South Australia.

Our team at the Business Student Hub located on campus can support you with individual study options, course selection, elective choices and more.

BUILD YOUR PROFESSIONAL NETWORKS
We have over 60 partners for semester exchanges, study tours and internships across Asia, Europe and the Americas. Gain practical experience by working on current business challenges and develop the professional skills needed for a global career. During your degree, you will also have opportunities to develop your networks, meet industry experts and immediately apply your learnings to real-world environments. You can complete an internship, be mentored by a business professional or engage in an industry project.

DOUBLE YOUR KNOWLEDGE
Expand your career opportunities by studying a double or combined degree. Specialise in business and a secondary complimentary field, typically with only one extra year of study. You can apply on entry or explore different combinations during your studies. For select degrees, our 3+1 Pathway to Masters program allows you to fast-track your studies and complete a bachelor and master’s qualification in just four years.

Award Winning Service
UniSA Business School has been recognised nationally and internationally, winning awards for exceptional customer service to students, industry and the community in 2018.

Annyeong from PyeongChang!
Volunteering at the 2018 Winter Olympics in PyeongChang was the opportunity of a lifetime for UniSA Business School student, Hannah Kemp.
During her studies she won a New Colombo Plan Scholarship to live, study and intern in South Korea for a year, and even received study credit.

Studying a combined degree pairing tourism and event management with marketing, Hannah joined the Event Services team at the Olympics, which was made up of people from around the world.

Being part of a world renowned event, engaging with the crowds, coordinating large-scale activities and learning about a different culture were just some of Hannah’s greatest highlights.
FUTURE-PROOF YOUR CAREER
Being career ready is about developing transferable skills that you can take with you across your professional life. The UniSA Business School created a suite of Enterprise Skills, which are integrated into your degree. You will explore essential skills in self-management, problem solving, teamwork, ethical awareness, communication and international perspectives. You’ll also be able to upskill throughout your studies with short online resources you can access anywhere, anytime.

LEARN FROM THE EXPERTS
Our teachers are also researchers, who partner with more than 200 organisations worldwide to create solutions that shape business, policy and industry. We contribute to new knowledge and global understanding, and then share these insights with you. The Ehrenberg-Bass Institute for Marketing Science is the world’s largest centre for research into marketing and is based at City West Campus, with over 50 marketing scientists making discoveries about how brands grow and buyers behave. Our marketing degrees and courses are influenced by key findings, and you’ll learn from experts who advise global brands such as Procter & Gamble, ESPN and Nestlé.

DISCOVER MORE WAYS TO STUDY
Our flexible study options are designed to suit your lifestyle, preferred way of learning and career interests. You can benefit from online and on-campus study, full-time or part-time learning, two study intakes, Summer and Winter School intensive courses, business mentoring and networking opportunities, as well as accelerated learning pathways. Make the most of professional development courses endorsed by industry and build leadership skills that employers value.
Become a global citizen

Develop the skills you need to work internationally and increase your career opportunities by studying a second language. Learn French, Italian, Japanese or English (as an Additional Language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

unisa.edu.au/languages

Experience student life

Enjoy life beyond the classroom by getting involved in campus culture. Connect with new people at O-Week, keep active with UniSA Sport and on-campus fitness centres, or find your tribe with over 100 student clubs to choose from. Discover our wide range of events throughout the year and connect with our student association, USASA.

unisa.edu.au/studentexperience

Get career ready

Prepare for your future career from first year with support from our Career Services team. Access our online Career Hub for self-help resources, including tips on resume writing and an interview simulator. There are also professional and exclusive job listings. Connect with a career adviser for help with career mapping, attend industry events to build your professional networks, and walk in to one of our drop-in centres on campus for general careers advice.

unisa.edu.au/careers

“...My teaching is influenced by the ground-breaking research conducted by the Ehrenberg-Bass Institute for Marketing Science, whose partnerships with leading brands such as Foxtel and Kellogg’s have led to its global fame.

We pride ourselves on making our students career-ready by offering a host of opportunities such as internships and practicums, as well as the chance to interact with industry. Our unique on-campus Marketing Clinic also enables students to work with real-world clients to solve organisational marketing challenges, and has even led to employment.”

Vivien Chanana | Teaching Innovation and Quality Leader, UniSA Business School

No.1 YOUNG UNIVERSITY IN AUSTRALIA FOR TEACHING QUALITY

2018 THE Young University Rankings SA-founded universities only
PRACTICAL LEARNING
UniSA offers over 200 world-class degrees across a wide range of discipline areas. You will learn in a highly practical environment. Take the opportunity to complete an internship or placement during your studies, learning from experts in a real-world setting. Build your networks and graduate career-ready with the skills required of tomorrow’s professionals.

TOP RANKING TEACHERS
Make your study experience relevant and learn from highly qualified academics and industry professionals. In fact, UniSA is Australia’s best young university for teaching quality (2018 THE Young University Rankings).

WORLD-CLASS FACILITIES
Study in modern, purpose-built facilities across all six UniSA campuses. Learn with the latest industry-standard tools and technologies that will take you from the classroom into the workplace. This includes state-of-the-art laboratories, collaborative learning areas, creative studios, workshops and simulation spaces.

foodbank matchbox
RISING SUN PICTURES
UniSA offers over 200 world-class degrees across a wide range of discipline areas. You will learn in a highly practical environment. Take the opportunity to complete an internship or placement during your studies, learning from experts in a real-world setting. Build your networks and graduate career-ready with the skills required of tomorrow’s professionals.

**Powerful Partnerships**

We collaborate with over 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry professionals during your studies and benefit from curriculum informed by the latest industry practices.

**Real Research**

Our research is innovative and inspired by challenges. We produce new knowledge that provides solutions to industry, businesses and the wider community. Explore cutting-edge insights in your chosen degree, influenced by our world-class research outcomes.

“Careers are not linear, they bounce around depending on where the opportunities lie, so say yes even if they’re outside your field. Have an openness to learning new things, learn to adapt and be resilient to change. We look for individuals who can build rapport quickly, have strong relationship skills, and adopt a growth mindset. Communication skills both verbal and written are also important, as is the capability to influence.”

Susan Frangakis | Head of HR Business Partners | Bendigo and Adelaide Bank
GETTING TO CAMPUS

Take advantage of the new city tram service operating along North Terrace for a convenient ride between City East and City West campuses or stop at other destinations along the way. Visit the Adelaide Metro website for more information.

adelaidemetro.com.au
Campus Connector

We run a free bus service between Magill and Mawson Lakes campuses to make travelling easier for students who need to make the journey, or live in surrounding suburbs. There is even free Wi-Fi on board! Go online for full timetable and route details. unisa.edu.au/campusconnector
UNDERGRADUATE

Your tertiary learning and career starts with undergraduate study.

Prepare for a business career in the private, public or legal sectors. Learn about the foundations of law and the Australian legal system, and develop a strong understanding.
of the law in everyday business operations. Study fundamental courses covering areas such as international business, economics, accounting and entrepreneurship. Combine this with courses in law, public law, torts and contracts. You will also study a range of electives to tailor your degree – four in legal studies and four in business-related courses. Gain valuable practical experience by embedding an internship into your studies and seek career mentoring from legal professionals. Take a direct pathway into the Bachelor of Laws (Honours) or Bachelor of Laws (Honours) Double Degree if you wish to practise law – academic criteria applies.

Note: This degree does not provide the educational requirements to practice law, however you may have the opportunity to transfer into the Bachelor of Laws (Honours) or Bachelor of Laws (Honours) Double Degree if you meet the eligibility criteria.

Explore the fascinating world of consumer psychology and the scientific laws of brand growth. Study specialist courses in consumer behaviour, marketing analytics, advertising and branding. Tailor your studies through elective courses including the Marketing Practicum, Marketing Clinic, or an overseas study tour. You will also learn from experts who advise global brands like Procter & Gamble, ESPN and Nestlé. Through our in-house Marketing Clinic you will provide advice to small businesses under the supervision of marketing professionals. Apply for a Vacation Research Scholarship with the Ehrenberg-Bass Institute for Marketing Science and become involved in world-class research. Graduate with a degree evaluated and accredited by the Australian Marketing Institute (AMI). You can also complete your bachelor degree and a master’s qualification in just four years through our 3+1 Pathway to Masters package.

Minimum entry requirements for undergraduate bachelor and associate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:
- a competitive Selection Rank (ATAR), AND
- the fulfilment of the program’s prerequisite requirements (where applicable).
Applicants may also be eligible to compete for entry if they have completed the program’s prerequisite requirements and have completed one of the following:
- an interstate or overseas qualification considered by the University as equivalent to SACE, or
- the International Baccalaureate Diploma with a minimum score of 24 points.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) for Australian high school students applying for entry into university via the following schemes:
- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed. Please note application timelines may apply.

ADMISSIONS PATHWAYS
Entering your chosen program straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following pathways:
- Higher Education Study – completion of at least half a year of full-time equivalent study at UniSA or a recognised higher education institution. You can apply using your Grade Point Average (GPA).
- Higher Education Diploma – completion of a higher education diploma from UniSA College (applicable programs listed on each bachelor program in this guide), the South Australian Institute of Business and Technology (SAIBT), or another recognised higher education institution.
- Special Entry – a competitive Special Tertiary Admissions Test (STAT) score. A personal competencies statement or relevant employment experience may also be considered for some programs.
- Vocational Education Training (VET) – applicants may be eligible for entry with the completion of an award from TAFE, or another Registered Training Organisation at AQF Certificate IV or above.
- UniSA College – there are a variety of pathway options offered through UniSA College, including diplomas and the Foundation Studies program.
- Alternative Pathways – there are a range of alternative pathways including bridging qualifications offered through SAIBT and Eynesbury.
- Open Universities Australia – completion of at least four Open Universities Australia (OUA) courses at an undergraduate level or higher.

BEFORE APPLYING
All applicants should check and ensure that they meet all entry and prerequisite requirements before applying. For more information on entry requirements, visit:

unisa.edu.au/study

SUPPORT SERVICES
UniSA offers a full range of support services, including career advice, disability and inclusion services, and counselling. For more information, contact (08) 8302 2376 or visit:

unisa.edu.au/student-services

SCHOLARSHIPS
UniSA offers a range of scholarships and grants to support students from all walks of life. Each year, 2,500 students benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and even overseas travel. For more information and to check the eligibility criteria, visit:

unisa.edu.au/scholarships

HOW TO APPLY
Applications to most programs at UniSA are administered through the South Australian Tertiary Admission Centre (SATAC). For more information, visit:

unisa.edu.au/apply

For UniSA Online degrees apply directly at, unisaonline.edu.au

FEES
All domestic undergraduate students at the University of South Australia are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2019 are:

<table>
<thead>
<tr>
<th>BAND</th>
<th>AREA OF STUDY</th>
<th>STUDENT CONTRIBUTION</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>For one year of full-time load (1EFTSL)</td>
</tr>
<tr>
<td>1</td>
<td>Humanities, behavioural science, social studies, foreign languages, visual and performing arts, clinical psychology, nursing and education</td>
<td>$6,566</td>
</tr>
<tr>
<td>2</td>
<td>Computing, built environment, health, engineering, surveying, agriculture, Mathematics, statistics, science</td>
<td>$9,359</td>
</tr>
<tr>
<td>3</td>
<td>Law, dentistry, medicine, veterinary science, accounting, administration, economics, commerce</td>
<td>$10,958</td>
</tr>
</tbody>
</table>

Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying. This is listed on applicable programs. For programs under 1.0 year full-time study, fees are listed as the whole program fee (indicative of 2019). For programs over 1.0 years full-time study, fees are listed based on the cost per annum (indicative of 2019). For more information on fees including eligibility for Commonwealth-supported places, deferring your student contribution through HECS-HELP or FEE-HELP loans, please visit:

unisa.edu.au/fees
