Careers in law, along with jobs in social welfare, are predicted to increase 12.9% by 2022.

*Australian Government Department of Jobs and Small Business, 2017 Occupational Projections*
The legal profession in Australia is continuing to grow, with more than 71,000 practising solicitors in Australia registered in 2016.

Opportunities for legal professionals are becoming more diverse, with a 59% increase in the number of lawyers working in the corporate and private sectors.

Study at a university recognised on a global scale for its education in law. Graduate with professional honours and the advanced knowledge and skills that will give you a competitive edge. Learn the art of reasoning, analysis, negotiation, advocacy, professional reporting, and communication. Go beyond the theory of law and take advantage of practical learning opportunities in our mock courtroom and public-facing Legal Advice Clinic.

Seeking justice with the United Nations

A passion for human rights inspired a UniSA law graduate to travel abroad and support international communities in need.

During his studies, Lachlan Merrigan (pictured) received a UniSA scholarship to intern with the United Nations Assistance to the Khmer Rouge Trials (UNAKRT) at the Extraordinary Chambers in the Courts of Cambodia (ECCC). These courts were established to bring senior leaders from Democratic Kampuchea to trial, who are alleged to have committed Crimes Against Humanity in the 1970s.

Lachlan supported senior lawyers and international experts in the Office of Co-Prosecution to prepare for one of the trials.

“I worked with a team from around the world to analyse facts, conduct legal research and write a submission for the Office’s trial brief.

“I really enjoyed the opportunity to develop a global perspective of the legal profession and interpret the law differently – the experience encouraged me to step outside my comfort zone.”

REAL-WORLD EXPERIENCE

Practical learning is important, so we incorporate hands-on experience into your degree. Be involved in mock trials in our on-campus moot court, or provide advice through our student-run Legal Advice Clinic under the supervision of a managing solicitor. Our teachers are also researchers, who partner with more than 200 organisations worldwide to create solutions that shape business, industry and policy. We contribute to new knowledge and global understanding, and then share these insights with you.

GRADUATE WITH AN EDGE

Graduate with a top ranking law degree and honours with a difference. Choose from a range of specialist electives to expand your knowledge in an area of interest, then round out your degree with advanced research or real-world learning.

In your final year, you can choose from:

- A placement at a law firm, public organisation, industry partner, or our student-run Legal Advice Clinic;
- A Law Reform course, where you’ll become involved with contemporary legal issues that influence policy and change; or
- A research pathway, where you can investigate a topic of your choice.

DOUBLE YOUR KNOWLEDGE

Broaden your expertise and increase your career opportunities by studying a double degree combining law with a second discipline. Specialise in two fields and graduate with two degrees in only one extra year of study.

You can pair your law degree with areas such as business, commerce (accounting), arts, journalism and professional writing, or psychological science. Apply on entry, or combine your qualifications during your studies.
DISCOVER MORE WAYS TO STUDY
Our flexible study options are designed to suit your lifestyle, preferred way of learning and career interests. You can benefit from full-time or part-time learning, two study intakes, Summer and Winter School intensive courses, mentoring and networking opportunities, as well as accelerated learning pathways. You can also join our active student community with the UniSA Law Students Association (USALSA) – an independent body that provides educational and vocational support, and hosts a variety of social and networking events.

BUILD YOUR NETWORKS
We have over 60 partners for semester exchanges, study tours and internships across Asia, Europe and the Americas. Gain practical experience by working on current business challenges and develop your professional skills so you’re equipped for a global career. During your degree, you will also have opportunities to develop your networks, meet industry experts and immediately apply your learnings to real-world environments. You can complete an internship, be mentored by a legal professional or engage in an industry project.

FUTURE-PROOF YOUR CAREER
Being career-ready is about developing transferable skills that you can take with you across your professional life. We’ve created a suite of Enterprise Skills, which are integrated into your degree. You will explore essential skills in self-management, problem solving, teamwork, ethical awareness, communication and international perspectives. You’ll also be able to upskill throughout your studies with online resources you can access anywhere, anytime.
Employers often tell us that UniSA law graduates show strength in taking initiative with a ‘can do’ attitude, and are prepared for the challenges of the legal profession – this is testament to our teaching ethos and culture of engagement. Our industry connections allow students to hear from experts about how the law is applied, which adds an invaluable element to their learning.

As a former lawyer and now teacher and researcher, I want to prepare students for their future careers as legal professionals and we have so many fantastic members of the legal community who are pleased to share their time and expertise.”

“I studied law because I wanted to advocate for the good of others and make a difference. I completed a six-week placement for a legal firm during my studies, then went on to work with UNHCR, the United Nations Refugee Agency in Lebanon after graduating. This unbelievable experience strengthened my values and gave me more confidence to support the issues I’m passionate about.”

Minimum entry requirements for undergraduate bachelor and associate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- a competitive Selection Rank (ATAR), AND
- the fulfillment of the program’s prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program’s prerequisite requirements and have completed one of the following:

- an interstate or overseas qualification considered by the University as equivalent to SACE, or
- the International Baccalaureate Diploma with a minimum score of 24 points.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) to Australian high school students applying for entry into university via the following schemes:

- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing disadvantage
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed. Please note application timelines may apply.
