GRADUATE WITH AN EDGE
Graduate with a top-ranking education degree and honours with a difference. Focus your studies on early childhood, primary or secondary education and build the confidence to pursue your teaching career. We want you to be classroom ready, so you will start field-based placements from your first semester of study. You will also complete specialist courses focusing on leadership and professional experience, and a project that explores contemporary issues in education practice.

STUDY YOUR WAY
Tailor your degree to suit your lifestyle with a range of flexible study options across multiple campus locations. We offer our early childhood and primary education degrees at the Magill, Mawson Lakes, Mount Gambier and Whyalla campuses. You can also study these programs online. Our secondary education degrees are offered at Mawson Lakes Campus and students will have access to purpose-built learning spaces fitted with the latest tools and technologies.

Preparing next generation teachers
The combination of increasingly tech-savvy students and a renewed focus on STEM learning is leading the transformation in contemporary education.

Located at Magill Campus, the Samsung SMARTSchool is one of the most technologically advanced teacher education facilities in Australia.

Combining Samsung’s innovative technologies with UniSA’s world-class research into teaching practice, this state-of-the-art facility provides an enriched learning environment that embraces the opportunities that technology brings to the classroom.

Students use the space to explore new and creative approaches to teaching and learning, engaging in problem solving, designing and implementing new methods of teaching, and increasing their tech skills. The facility is fitted with the latest video walls, interactive whiteboards, tablets, smartphones and virtual reality headsets.
WANT TO BE A SECONDARY TEACHER?

Study our Bachelor of Secondary Education (Honours) degree and get the qualification you need to teach up to Year 12 in areas that interest you most. You will be ahead of the pack by starting classroom placements in your first year and graduate in just four years of study. You can also choose to study a packaged education program by choosing from a range of undergraduate degrees and pairing it with the Master of Teaching (Secondary), giving you two qualifications in five years. For more information see page 10 or visit our website.

BE CLASSROOM READY

Having practical classroom experience is important, that's why we get you to start placements in your first year of study. You will complete up to 105 days of professional experience during your degree in a range of early childhood, primary and secondary settings, with placements offered in both metropolitan and rural schools. You can also choose to complete an education-based internship in your final year or gain an international perspective by participating in an overseas placement.

Study early childhood, primary or secondary education and start placements in your first year of study.
PROFESSIONAL EXPERIENCE
Develop your knowledge and practical skills in classroom settings from your first year of study.

SAMSUNG SMARTSchool / As one of the most technologically advanced teacher education facilities in Australia and powered by leading edge Samsung technology, this high-tech training facility supports new approaches to teaching students from reception to secondary school.

Learn a Language
Develop the skills you need to work internationally and increase your career opportunities by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

“There is a huge emphasis at the moment on real-world experience being an important part of higher education, but this is only part of the story. Making sure that our emerging professionals learn from these experiences is our real strength. Our approach allows our students to interpret their experiences, and then to apply the learning within the safety of a well-supported learning environment.”

Admissions information

Non-academic entry requirements

In accordance with national teacher education program standards, applicants must also fulfill non-academic entry requirements before their application is deemed complete. Applicants for the Bachelor of Early Childhood Education (Honours), Bachelor of Primary Education (Honours), Bachelor of Secondary Education (Honours) and Master of Teaching are required to submit a 400–600 word (maximum) Teaching Capabilities Statement, which speaks to your understanding of being a teacher and your motivation.

Placement requirements

In the lead-up to each professional experience placement you need to ensure that a number of important prerequisites and requirements are completed or satisfied, including:

• A Department of Human Services (DHS) Working with Children Check;
• Mandatory Child-Safe Environments Training; and
• Meeting required standards in the national Literacy and Numeracy Test for Initial Teacher Education (LANTITE) – to be completed during your studies.

Students completing the Early Childhood specialisation must complete and provide evidence of Basic Emergency Life Support (via the Department for Education) or Applied First Aid training prior to undertaking placements.

"When choosing a career, it was important for me to pick something that would give me fulfilment. Early childhood education has definitely given me that, and there have been many moments where I’ve been able to have a really positive impact on my students. UniSA’s reputation for practical and industry experience meant that I completed various industry placements, where I applied knowledge into practice. Since graduating, I have secured a job as a Reception teacher, which is incredibly exciting."

“I chose to study education at UniSA because of its reputation, and because the program offers placements early in the degree. Many of the educators have inspired me, with my greatest inspiration being the children I have worked with on my placements who face adversity but continue to learn.”

Masters by Research

Join an academic community that is committed to world-class research in education, with strong national and international connections. Learn to independently design and execute original research that generates new knowledge and contributes to professional practice. Explore how education can contribute to social justice and social inclusion, by investigating practice, pedagogy, curriculum, policy and educators’ work across the contexts of early childhood, school and higher education. Investigate family and community perspectives, wellbeing, linguistic and sociocultural diversity, education for sustainability, multi-literacies and STEM. Learn under the guidance of highly experienced and qualified supervisors, visiting scholars and researchers, drawing on innovative approaches and research technologies.

ENTRY REQUIREMENTS
- Masters by Research
  - Bachelor degree of at least three years in a relevant discipline with a minimum credit average; or
  - Honours 1, Honours 2, Honours 3 or an appropriate master’s degree or equivalent qualification; or
  - No tertiary qualifications (some discipline areas only) with demonstration of research capabilities via assessment of relevant quality publications and professional experience.
- Doctor of Philosophy (PhD)
  - Honours 1, Honours 2A, or an appropriate master’s degree or equivalent qualification.

Alternative entry
- Other postgraduate and undergraduate degrees may be considered for admission into the Masters by Research, Doctor of Philosophy (PhD) or Professional Doctorate with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Eligibility for entry into a research degree is also subject to an assessment of the proposed research, supervisor availability, and any University or research-specific eligibility requirements.
Minimum entry requirements for undergraduate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:
- a competitive Selection Rank (ATAR) including adjustment factors, AND
- the fulfillment of the program's prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program's prerequisite requirements and have completed one of the following:
- an interstate or overseas qualification considered by the University as equivalent to SACE, or
- the International Baccalaureate Diploma with a minimum score of 24 points.

For some degrees, applicants who have not achieved the Selection Rank (ATAR) required for automatic selection into their preferred degree may be selected for any remaining places based on the grades of their Year 12 subjects.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) for Australian high school students applying for entry into university via the following schemes:
- The Universities Equity Scheme — provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme — provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed. Please note application timelines may apply.

FEES
All domestic undergraduate students at the University of South Australia are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2020 are:

<table>
<thead>
<tr>
<th>BAND</th>
<th>AREA OF STUDY</th>
<th>STUDENT CONTRIBUTION</th>
<th>STUDENT CONTRIBUTION</th>
