Colour it your way

Your unstoppable career starts here.

Architectural services revenue is expected to generate $7.3 billion by 2020.

Architects Accreditation Council of Australia (AACA) 2015–2019
Demand for designers and illustrators is predicted to increase 12.6% by 2023.

More than 32,000 South Australians are employed in creative occupations, including art and specialised design services.

Investment Attraction South Australia, Technology and Creative Industries in South Australia 2016.
Develop your design capabilities and creative aspirations by studying art, architecture, planning or design. Be taught by professional artists, architects, designers and researchers who are leaders in their field. Engage in real-world projects that have a genuine impact on communities. Connect with industry and practitioners through internships, mentoring and placements to create your individual pathway to professional practice.

Access world-class spaces on campus, such as the South Australian School of Art (SASA) Gallery, Australia’s only architecture museum, and purpose-built design studios and workshops. You will also learn using the latest industry-standard technologies and tools including 3D modelling, virtual reality systems, digital fabrication and 3D printers.

unisa.edu.au/study

Big heart for art

Since graduating, Dave Court has been a rising star on the Adelaide arts scene, painting large-scale murals and creating immersive installations for the SALA, Spin Off, Field Good and Laneway festivals.

Dave’s work was most recently celebrated winning the 2020 Adelaide Fringe Poster Design Competition. His design captured the event’s 60th diamond anniversary, using a colourful combination of aerosol spray paints.

Dave says this approach to creativity was nurtured during his time at UniSA, where he was able to play with a broad range of mediums.

“I was able to use all the workshop facilities to try a range of different things, from glass making, ceramics and sculpture, to textiles, printmaking and photography. My teachers really pushed experimentation as a driving force for making things.”

An incredible young talent, Dave continues to put his stamp on multiple projects and is now a board member of Renew Adelaide, supporting cool new ventures throughout the CBD.

CREATE YOUR LEGACY
Shape the world and environments we live in by studying an architecture degree at UniSA. Our undergraduate and postgraduate degrees will prepare you for your professional career by connecting you with real clients, communities and projects. You will also get hands-on experience by designing, making and building in customised studios and workshops located on campus.

unisa.edu.au/architecture

DEVELOP YOUR ARTISTIC VISION
UniSA offers South Australia’s most comprehensive range of art specialisations through our Bachelor of Contemporary Art. Explore your creativity through painting and drawing, photography, glass, ceramics, jewellery and metal, sculpture or printmaking. Learn in customised studios located on campus and develop your contemporary practice through access to advanced technologies such as virtual reality, augmented reality, 3D prototyping, motion capture, digital printmaking and digital formwork.

unisa.edu.au/contemporary-art

DESIGN THE FUTURE
Change the way we view and interpret the world through a degree in design. Learn to have a positive impact on people’s lives by designing products like mobile phones, toys or solar cars; illustrate and animate games, movies or books; or create visual identities for websites, apps or brands. Specialise in an area of your choice including product design, graphic design, illustration and animation or game art.

unisa.edu.au/design
MAKE A LASTING IMPACT
Take part in the award-winning UniSA Design Construct Program, where you will design and then construct buildings and structures in locations around Australia and overseas. Collaborate with other students from a range of design disciplines, consider client and community needs, and get firsthand experience on a building site. This is the largest and longest-running teaching program of its type in Australia. Get involved and develop the skills you need for professional practice while making a lasting impact on individuals and communities.
unisa.edu.au/design-construct

REAL-WORLD EXPERIENCE
Engage with professional artists, designers and architects during your studies. Connect directly with industry through work placements and internships, local and international study tours, and mentoring opportunities, so that you graduate with the skills you need to start your career.

TEST YOUR IDEAS
Match Studio is a unique learning space on campus, where interdisciplinary teams of students, academics and researchers come together to co-create innovative design solutions to real-world challenges. Work with a range of real clients to develop creative concepts, ideas and products, and see your designs come to life.

CREATIVE SPACES / City West Campus is home to purpose-built design spaces, including a digital workshop along with studios for ceramics, glass, sculpture, printmaking, jewellery and metals, photography, painting and drawing.

HYVE 3D STUDIO / Sketch directly in 3D and see your designs come to life through full-scale immersion. Engage with interactive technologies and collaborate with other designers both locally and remotely in virtual design spaces.

Learn a language
Develop the skills you need to work internationally and increase your career opportunities by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

unisa.edu.au/languages

Experience student life
Enjoy life beyond the classroom by getting involved in campus culture. Connect with new people at Orientation, keep active with UniSA Sport and on-campus fitness centres, or find your tribe with more than 100 student clubs to choose from. Discover our wide range of events throughout the year and connect with our student association, USASA.

unisa.edu.au/studentexperience

Get career ready
Prepare for your future career from first year with support from our Career Services team. Access our online Career Hub for self-help resources, including tips on resume writing and an interview simulator. There are also professional and exclusive job listings. Connect with a career adviser for help with career mapping, attend industry events to build your professional networks, and walk into one of our drop-in centres on campus for general careers advice.

unisa.edu.au/careers

“We work closely with industry, so our graduates learn professional practice from the very first day they start university. It’s so rewarding to mentor students in unlocking their potential in illustration, animation and drawing. I very much enjoy being a part of their growth, seeing how their individual skills and understanding have developed.”

Jo Mignone | Course Coordinator: Bachelor of Design (Illustration and Animation)

ONE OF THE BEST YOUNG UNIVERSITIES IN AUSTRALIA FOR TEACHING QUALITY
Ranked #2, 2019 THE Young University Rankings
GET CONNECTED
with Australia’s University of Enterprise

PRACTICAL LEARNING
UniSA offers more than 200 world-class degrees across a wide range of discipline areas. You will learn in a highly practical environment. Take the opportunity to complete an internship or placement during your studies, learning from experts in a real-world setting. Build your networks and graduate career-ready with the skills required of tomorrow’s professionals.

TOP RANKING TEACHERS
Make your study experience relevant, and learn from highly qualified academics and industry professionals. In fact, UniSA is one of Australia’s best young universities for teaching quality (Ranked #2, 2019 THE Young University Rankings).

WORLD-CLASS FACILITIES
Study in modern, purpose-built facilities across all six UniSA campuses. Learn with the latest industry-standard tools and technologies that will take you from the classroom into the workplace. This includes state-of-the-art laboratories, collaborative learning areas, creative studios, workshops and simulation spaces.

POWERFUL PARTNERSHIPS
We collaborate with more than 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry professionals during your studies and benefit from curriculum informed by the latest industry practices.

REAL RESEARCH
Our research is innovative and inspired by challenges. We produce new knowledge that provides solutions to industry, businesses and the wider community. Explore cutting-edge insights in your chosen degree, influenced by our world-class research outcomes.

“The best advice I can give to current students is to be part of the conversation. Understanding the people and environment around you, will give your work greater depth and integrity. Always take advantage of the diverse industry connections during your studies and jump at the chance to do hands-on work experience.”

Amy Grundy | Director & Principal Architect | Studio AKA

Build a rewarding career in architecture, helping to shape and transform the environment around you. Learn about the theoretical, behavioural, environmental and ethical issues within architectural practice; social and political context in design; traditional drawing methods; computer-based representation; and contemporary design culture. Study in modern facilities including purpose-built design studios and workshops on campus. Engage in real-life projects through our award-winning Design Construct learning experience, the longest running and largest practice-based teaching program of its type in Australia. Continue your studies through the Master of Architecture to become a registered architect.

CAREERS
Architect (with further study) / exhibition designer / urban designer / production designer / drafter / studio manager / planning and development officer (with further study) / project manager / heritage consultant

Note: This degree provides the requirements for entry into the Master of Architecture (DMAE). The master’s program is accredited by the Architectural Practice Board of South Australia and is listed as an accredited degree by the Architects Accreditation Council of Australia. Graduates must complete a minimum period of work in the industry and the Architectural Practice Examination to be eligible to apply for registration as an architect.

City West Campus
On-campus
4 years full-time

Intakes: Feb, Jul
Internship/Placement

Selection Rank:
cut-off 2020 ............................................ 65.20
guaranteed entry ........................................... 75.00
VET: guaranteed entry .................................... Dip

SATAC code: ............................................ 424081
Program code: ........................................... DBIR

Note: This degree does not lead to registration as an architect, nor to use the title ‘architect’.

Learn to create innovative and sustainable interiors that have a positive and lasting impact on individuals, communities and environments that surround us. Develop a solid foundation in the theoretical and ethical aspects of interior design, along with a strong understanding of industry trends and demands such as the modern workplace and placemaking. Apply design processes and strategies to a range of interior architecture projects and work directly with professional clients to challenge orthodoxy and transform places and spaces. Tailor your studies and portfolio in final year by pursuing an area of interest such as commercial design, design for ageing populations, lighting or hospitality design. Participate in national and international study tours, competitions and exhibitions. Connect with other students through collaborative projects for real clients, complete an industry placement and study in purpose-built design and architecture studios on campus. After graduation you will also be eligible for Graduate Membership with the Design Institute of Australia (DIA).

"Creativity is a very liberating thing to do and if you have the determination to really push yourself, it’s an incredibly rewarding profession to step into. There can be a stigma about pursuing a creative path, but you have to do what sings to you and this has been one of the most fulfilling things I’ve done."

Complete a major in Game Art, focusing on artistic design for games development and virtual world simulation.

Study Australia’s only degree combining illustration, animation and game art through a unique collaboration between UniSA and TAFE SA. Discover the growing field of games development and virtual world simulation, and prepare for a dynamic and creative career that can take you around the world. Begin your studies by exploring the theoretical knowledge and technical skills needed for pictorial development, visual storytelling and game art. Develop skills in drawing, painting, animation, visual effects, sculpture, and conceptual thinking; and also build your understanding of 2D and 3D software applications. In Semester 2 of first year and Semester 1 of second year, you will complete the Diploma in Game Art courses at TAFE SA. You will then return to UniSA to complete your degree and graduate with two qualifications, along with a personal portfolio or show reel. Learn in on-campus workshops fitted with state-of-the-art equipment, including 3D modelling and visual effects software, industry-standard motion capture and virtual reality systems. Gain practical experience through design studio classes, model making and prototyping. Learn materials and processes, and design for usability. Develop practical skills through design history, theory and thinking, human centred design, computer-aided design and manufacturing, sustainable design, appliances, toys and furniture. Learn about the fundamentals of design through design product history, theory and thinking, human centred design, and creativity. Broaden your knowledge through studies in ergonomics, computer-aided design and manufacturing, sustainable design, materials and processes, and design for usability. Develop practical skills through design studio classes, model making and prototyping. Learn from practising design professionals in modern, custom-built workshops on campus. Work with the latest digital fabrication equipment such as laser cutters, CNC routers, 3D printers, and industry-standard motion capture and virtual reality systems. Gain practical experience through professional placements. After graduation, you will also be eligible for Associate Membership with the Design Institute of Australia (DIA).

UniSA College pathways: Foundation Studies or Diploma in Business
Prerequisites: none
Assumed knowledge: none

Study elective courses in business, advertising, marketing or animation; or complete an overseas study tour, major marketing project or placement in the on-campus Marketing Clinic.

Prepare for a specialist marketing career in digital and print design. Develop foundation knowledge in design and evidence-based marketing, and learn how to apply key design principles across a range of marketing activities. Learn about the creative elements of advertising and how to work collaboratively with graphic designers to create high quality marketing materials. Study core courses in digital marketing, design for publication, consumer behaviour, computer graphics and imaging. Build your practical skills through an internship, placement, overseas study tour or advanced masterclasses. Learn from experts who advise global brands like Uber, Kellogg’s and Unilever: Connect with our in-house Marketing Clinic and provide advice to small businesses under the supervision of marketing professionals. Apply for a Vacation Research Scholarship with the Ehrenberg-Bass Institute for Marketing Science and become involved in world-class research.

CAREERS
Marketing coordinator / campaigns manager / advertising account manager / communications manager / publications coordinator / brand manager

Unisa College pathways:
Foundation Studies or Diploma in Business
Prerequisites: none
Assumed knowledge: none

Continue your studies with a one-year honours program following your undergraduate degree, aimed at further developing your knowledge and research skills in disciplines of art or design. Frame and develop your own research project, producing research outcomes that respond to a real-world challenge or area of particular interest. Be immersed in creative learning spaces including purpose-built workshops and studios on campus. Learn from teachers and academics who are established and practising artists and designers. Graduate with a competitive advantage and a qualification that will broaden your career prospects or prepare you for postgraduate study.

CAREERS
Depending on your chosen area of focus, this qualification can lead to a variety of careers in creative arts, design, education or research.

ENTRY REQUIREMENTS
This program is available to students who have successfully completed an undergraduate degree in a relevant visual arts or design discipline, or equivalent qualification, with an overall Grade Point Average (GPA) of 5 or above (credit level average) and who obtained a credit level average in the final year of the discipline that the candidate intends to pursue within the honours program. Applicants are considered on an individual basis and selection is competitive.

Master of Architecture

unisa.edu.au/architecture

- City West Campus
- On-campus
- 2 years full-time
- Commonwealth supported*
- Internship/Placement

SATAC code: 4CM012
Program code: DMAE

*part-time study available

Apply advanced knowledge to contemporary architecture and design practice. Develop an in-depth understanding of construction systems, digital design and communication, sustainable strategies, architectural practice, and the historical and theoretical contexts that shape our built environment. Gain valuable practical experience through intensive studio classes where you will design for complex projects, and participate in industry placements and international field trips. Learn from highly experienced teachers who are also practising architects and leaders in their field. Tailor your studies and portfolio in your Master of Architecture studies by pursuing an area of interest such as Design Construct, Urban Planning and City Design, Sustainable Design, or Digital Media. Engage in real projects through the Design Construct Program, where you will design and build community buildings in remote locations in both Australia and overseas.

Note: This program is accredited by the Architectural Practice Board of South Australia and is listed as an accredited degree by the Architects Accreditation Council of Australia. Graduates must complete a minimum period of work in the industry and the Architectural Practice Examination to be eligible to apply for registration as an architect.

CAREERS

Architect / spatial designer / urban designer / studio manager / design consultant / heritage consultant / project manager

ENTRY REQUIREMENTS

- Bachelor of Architectural Studies (DBAE) from the University of South Australia, or a bachelor degree in a three-year pre-professional architecture program from a recognised Australian higher education institution, or equivalent qualification.
- Applicants with a bachelor degree in a three-year pre-professional architecture program from a non-Australian higher education institution must also submit a portfolio as part of their application.
- Entry into this program is competitive, based on academic merit and subject to quota. The University may admit other applicants who provide satisfactory evidence of academic achievement, which is recognised as an equivalent qualification to a completed Bachelor of Architectural Studies (DBAE).

Develop a deep understanding of the innovative, changing world of communication design across both print and digital platforms. Be prepared to conceptualise solutions for complex design challenges, and apply advanced principles and practices that extend beyond the visual to help communicate to different audiences. Learn the design skills required to work across a variety of disciplines including advertising, branding, merchandising, visual communications, publications and web design. Gain valuable professional experience by working on real creative projects, including writing proposals and presenting to clients. Access modern, purpose-built workshops on campus featuring industry-standard technologies and digital equipment. Tailor your studies through a range of electives including an industry internship or courses in areas such as brand management, e-marketing, entrepreneurial commercialisation, sustainable design and marketing management. Benefit from industry masterclasses and learn from national and international design practitioners. Graduates are also eligible for Graduate Membership of the Design Institute of Australia (DIA).

CAREERS
Graphic designer / creative lead / art director / design consultant / freelance designer / brand consultant / typographer / visual communications manager / studio manager / web designer

ENTRY REQUIREMENTS
• Bachelor degree from a recognised higher education institution or equivalent qualification in a related discipline along with a portfolio of work, curriculum vitae and written statement of intent.
• Applicants who have completed a Graduate Diploma in Design (DGSP) from the University of South Australia are eligible to enter and are not required to submit a portfolio of work or statement of intent.
• Some applicants may be eligible for Advanced Standing and can complete the program in one year full-time study or equivalent part-time study.

“Studying architecture at UniSA has helped me to observe and understand the world around me on a finer scale. It has also given me some amazing opportunities to travel, broaden my creative thinking and expand my creative practice. Participating in an international study tour allowed me to expand my academic thinking and understanding of architecture globally.”

Develop your creativity and art practice through advanced studio work, coupled with valuable studies in marketing, business and financial management to help commercialise your craft. Tailor your studies by choosing a specialised field, including Photo, Digital and Graphic Media; Painting and Drawing; or Spatial Studies (including public art, sculpture, textiles, glass, metal, ceramics or jewellery). You will also learn about grant sourcing and applications, industry associations and professional recognition and communications and marketing. Access purpose-built workshops and learning spaces on campus. Benefit from an education at one of Australia’s oldest and most established art schools.

Study the promotion and development of sustainable cities. Learn about urban design, social policy and planning, urban transportation planning, environmental impact assessments, and planning for healthy cities. Develop solid foundational knowledge in the principles of urban development along with its practical application in town planning. Gain valuable practical experience through work placements and international field trips. Complete an individual research project under the guidance of a qualified supervisor, exploring a real-world issue or challenge. Benefit from a university with over 60 years’ experience in providing world-class planning education. Graduate with a qualification accredited by the Planning Institute of Australia (PIA). You will also be eligible for membership with the PIA and further professional training required for status as a Certified Planner.

CAREERS
Urban planner / urban designer / regional planner / town planner / environmental planner / urban data analyst / natural resource manager / transport planner / city planner / urban sustainability adviser

ENTRY REQUIREMENTS
Bachelor degree in any discipline from a recognised higher education institution, or a Graduate Diploma in Urban and Regional Planning (DGUR) from the University of South Australia.

Doctor of Philosophy .......................... Program code ......................... MPHD

Thrive in a vibrant postgraduate culture at the forefront of creativity and innovation. Develop new knowledge to meet contemporary art and design challenges, and spark new ways of thinking and producing. Be inspired by visiting scholars and artists, who are leaders in their field. Engage in thought-provoking symposiums, work-in-progress seminars and studio critiques. Learn under the guidance of highly experienced research supervisors and benefit from national and international research links that will help inform your studies.

DISCIPLINE AREAS
• Architecture
• Visual Arts
• Design
• Urban and Regional Planning

ENTRY REQUIREMENTS
Masters by Research
• Bachelor degree of at least three years in a relevant discipline with a minimum credit average; or
• Honours 1, Honours 2, Honours 3 or an appropriate master’s degree or equivalent qualification; or
• No tertiary qualifications (some discipline areas only) with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Doctor of Philosophy (PhD)
• Honours 1, Honours 2A, or an appropriate master’s degree or equivalent qualification.

Alternative entry
• Other postgraduate and undergraduate degrees may be considered for admission into the Masters by Research or Doctor of Philosophy (PhD) with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Eligibility for entry into a research degree is also subject to an assessment of the proposed research, supervisor availability, and any University or research-specific eligibility requirements.
Minimum entry requirements for undergraduate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- a competitive Selection Rank (ATAR) including adjustment factors, AND
- the fulfilment of the program’s prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program’s prerequisite requirements and have completed one of the following:

- an interstate or overseas qualification considered by the University as equivalent to SACE, or
- the international Baccalaureate Diploma with a minimum score of 24 points.

For some degrees, applicants who have not achieved the Selection Rank (ATAR) required for automatic selection into their preferred degree may be selected for any remaining places based on the grades of their Year 12 subjects.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) for Australian high school students applying for entry into university via the following schemes:

- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects

unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed. Please note application timelines may apply.

FEES
All domestic undergraduate students at the University of South Australia are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2020 are:

<table>
<thead>
<tr>
<th>BAND</th>
<th>AREA OF STUDY</th>
<th>STUDENT CONTRIBUTION For one year of full-time load (1 EFTSL)</th>
<th>STUDENT CONTRIBUTION For each subject (0.125 EFTSL)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Humanities, behavioural science, social studies, foreign languages, visual and performing arts, clinical psychology, nursing and education.</td>
<td>$6,684</td>
<td>$835</td>
</tr>
<tr>
<td>2</td>
<td>Computing, built environment, health, engineering, surveying, agriculture, mathematics, statistics and science.</td>
<td>$9,527</td>
<td>$1,190</td>
</tr>
<tr>
<td>3</td>
<td>Law, dentistry, medicine, veterinary science, accounting, administration, economics and commerce.</td>
<td>$11,155</td>
<td>$1,394</td>
</tr>
</tbody>
</table>

*Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying; this is listed on applicable programs. For programs under 1.0 year full-time study, fees are listed as the whole program fee (indicative of 2020). For programs over 1.0 year full-time study, fees are listed based on the cost per annum (indicative of 2020). For more information on fees including eligibility for Commonwealth-supported places, deferring your student contribution through HECS-HELP or FEE-HELP loans, please visit: unisa.edu.au/fees

STUDY AT UniSA – THE BASICS

Before applying
All applicants should check and ensure that they meet all entry and prerequisite requirements before applying. For more information on entry requirements, visit: unisa.edu.au/apply

Support services
UniSA offers a full range of support services, including career advice, disability and inclusion services, and counselling. For more information, contact (08) 8302 2376 or visit: unisa.edu.au/studentservices

Scholarships
UniSA offers a range of scholarships and grants to support students from all walks of life. Each year, 2,500 students benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and even overseas travel. For more information and to check the eligibility criteria, visit: unisa.edu.au/scholarships

How to apply

Your student experience

Orientation is the start of your journey at university. Explore your campus, meet new people, get study advice, and enjoy different activities and entertainment.

Campus Central are the on-campus gurus for ID cards, enrolment, fees and student services.

Support services are available to you throughout your time at university, including study support, personal counselling and peer mentoring, along with access to a range of community health clinics located on campus.

USASA is your student association at UniSA. They provide advocacy services, organise social activities and coordinate over 100 student clubs.

UniSA+ can provide you with a range of leadership, entrepreneurial, volunteering and self-development opportunities during your degree.

Student lounges provide you with a space to study or chill out, featuring work spaces, kitchen facilities, mobile charging stations, social spaces, lockers, gaming stations and more.

Food vendors and café-style dining facilities are now open at all UniSA campuses, including Honki Tonki, Zambrero, Abbots and Kinney and more.

UniSA Sport has over 25 sporting clubs, including rowing, netball, gridiron, rock climbing and so much more. You can also gain access to fully-equipped gym facilities on all metro campuses.

Accommodation services are available to help you set up a home away from home.

24-hour security services are available on campus and the free SafeZone app is available for download through the App Store or Google Play.

Get cultured – expand your thinking and see the world through a student exchange program.

Pridham Hall – discover the new heart of the University, featuring a graduation space, sports centre, gym and swimming pool.

UniSA Sport – keep active and make lasting friendships by joining one of our sporting teams.

Events on campus – participate in a wide range of events and activities on campus throughout the year.

MOD. – explore this on-campus futuristic museum of discovery, offering immersive experiences.

2020 ONLINE EVENTS

We will be hosting a series of online events so you can learn more about studying with UniSA. Listen to presentations, discover different degrees and careers, and connect with current students and academic staff.

For more information, visit unisa.edu.au/infosessions

SCHOOL HOLIDAY TOURS

We also offer campus tours during the school holidays. Make an online booking at unisa.edu.au/campustours

MyCareerMatch is a free personality and career profiling tool that you can complete before you start university. Contact Future Student Enquiries on (08) 8302 2376 or at unisa.edu.au/enquire

ATAR > DEGREE FINDER

Go online and check out our new ATAR > Degree Finder, to explore which degrees you may be eligible for using your Selection Rank. unisa.edu.au/atar-degree-finder
