2021 AVIATION AND SAFETY MANAGEMENT
Take flight
Your unstoppable career starts here.

Adelaide Airport directs more than 750 flights per week to 32 destinations worldwide.

Airline passenger traffic is expected to grow 4.6% annually over the next 20 years, leading to increased demand for commercial airline pilots and technicians.

Boeing Commercial Marketing Outlook 2019–2038.

An additional 3.8 billion passengers are predicted to fly in the next 20 years, almost doubling in size.

IATA Aviation Human Resources Report 2018.
Prepare for a high-flying career through our aviation and safety management programs. Learn about flight planning, crew resource management, aerodynamics and flight operation technology, or the performance and management of safety systems in today’s business environment. Learn from aviation experts in degrees that are industry-aligned, providing the skills needed for predicted growth in the aviation industry. Enjoy experiential learning through our specialised flight and airport simulators.

AVIATION AND SAFETY MANAGEMENT

STUDY SA’s ONLY AVIATION DEGREES

LEARN IN THE AUTHENTIC BOEING 737 NEXT GENERATION FLIGHT SIMULATOR LOCATED ON CAMPUS

1st IN AUSTRALASIA TO OFFER A TERTIARY QUALIFICATION IN AVIATION
PREPARE FOR TAKE-OFF

Prepare for a career in the skies while still on the ground. An authentic Boeing 737 Next Generation flight simulator has landed at Mawson Lakes Campus for pilot training, as well as safety management and navigation exercises for aviation students. Experience the view from the cockpit, with a 180 degree wrap-around screen and high fidelity visuals that simulate real flying conditions. You will also develop your understanding of how the body and mind react during flights and high-pressure situations.

The sky’s the limit

An industry partnership between UniSA and Qantas is giving aviation students a clear path into one of the world’s leading airlines. The Qantas Group Future Pilot Program is an opportunity for high-performing aviation students to engage with industry and really take off with their career.

Participants will have access to training, mentoring and networking with Qantas pilots and will have the opportunity to work alongside an experienced QantasLink pilot as a First Officer after completing the program.

With the demand for pilots expected to increase exponentially in the next 20 years, this partnership gives students an important advantage as they take to the skies with an internationally renowned airline.
FLY INTO YOUR CAREER
Take to the skies during your studies with high quality practical flight training through the Graduate Diploma in Aviation. Delivered at Parafield Airport near Mawson Lakes Campus, you will develop the knowledge, skills and competencies to sit for a Commercial Pilot Licence. Connect with industry professionals and get career-ready under the supervision of experienced instructors.
Take off into a career as a first officer in a multi-crew aircraft or as a pilot in command of a single engine operation.

LEARN WITH SMART SOFTWARE
Develop your airport management skills with our Airline Online simulation software. This state-of-the-art software allows you to plan, establish and operate a fully-functioning airline. You will learn how to respond to the demands and challenges of real-world scenarios by analysing, interpreting and evaluating data in order to make strategic decisions in a complex environment. Take your career to new heights as you gain knowledge in scheduling, flight operations, air cargo, and airline route structures.
Learn a language
Develop the skills you need to work internationally and increase your career opportunities by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

unisa.edu.au/languages

Experience student life
Enjoy life beyond the classroom by getting involved in campus culture. Connect with new people at Orientation, keep active with UniSA Sport and on-campus fitness centres, or find your tribe with more than 100 student clubs to choose from. Discover our wide range of events throughout the year and connect with our student association, USASA.

unisa.edu.au/studentexperience

Get career ready
Prepare for your future career from first year with support from our Career Services team. Access our online Career Hub for self-help resources, including tips on resume writing and an interview simulator. There are also professional and exclusive job listings. Connect with a career adviser for help with career mapping, attend industry events to build your professional networks, and walk into one of our drop-in centres on campus for general careers advice.

unisa.edu.au/careers

“I am focused on training aviation professionals who are ready to step straight into industry. The need for aviation professionals within the Pacific Rim and the Middle East is continuing to increase and, with the entire industry primed for growth, UniSA is preparing its students to be a part of it.”

Dr. Doug Drury | Associate Professor in Aviation

Program code ...................... LBAN

VET: guaranteed entry .......... Dip

UniSA College pathways: Foundation Studies
Prerequisites: none
Assumed knowledge: none

Study South Australia’s only aviation degree and take the first steps in your aviation career. Gain fundamental knowledge in aerodynamics, meteorology, navigation, flight planning, human factors, risk and safety management, and aircraft performance. You will also develop strong communication and leadership skills. Access industry-standard technologies on campus, including a CASA-certified Boeing 737 Next Generation flight simulator. Practical flight training is not delivered through this program. If your goal is to become a commercial airline pilot, and you want to undertake practical flight training with UniSA, you will need to apply to study the Graduate Diploma in Aviation. See note below.

Note: Students wishing to complete practical flight training with UniSA will need to apply to study the Graduate Diploma of Aviation (LGAN) concurrently with the Bachelor of Aviation (Pilot) (LBAN) from the second year of the bachelor’s program. Admission into LBAN does not guarantee entry into LGAN, and strict selection and entry criteria apply. Offers for admission may also be subject to a cap on student numbers. For more information, see page 13.

CAREERS
When studied without practical flight training, this degree can lead to the following careers:
Ground instructor / air traffic controller / airline operations manager / airport services manager / safety specialist
After completing additional flight training (LGAN or other provider), this degree can lead to the following careers:
Commercial pilot / corporate pilot / firefighting pilot / medical pilot / defence force pilot / flight instructor

Develop a global career in aviation management. Build your knowledge in complex airport and flight operations. Focus on key areas such as aviation law, airline finance, operations management, economics and marketing, safety and human factors, and professional and technical communication. Learn about air operations dispatch, airport management, computer-controlled flight management systems, crew resource management, flight operation technologies, flight planning and traffic control. Access our industry-standard flight simulators to build your understanding of pilot operations and different flying conditions. Benefit from close links to industry with coursework and materials directly aligned to industry needs and international best practice. Complete an aviation project in your final year, which focuses on a real-world challenge and showcases your knowledge along with critical analytical, research and presentation skills.

CAREERS

Flight training

SATAC code: n/a
Program code: LGAN

*see page 16 for more information.
*Intake is through direct invitation to Bachelor of Aviation (Pilot) students only.

Commence your practical flight training through this program, which is studied concurrently with the Bachelor of Aviation (Pilot). Learn to fly under the supervision of experienced instructors. Develop the knowledge, skills and key competencies to sit for a Commercial Pilot Licence (CPL). Be prepared to work as a first officer in a multi-crew aircraft or as a pilot in command of single engine operations. Submit detailed flight plans and access the latest aerodrome alerts and weather forecasts. Benefit from strong links to industry, including the Qantas Future Pilot Program.

CAREERS
Commercial pilot / corporate pilot / firefighting pilot / medical pilot / defence force pilot / flight instructor

ENTRY REQUIREMENTS
Applicants must be enrolled in the Bachelor of Aviation (Pilot) (LBAN) program to be eligible to apply for the Graduate Diploma in Aviation (LGAN); however admission into LBAN does not guarantee entry into LGAN. Entry into LGAN is subject to a specific entry process which occurs after the commencement of LBAN. Strict selection and entry criteria apply to LGAN. Offers for admission into LGAN may also be subject to a cap on student numbers. LGAN is delivered at the UniSA Aviation Academy, based at Parafield Airport.

ENTRY CRITERIA
The selection process is competitive and includes a formal interview, flight aptitude test and assessment of English proficiency. The interview will assess the skills and qualities considered important for professional practice, including professional behaviour, personal motivation and commitment, ability to communicate clearly and take direction, workload management and organisational skills, compatibility and understanding of the program and the aviation profession. Only applicants satisfying the entry criteria will be eligible to receive an offer in LGAN. Offers will, however, be limited to the number of places available in LGAN.

ADDITIONAL CRITERIA
Before commencing flight training, students must obtain a Class I Medical Certificate (Class II will also be considered if you have held a Class I Certificate within the last three years). Before enrolling in Advanced Flying, students must also hold an Aviation Security Identification Card (ASIC). For more information visit the CASA website.

APPLICATION PROCESS
LGAN must be studied concurrently with the Bachelor of Aviation (Pilot) (LBAN). The University will invite students to apply for LGAN during their first year of study in LBAN.

FEES
Eligible students may choose to defer their tuition fees through a FEE-HELP loan under the Federal Government’s Higher Education Loan Program. For more information, visit unisa.edu.au/fees and studyassist.gov.au/help-loans

- Applied Physics
- Bioinformatics
- Biomaterials Engineering and Nanomedicine
- Civil Engineering
- Computer and Information Science
- Construction Management
- Electrical Engineering
- Energy and Advanced Manufacturing
- Environmental Science
- Environmental Science and Engineering
- Geographic Information Science
- Information and Communication Technology
- Mathematics
- Mechanical Engineering
- Minerals and Resources
- Project Management
- Statistics
- Systems Engineering

ENTRY REQUIREMENTS

Masters by Research

- Bachelor degree of at least three years in a relevant discipline with a minimum credit average; or
- Honours 1, Honours 2, Honours 3 or an appropriate master’s degree or equivalent qualification; or
- No tertiary qualifications (some discipline areas only) with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Doctor of Philosophy (PhD)

- Honours 1, Honours 2A, or an appropriate master’s degree or equivalent qualification.

Alternative entry

- Other postgraduate and undergraduate degrees may be considered for admission into the Masters by Research or Doctor of Philosophy (PhD) with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Eligibility for entry into a research degree is also subject to an assessment of the proposed research, supervisor availability, and any University or research-specific eligibility requirements.
Minimum entry requirements for undergraduate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:
- a competitive Selection Rank (ATAR) including adjustment factors, AND
- the fulfilment of the program’s prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program’s prerequisite requirements and have completed one of the following:
- an interstate or overseas qualification considered by the University as equivalent to SACE, or
- the international Baccalaureate Diploma with a minimum score of 24 points.

For some degrees, applicants who have not achieved the Selection Rank (ATAR) required for automatic selection into their preferred degree may be selected for any remaining places based on the grades of their Year 12 subjects.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) for Australian high school students applying for entry into university via the following schemes:
- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed. Please note application timelines may apply.

unisa.edu.au/guaranteed

FEES
All domestic undergraduate students at the University of South Australia are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2020 are:

<table>
<thead>
<tr>
<th>BAND</th>
<th>AREA OF STUDY</th>
<th>STUDENT CONTRIBUTION</th>
<th>STUDENT CONTRIBUTION</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>For one year of full-time load (1 EFTSL)</td>
<td>For each subject (0.125 EFTSL)</td>
</tr>
<tr>
<td>1</td>
<td>Humanities, behavioural science, social studies, foreign languages, visual and performing arts, clinical psychology, nursing and education.</td>
<td>$6,684</td>
<td>$835</td>
</tr>
<tr>
<td>2</td>
<td>Computing, built environment, health, engineering, surveying, agriculture, mathematics, statistics and science.</td>
<td>$9,527</td>
<td>$1,190</td>
</tr>
<tr>
<td>3</td>
<td>Law, dentistry, medicine, veterinary science, accounting, administration, economics and commerce.</td>
<td>$11,155</td>
<td>$1,394</td>
</tr>
</tbody>
</table>

*Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying; this is listed on applicable programs. For programs under 10 year full-time study, fees are listed as the whole program fee (indicative of 2020). For programs over 10 years full-time study, fees are listed based on the cost per annum (indicative of 2020). For more information on fees including eligibility for Commonwealth-supported places, deferring your student contribution through HECS-HELP or FEE-HELP loans, please visit: unisa.edu.au/fees

Acknowledgement of Country

UniSA respects the Kaurna, Boandik and Barngarla peoples’ spiritual relationship with their country. We also acknowledge the diversity of Aboriginal peoples, past and present.

Find out more about the University’s commitment to reconciliation at unisa.edu.au/RAP
