Demand for primary and secondary school teachers is predicted to grow 16% by 2023.

*Australian Government Department of Employment, Skills, Small and Family Business, Projections to 2023.*
South Australia will invest $1.4 billion in schools and VET infrastructure, including three new schools and capital upgrades, increasing the state’s educational footprint.

Employment for early childhood teachers is projected to grow 22% by 2023.

Play a crucial role in the lives of children, young people and adults. Build a rewarding career path as a teacher or educator, ranging from childhood education through to adult learning, and help to shape the minds of future generations. Gain practical teaching and learning experience through professional placements and overseas study, and access the latest in teaching technologies on campus.

unisa.edu.au/study
GRADUATE WITH AN EDGE
Graduate with a top-ranking education degree and honours with a difference. Focus your studies on early childhood, primary or secondary education and build the confidence to pursue your teaching career. We want you to be classroom ready, so you will start field-based placements from your first semester of study. You will also complete specialist courses focusing on leadership and professional experience, and a project that explores contemporary issues in education practice.

STUDY YOUR WAY
Tailor your degree to suit your lifestyle with a range of flexible study options across multiple campus locations. We offer our early childhood and primary education degrees at the Magill, Mawson Lakes, Mount Gambier and Whyalla campuses. You can also study these programs online. Our secondary education degrees are offered at Mawson Lakes Campus and students will have access to purpose-built learning spaces fitted with the latest tools and technologies.

Preparing next generation teachers
The combination of increasingly tech-savvy students and a renewed focus on STEM learning is leading the transformation in contemporary education.

Located at Magill Campus, the Samsung SMARTSchool is one of the most technologically advanced teacher education facilities in Australia.

Combining Samsung’s innovative technologies with UniSA’s world-class research into teaching practice, this state-of-the-art facility provides an enriched learning environment that embraces the opportunities that technology brings to the classroom.

Students use the space to explore new and creative approaches to teaching and learning, engaging in problem solving, designing and implementing new methods of teaching, and increasing their tech skills. The facility is fitted with the latest video walls, interactive whiteboards, tablets, smartphones and virtual reality headsets.
WANT TO BE A SECONDARY TEACHER?

Study our Bachelor of Secondary Education (Honours) degree and get the qualification you need to teach up to Year 12 in areas that interest you most. You will be ahead of the pack by starting classroom placements in your first year and graduate in just four years of study. You can also choose to complete an education-based internship in your final year or gain an international perspective by participating in an overseas placement.

Find out more on page 10 or visit our website.

unisa.edu.au/become-a-teacher

BE CLASSROOM READY

Having practical classroom experience is important, that’s why we get you to start placements in your first year of study. You will complete up to 105 days of professional experience during your degree in a range of early childhood, primary and secondary settings, with placements offered in both metropolitan and rural schools. You can also choose to complete an education-based internship in your final year or gain an international perspective by participating in an overseas placement.
PROFESSIONAL EXPERIENCE

Develop your knowledge and practical skills in classroom settings from your first year of study.

SAMSUNG SMARTSchool / As one of the most technologically advanced teacher education facilities in Australia and powered by leading-edge Samsung technology, this high-tech training facility supports new approaches to teaching students from reception to secondary school.

Learn a Language

Develop the skills you need to work internationally and increase your career opportunities by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

unisa.edu.au/languages

Experience student life

Enjoy life beyond the classroom by getting involved in campus culture. Connect with new people at Orientation, keep active with UniSA Sport and on-campus fitness centres, or find your tribe with more than 100 student clubs to choose from. Discover our wide range of events throughout the year and connect with our student association, USASA.

unisa.edu.au/studentexperience

Get career ready

Prepare for your future career from first year with support from our Career Services team. Access our online Career Hub for self-help resources, including tips on resume writing and an interview simulator. There are also professional and exclusive job listings. Connect with a career adviser for help with career mapping, attend industry events to build your professional networks, and walk into one of our drop-in centres on campus for general careers advice.

unisa.edu.au/careers

“There is a huge emphasis at the moment on real-world experience being an important part of higher education, but this is only part of the story. Making sure that our emerging professionals learn from these experiences is our real strength. Our approach allows our students to interpret their experiences, and then to apply the learning within the safety of a well-supported learning environment.”

Associate Professor Simon Leonard / STEM Education

ONE OF THE BEST YOUNG UNIVERSITIES IN AUSTRALIA FOR TEACHING QUALITY

Complete your postgraduate studies: Master of Teaching (Secondary)
Admissions information

Non-academic entry requirements

In accordance with national teacher education program standards, applicants must also fulfill non-academic entry requirements before their application is deemed complete. Applicants for the Bachelor of Early Childhood Education (Honours), Bachelor of Primary Education (Honours), Bachelor of Secondary Education (Honours) and Master of Teaching are required to submit a 400–600 word (maximum) Teaching Capabilities Statement, which speaks to your understanding of being a teacher and your motivation.

Placement requirements

In the lead-up to each professional experience placement you need to ensure that a number of important prerequisites and requirements are completed or satisfied, including:

- A Department of Human Services (DHS) Working with Children Check;
- Mandatory Child-Safe Environments Training; and
- Meeting required standards in the national Literacy and Numeracy Test for Initial Teacher Education (LANTITE) — to be completed during your studies.

Students completing the Early Childhood specialisation must complete and provide evidence of Basic Emergency Life Support (via the Department for Education) or Applied First Aid training prior to undertaking placements.

UniSA College pathways: Foundation Studies or Diploma in Arts

Prerequisites: none

Assumed knowledge: none

- Choose a Learning Area from Arts, English or Mathematics/Science.
- Choose an elective, focusing on teaching children with disabilities, rural and regional education, brain development, relationships and health or arts in early childhood curriculum.

Build a rewarding career as an early childhood teacher. Graduate ready and with professional honours in just four years. Gain a competitive advantage through industry-relevant coursework, highly practical learning and applied research. Focus on the learning and development of children from birth to eight years of age. Develop foundational knowledge in education studies, curriculum planning, professional experience and leadership. Complete three courses in a primary specialism (Learning Area) of your choice to meet the national registration requirements for birth to eight years of age. Learning Areas include Arts, English, or Mathematics/Science. Benefit from highly practical learning with 105 days of field based placements starting in your first six months of study, and take the opportunity to complete an overseas placement or study tour. Access the state-of-the-art Samsung SMARTSchool located at Magill Campus – one of the most technologically advanced teacher education facilities in Australia. Benefit from flexible study options with the option to study at Magill, Mawson Lakes, Mount Gambier, Whyalla or online.

Note 1: Students in this program must complete and provide evidence of Basic Emergency Life Support (the Department of Education) or Applied First Aid training prior to undertaking placements.

Note 2: Graduates can apply for teacher registration in South Australia, interstate and some overseas countries. Applicants should note that there are other criteria determining eligibility, including professional experience placements, students commencing midyear (July) study will complete their program in 4.5 years instead of 4 years.

Note 3: Due to program structure and professional experience placements, students undertaking placements.

Note 4: Graduates and regulatory authorities.

“When choosing a career, it was important for me to pick something that would give me fulfilment. Early childhood education has definitely given me that, and there have been many moments where I’ve been able to have a really positive impact on my students. UniSA’s reputation for practical and industry experience meant that I completed various industry placements, where I applied knowledge into practice. Since graduating, I have secured a job as a Reception teacher, which is incredibly exciting.”

2 years full-time

Intakes: Feb, Jul

Commonwealth supported*

Internship/Placement

SATAC code: varies
Program code: MMET

*see page 24 for more information

Prepare for a career in secondary education, focusing on engaging and facilitating learning for the diverse needs of adolescent students from Year 7 to 12. Study core courses in curriculum and education studies integrated with the exploration of contemporary teaching and learning practice. Choose a major specialisation in a key Learning Area aligned with the Australian Curriculum, including Arts, Design and Technology, Health and Physical Education, Humanities and Social Sciences, Languages, Mathematics, or Science. Select a second teaching focus as a minor from either one of the Australian Curriculum Learning Areas, or in Integrated Studies, TESOL, Lutheran Studies, Catholic Studies or Islamic Pedagogy. Gain practical experience by completing supervised placements totaling 60 days across metropolitan and regional secondary school settings, with options also available for internships and specialty-focused placements.

CAREERS

Secondary school teacher / senior coordinator / education consultant / youth support officer / education policy adviser / researcher

FURTHER STUDY

- Graduate Diploma in Education – various specialisations
- Master of Education

ENTRY REQUIREMENTS

- Bachelor degree or equivalent qualification from a recognised higher education institution with a competitive Grade Point Average (GPA); and
- A major and preferably a minor in the intended specialisation Learning Area, aligning with the Australian Curriculum. Majors consist of a minimum of six courses (27 units) or equivalent with a minimum of two courses at Australian second year undergraduate level or equivalent. Minors consist of a minimum of four courses (18 units) or equivalent with a minimum of two courses at Australian second year undergraduate level or equivalent.
- Entry into this program is competitive and based on academic merit.

Designed specifically for professionals who are already working in the field of education, this program is focused on developing advanced leadership, management and research skills. Explore contemporary education theories and concepts that will help to advance your career or set the foundations for further study. Study core topics in educational leadership, inclusive education, student wellbeing, digital technologies, assessment and evaluation, and literacy and numeracy education.

Tailor your studies by choosing either an Education Project or Education Thesis stream with the option to complete an Educational Leadership stream depending on your professional experience. Complete core courses online and attend some on-campus workshops to connect with other professionals.

Note: This qualification does not meet the requirements for teacher registration in South Australia.

CAREERS
Curriculum developer / school principal / school coordinator / educational leader / head of school / school director / education policy adviser / training and development consultant / education consultant

ENTRY REQUIREMENTS
Bachelor degree in education or equivalent qualification from a recognised higher education institution. Some applicants may be eligible for Advanced Standing and can complete the program in one year of full-time study, or equivalent part-time study.

“After finishing a degree in environmental science, I chose to further my qualifications in secondary teaching to help inspire young people to be more environmentally aware. To tackle the problem, we need to start from the roots and instill good habits in the younger generations as they are the future leaders of tomorrow.”

Study South Australia’s only postgraduate qualification focused on Catholic education. This program is designed to provide continued professional development for qualified educators interested in developing their knowledge, understanding and skills in Catholic education practices, principles and policies. Study courses integrating contemporary education theory and practice with biblical studies and theology. You will explore recent developments in theories, research and debates relating to the practice of Catholic education, as well as key philosophical and theological foundations. This program is recognised by Catholic Education South Australia (CESA) as meeting the requirements for accreditation to teach in a Catholic School. CESA provide full funding for current CESA teachers who are seeking to complete this program as professional development.

CAREERS

This program is designed to provide continued professional development for qualified educators and graduates may find employment in Catholic education and independent schools.

ENTRY REQUIREMENTS

Applicants must be teachers who have successfully completed a four-year education degree or equivalent from a recognised higher education institution.

Study the only qualification of its kind in Australia, designed to meet the educational needs of Muslim students in a range of settings. Focus on contemporary contexts and realities in Islamic education through courses aligned to Australian educational priorities. Examine key themes around student wellbeing, managing learning environments, contemporary Islamic theology and Islamic teaching. Connect with strong research and industry links through the University’s Centre for Islamic Thought and Education. Benefit from flexible learning including online and part-time study, optional face-to-face intensives and studying through holiday periods or teaching breaks.

Note: This qualification does not meet the requirements for teacher registration in South Australia.

**CAREERS**

Graduates will be prepared for employment in Islamic schools, Madrassahs and Pesantrens, or in state or private schools with a high percentage of Muslim students.

**ENTRY REQUIREMENTS**

Bachelor degree or equivalent qualification in any discipline from a recognised higher education institution.

Doctor of Education

Contribute to the education sector and society more broadly by creating new knowledge through a professional doctorate. Explore an area of interest and its practical application to your workplace and beyond. Discover new theories and concepts to help create real and direct impact to learners across the lifespan and in different educational settings. Complete advanced coursework along with a portfolio for examination. This includes three supervised research project reports and a thesis (totalling eight courses). Learn in a stimulating academic environment under the guidance of highly experienced supervisors, visiting scholars and researchers.

ENTRY REQUIREMENTS

• Honours level 1, honours level 2A, masters by research or masters by coursework; or
• Honours level 2B (H2B) or graduate diploma, plus demonstrated capabilities through professional experience in the field of proposed study and by relevant quality publication; or
• Bachelor degree, double degree, honours level 3 (H3) or a graduate certificate plus demonstrated capabilities through professional experience in the field of proposed study and by relevant quality publication.
• Candidates must also demonstrate at least five years of experience/practice in a relevant field and normally within the last 10 years.

COURSEWORK
Reading Educational Policy Research
Critical Reflective Writing in Education
Research Methodology
Developing the Research Program

PORTFOLIO COMPLETION (RESEARCH PROJECTS AND MAJOR ANALYSIS)
8 x Thesis and Portfolio

Students may complete their studies online or on-campus.

Masters by Research

Doctor of Philosophy (PhD)

Join an academic community that is committed to world-class research in education, with strong national and international connections. Learn to independently design and execute original research that generates new knowledge and contributes to professional practice. Explore how education can contribute to social justice and social inclusion, by investigating practice, pedagogy, curriculum, policy and educators’ work across the contexts of early childhood, school and higher education. Investigate family and community perspectives, wellbeing, linguistic and sociocultural diversity, education for sustainability, multi-literacies and STEM. Learn under the guidance of highly experienced and qualified supervisors, visiting scholars and researchers, drawing on innovative approaches and research technologies.

ENTRY REQUIREMENTS

Masters by Research
• Bachelor degree of at least three years in a relevant discipline with a minimum credit average; or
• Honours 1, Honours 2, Honours 3 or an appropriate master’s degree or equivalent qualification; or
• No tertiary qualifications (some discipline areas only) with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Doctor of Philosophy (PhD)
• Honours 1, Honours 2A, or an appropriate master’s degree or equivalent qualification.

Alternative entry
• Other postgraduate and undergraduate degrees may be considered for admission into the Masters by Research, Doctor of Philosophy (PhD) or Professional Doctorate with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Eligibility for entry into a research degree is also subject to an assessment of the proposed research, supervisor availability, and any University or research-specific eligibility requirements.
STUDY AT UniSA – THE BASICS

Minimum entry requirements for undergraduate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:
- a competitive Selection Rank (ATAR) including adjustment factors, AND
- the fulfilment of the program’s prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program’s prerequisite requirements and have completed one of the following:
- an interstate or overseas qualification considered by the University as equivalent to SACE, or
- the International Baccalaureate Diploma with a minimum score of 24 points.

For some degrees, applicants who have not achieved the Selection Rank (ATAR) required for automatic selection into their preferred degree may be selected for any remaining places based on the grades of their Year 12 subjects.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) for Australian high school students applying for entry into university via the following schemes:
- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed. Please note application timelines may apply.

unisa.edu.au/guaranteed

FEES
All domestic undergraduate students at the University of South Australia are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2020 are:

*Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying; this is listed on applicable programs. For programs under 1 year full-time study, fees are listed as the whole program fee (indicative of 2020). For programs over 1 year full-time study, fees are listed based on the cost per annum (indicative of 2020). For more information on fees including eligibility for Commonwealth-supported places, deferring your student contribution through HECS-HELP or FEE-HELP loans, please visit: unisa.edu.au/fees
