Demand for primary and secondary school teachers is predicted to grow 16% by 2023.

South Australia will invest $1.4 billion in schools and VET infrastructure, including three new schools and capital upgrades, increasing the state’s educational footprint.

Employment for early childhood teachers is projected to grow 22% by 2023.

Play a crucial role in the lives of children, young people and adults. Build a rewarding career path as a teacher or educator, ranging from childhood education through to adult learning, and help to shape the minds of future generations. Gain practical teaching and learning experience through professional placements and overseas study, and access the latest in teaching technologies on campus.

unisa.edu.au/study
GRADUATE WITH AN EDGE

Graduate with a top-ranking education degree and honours with a difference. Focus your studies on early childhood, primary or secondary education and build the confidence to pursue your teaching career. We want you to be classroom ready, so you will start field-based placements from your first semester of study. You will also complete specialist courses focusing on leadership and professional experience, and a project that explores contemporary issues in education practice.

STUDY YOUR WAY

Tailor your degree to suit your lifestyle with a range of flexible study options across multiple campus locations. We offer our early childhood and primary education degrees at the Magill, Mawson Lakes, Mount Gambier and Whyalla campuses. You can also study these programs online. Our secondary education degrees are offered at Mawson Lakes Campus and students will have access to purpose-built learning spaces fitted with the latest tools and technologies.

Preparing next generation teachers

The combination of increasingly tech-savvy students and a renewed focus on STEM learning is leading the transformation in contemporary education.

Located at Magill Campus, the Samsung SMARTSchool is one of the most technologically advanced teacher education facilities in Australia.

Combining Samsung’s innovative technologies with UniSA’s world-class research into teaching practice, this state-of-the-art facility provides an enriched learning environment that embraces the opportunities that technology brings to the classroom.

Students use the space to explore new and creative approaches to teaching and learning, engaging in problem solving, designing and implementing new methods of teaching, and increasing their tech skills. The facility is fitted with the latest video walls, interactive whiteboards, tablets, smartphones and virtual reality headsets.
WANT TO BE A SECONDARY TEACHER?

Study our Bachelor of Secondary Education (Honours) degree and get the qualification you need to teach up to Year 12 in areas that interest you most. You will be ahead of the pack by starting classroom placements in your first year and graduate in just four years of study. You can also choose to complete an education-based internship in your final year or gain an international perspective by participating in an overseas placement. For more information see page 10 or visit our website.

unisa.edu.au/become-a-teacher

BE CLASSROOM READY

Having practical classroom experience is important, that’s why we get you to start placements in your first year of study. You will complete up to 105 days of professional experience during your degree in a range of early childhood, primary and secondary settings, with placements offered in both metropolitan and rural schools. You can also choose to complete an education-based internship in your final year or gain an international perspective by participating in an overseas placement.

Study early childhood, primary or secondary education and start placements in your first year of study.
Learn a Language

Develop the skills you need to work internationally and increase your career opportunities by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

unisa.edu.au/languages

Experience student life

Enjoy life beyond the classroom by getting involved in campus culture. Connect with new people at Orientation, keep active with UniSA Sport and on-campus fitness centres, or find your tribe with more than 100 student clubs to choose from. Discover our wide range of events throughout the year and connect with our student association, USASA.

unisa.edu.au/studentexperience

Get career ready

Prepare for your future career from first year with support from our Career Services team. Access our online Career Hub for self-help resources, including tips on resume writing and an interview simulator. There are also professional and exclusive job listings. Connect with a career adviser for help with career mapping, attend industry events to build your professional networks, and walk into one of our drop-in centres on campus for general careers advice.

unisa.edu.au/careers

“There is a huge emphasis at the moment on real-world experience being an important part of higher education, but this is only part of the story. Making sure that our emerging professionals learn from these experiences is our real strength. Our approach allows our students to interpret their experiences, and then to apply the learning within the safety of a well-supported learning environment.”

Associate Professor Simon Leonard | STEM Education

ONE OF THE BEST YOUNG UNIVERSITIES IN AUSTRALIA FOR TEACHING QUALITY

Admissions information

Non-academic entry requirements
In accordance with national teacher education program standards, applicants must also fulfil non-academic entry requirements before their application is deemed complete. Applicants for the Bachelor of Early Childhood Education (Honours), Bachelor of Primary Education (Honours), Bachelor of Secondary Education (Honours) and Master of Teaching are required to submit a 400–600 word (maximum) Teaching Capabilities Statement, which speaks to your understanding of being a teacher and your motivation.

Placement requirements
In the lead-up to each professional experience placement you need to ensure that a number of important prerequisites and requirements are completed or satisfied, including:

- A Department of Human Services (DHS) Working with Children Check;
- Mandatory Child-Safe Environments Training; and
- Meeting required standards in the national Literacy and Numeracy Test for Initial Teacher Education (LANTITE) – to be completed during your studies.

UniSA College pathways: Foundation Studies or Diploma in Arts
Prerequisites: none
Assumed knowledge: none

• Choose a Learning Area from Arts, English or Mathematics/Science.
• Choose an elective, focusing on teaching children with disabilities, rural and regional education, brain development, relationships and health or arts in early childhood curriculum.

Build a rewarding career as an early childhood teacher. Graduate career-ready and with professional honours in just four years. Gain a competitive advantage through industry-relevant coursework, highly practical learning and applied research. Focus on the learning and development of children from birth to eight years of age. Develop foundational knowledge in education studies, curriculum planning, professional experience and leadership. Complete three courses in a primary specialism (Learning Area) of your choice to meet the national registration requirements for birth to eight years of age. Learning Areas include Arts, English, or Mathematics/Science. Benefit from highly practical learning with 105 days of field based placements starting in your first six months of study, and take the opportunity to complete an overseas placement or study tour. Access the state-of-the-art Samsung SMARTSchool located at Magill Campus – one of the most technologically advanced teacher education facilities in Australia. Benefit from flexible study options with the option to study at Magill, Mawson Lakes, Mount Gambier, Whyalla or online.

Note 1: Graduates can apply for teacher registration in South Australia, interstate and some overseas countries. Applicants should note that there are other criteria determining eligibility for registration by the Teachers Registration Board of South Australia and other registration and regulatory authorities.

Note 2: Due to program structure and professional experience placements, students commencing midyear (July) study will complete their program in 4.5 years instead of 4 years.

"When choosing a career, it was important for me to pick something that would give me fulfilment. Early childhood education has definitely given me that, and there have been many moments where I’ve been able to have a really positive impact on my students. UniSA’s reputation for practical and industry experience meant that I completed various industry placements, where I applied knowledge into practice. Since graduating, I have secured a job as a Reception teacher, which is incredibly exciting."

Diploma in Languages

unisa.edu.au/languages

Explore your interests or advance your career by learning another language. Study the Diploma in Languages alongside your undergraduate degree or as a standalone postgraduate qualification. Learn French, Italian, Japanese or English (for speakers of English as a second language). Access the Multimedia Languages Lab at Magill Campus, where you can connect with native speakers from around the world in real-time. Develop your proficiency in listening, speaking, reading and writing in your chosen language, along with your understanding of the related culture and society. Take the opportunity to study in the country of your chosen language through our exchange or in-country study programs.

ENTRY REQUIREMENTS
• This program is open to all students who have completed or are enrolled in a bachelor degree at the University of South Australia or any other Australian university.
• This program is also open to students who have completed or are currently enrolled in a bachelor or master degree, or equivalent qualification, from an approved higher education institution outside of Australia.
• For postgraduate students, this program can be completed as a standalone qualification.

Prepare for a career in secondary education, focusing on engaging and facilitating learning for the diverse needs of adolescent students from Year 7 to 12. Study core courses in curriculum and education studies integrated with the exploration of contemporary teaching and learning practice. Choose a major specialisation in a key Learning Area aligned with the Australian Curriculum, including Arts, Design and Technology, Health and Physical Education, Humanities and Social Sciences, Languages, Mathematics, or Science. Select a second teaching focus as a minor from either one of the Australian Curriculum Learning Areas, or in Integrated Studies, TESOL, Lutheran Studies, Catholic Studies or Islamic Pedagogy. Gain practical experience by completing supervised placements totaling 60 days across metropolitan and regional secondary school settings, with options also available for internships and specialty-focused placements.

CAREERS
Secondary school teacher / senior coordinator / education consultant / youth support officer / education policy adviser / researcher

FURTHER STUDY
• Graduate Diploma in Education – various specialisations
• Master of Education

ENTRY REQUIREMENTS
• Bachelor degree or equivalent qualification from a recognised higher education institution with a competitive Grade Point Average (GPA); and
• A major and preferably a minor in the intended specialisation Learning Area, aligning with the Australian Curriculum. Majors consist of a minimum of six courses (27 units) or equivalent with a minimum of two courses at Australian second year undergraduate level or equivalent. Minors consist of a minimum of four courses (18 units) or equivalent with a minimum of two courses at Australian second year undergraduate level or equivalent.

Students may be required to undertake a combination of on-campus or online study. Students may be required to attend on-campus lectures, tutorials and practicals.
Designed specifically for professionals who are already working in the field of education, this program is focused on developing advanced leadership, management and research skills. Explore contemporary education theories and concepts that will help to advance your career or set the foundations for further study. Study core topics in educational leadership, inclusive education, student wellbeing, digital technologies, assessment and evaluation, and literacy and numeracy education.

Tailor your studies by choosing either an Education Project or Education Thesis stream with the option to complete an Educational Leadership stream depending on your professional experience. Complete core courses online and attend some on-campus workshops to connect with other professionals.

Note: This qualification does not meet the requirements for teacher registration in South Australia.

CAREERS
Curriculum developer / school principal / school coordinator / educational leader / head of school / school director / education policy adviser / training and development consultant / education consultant

ENTRY REQUIREMENTS
Bachelor degree in education or equivalent qualification from a recognised higher education institution. Some applicants may be eligible for Advanced Standing and can complete the program in one year of full-time study, or equivalent part-time study.

Students complete all of their studies online and are not required on-campus.

“After finishing a degree in environmental science, I chose to further my qualifications in secondary teaching to help inspire young people to be more environmentally aware. To tackle the problem, we need to start from the roots and instill good habits in the younger generations as they are the future leaders of tomorrow.”

Study South Australia’s only postgraduate qualification focused on Catholic education. This program is designed to provide continued professional development for qualified educators interested in developing their knowledge, understanding and skills in Catholic education practices, principles and policies. Study courses integrating contemporary education theory and practice with biblical studies and theology. You will explore recent developments in theories, research and debates relating to the practice of Catholic education, as well as key philosophical and theological foundations. This program is recognised by Catholic Education South Australia (CESA) as meeting the requirements for accreditation to teach in a Catholic School. CESA provide full funding for current CESA teachers who are seeking to complete this program as professional development.

CAREERS

This program is designed to provide continued professional development for qualified educators and graduates may find employment in Catholic education and independent schools.

ENTRY REQUIREMENTS

Applicants must be teachers who have successfully completed a four-year education degree or equivalent from a recognised higher education institution.

Contribute to the education sector and society more broadly by creating new knowledge through a professional doctorate. Explore an area of interest and its practical application to your workplace and beyond. Discover new theories and concepts to help create real and direct impact to learners across the lifespan and in different educational settings. Complete advanced coursework along with a portfolio for examination. This includes three supervised research project reports and a thesis (totalling eight courses). Learn in a stimulating academic environment under the guidance of highly experienced supervisors, visiting scholars and researchers.

ENTRY REQUIREMENTS

- Honours level 1, honours level 2A, masters by research or masters by coursework; or
- Honours level 2B (H2B) or graduate diploma, plus demonstrated capabilities through professional experience in the field of proposed study and by relevant quality publication; or
- Bachelor degree, double degree, honours level 3 (H3) or a graduate certificate plus demonstrated capabilities through professional experience in the field of proposed study and by relevant quality publication.
- Candidates must also demonstrate at least five years of experience/practice in a relevant field and normally within the last 10 years.

DEGREE STRUCTURE

COURSEWORK
- Reading Educational Policy Research
- Critical Reflective Writing in Education
- Research Methodology
- Developing the Research Program

PORTFOLIO COMPLETION (RESEARCH PROJECTS AND MAJOR ANALYSIS)
- 8 x Thesis and Portfolio

Students may complete their studies online or on-campus.

Masters by Research
Doctor of Philosophy (PhD)
unisa.edu.au/resdegrees

Join an academic community that is committed to world-class research in education, with strong national and international connections. Learn to independently design and execute original research that generates new knowledge and contributes to professional practice. Explore how education can contribute to social justice and social inclusion, by investigating practice, pedagogy, curriculum, policy and educators’ work across the contexts of early childhood, school and higher education. Investigate family and community perspectives, wellbeing, linguistic and sociocultural diversity, education for sustainability, multi-literacies and STEM. Learn under the guidance of highly experienced and qualified supervisors, visiting scholars and researchers, drawing on innovative approaches and research technologies.

ENTRY REQUIREMENTS

Masters by Research
- Bachelor degree of at least three years in a relevant discipline with a minimum credit average; or
- Honours 1, Honours 2, Honours 3 or an appropriate master’s degree or equivalent qualification; or
- No tertiary qualifications (some discipline areas only) with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Doctor of Philosophy (PhD)
- Honours 1, Honours 2A, or an appropriate master’s degree or equivalent qualification.

Alternative entry
- Other postgraduate and undergraduate degrees may be considered for admission into the Masters by Research, Doctor of Philosophy (PhD) or Professional Doctorate with demonstration of research capabilities via assessment of relevant quality publications and professional experience.

Eligibility for entry into a research degree is also subject to an assessment of the proposed research, supervisor availability, and any University or research-specific eligibility requirements.
Minimum entry requirements for undergraduate degrees

APPLYING WITH YEAR 12
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- a competitive Selection Rank (ATAR) including adjustment factors, AND
- the fulfilment of the program’s prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the program’s prerequisite requirements and have completed one of the following:

- an interstate or overseas qualification considered by the University as equivalent to SACE, or
- the international Baccalaureate Diploma with a minimum score of 26 points.

For some degrees, applicants who have not achieved the Selection Rank (ATAR) required for automatic selection into their preferred degree may be selected for any remaining places based on the grades of their Year 12 subjects.

ADJUSTMENT FACTORS
Universities in South Australia include ATAR-related adjustment factors (previously known as bonus points) for Australian high school students applying for entry into university via the following schemes:

- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY
UniSA offers guaranteed entry into many programs for domestic Year 12 and VET students. If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score for that program, you have met the prerequisites and any other program specific entry requirements, and you have listed the program as your first preference, you are in. It’s guaranteed. Please note application timelines may apply.

unisa.edu.au/guaranteed

FEES
All domestic undergraduate students at the University of South Australia are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2020 are:

<table>
<thead>
<tr>
<th>BAND</th>
<th>AREA OF STUDY</th>
<th>STUDENT CONTRIBUTION For one year of full-time load (1 EFTSL)</th>
<th>STUDENT CONTRIBUTION For each subject (0.125 EFTSL)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Humanities, behavioural science, social studies, foreign languages, visual and performing arts, clinical psychology, nursing and education.</td>
<td>$6,684</td>
<td>$835</td>
</tr>
<tr>
<td>2</td>
<td>Computing, built environment, health, engineering, surveying, agriculture, mathematics, statistics and science.</td>
<td>$9,527</td>
<td>$1,190</td>
</tr>
<tr>
<td>3</td>
<td>Law, dentistry, medicine, veterinary science, accounting, administration, economics and commerce.</td>
<td>$11,155</td>
<td>$1,394</td>
</tr>
</tbody>
</table>

*Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying; this is listed on applicable programs. For programs under 1 year full-time study, fees are listed as the whole program fee (indicative of 2020). For programs over 1 year full-time study, fees are listed based on the cost per annum (indicative of 2020). For more information on fees including eligibility for Commonwealth-supported places, deferring your student contribution through HECS-HELP or FEE-HELP loans, please visit: unisa.edu.au/fees

Before applying
All applicants should check and ensure that they meet all entry and prerequisite requirements before applying. For more information on entry requirements, visit: unisa.edu.au/study

Support services
UniSA offers a full range of support services, including career advice, disability and inclusion services, and counselling. For more information, contact (08) 8302 2376 or visit: unisa.edu.au/student-services

Scholarships
UniSA offers a range of scholarships and grants to support students from all walks of life. Each year, 2,500 students benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and even overseas travel. For more information and to check the eligibility criteria, visit: unisa.edu.au/scholarships

How to apply
Applications to most programs at UniSA are administered through the South Australian Tertiary Admissions Centre (SATAC). For more information, visit: unisa.edu.au/apply

unisa.edu.au/adjustmentfactors
Your student experience

Orientation is the start of your journey at university. Explore your campus, meet new people, get study advice, and enjoy different activities and entertainment.

Campus Central are the on-campus gurus for ID cards, enrolment, fees and student services.

Support services are available to you throughout your time at university, including study support, personal counselling and peer mentoring, along with access to a range of community health clinics located on campus.

USASA is your student association at UniSA. They provide advocacy services, organise social activities and coordinate over 100 student clubs.

UniSA+ can provide you with a range of leadership, entrepreneurial, volunteering and self-development opportunities during your degree.

Student lounges provide you with a space to study or chill out, featuring work spaces, kitchen facilities, mobile charging stations, social spaces, lockers, gaming stations and more.

Food vendors and café-style dining facilities are now open at all UniSA campuses, including Honki Tonki, Zambrero, Abbots and Kinney and more.

UniSA Sport has over 25 sporting clubs, including rowing, netball, gridiron, rock climbing and so much more. You can also gain access to fully-equipped gym facilities on all metro campuses.

Accommodation services are available to help you set up a home away from home.

24-hour security services are available on campus and the free SafeZone app is available for download through the App Store or Google Play.

Get cultured – expand your thinking and see the world through a student exchange program.

Pridham Hall – discover the new heart of the University, featuring a graduation space, sports centre, gym and swimming pool.

UniSA Sport – keep active and make lasting friendships by joining one of our sporting teams.

Events on campus – participate in a wide range of events and activities on campus throughout the year.

MOD. – explore this on-campus futuristic museum of discovery, offering immersive experiences.

2020 ONLINE EVENTS

We will be hosting a series of online events so you can learn more about studying with UniSA. Listen to presentations, discover different degrees and careers, and connect with current students and academic staff.
