

# #1IN SA FOR GRADUATE CAREERS

Play a crucial role in the lives of children, young people and adults. Build a rewarding career path as a teacher or educator, ranging from childhood education through to adult learning, and help to shape the minds of future generations. Gain practical teaching and learning experience through professional placements and access the latest in teaching technologies on campus.

#### **BE CLASSROOM READY**

Having practical classroom experience is important, that's why we get you to start placements in your first year of study. You will complete up to 110 days of professional experience during your degree in a range of early childhood, primary and secondary settings, with placements offered in both metropolitan and rural schools. You can also choose to complete an education-based internship in your final year.

#### **GET THE HONOURS EDGE**

Did you know that you will graduate with honours if you study an education degree at UniSA? Study a top-ranking degree with a difference, giving you the ultimate edge in the graduate employment market. We want you to be classroom ready, so you will start field-based placements from your first semester of study. You will also complete specialist courses focusing on leadership and professional experience, and a real-world project that explores challenges in contemporary education practice.

"In supporting early career teachers, we have found UniSA graduates to be passionate educators with great subject knowledge and organisational skills. These graduates have consistently demonstrated confidence in their teaching and engaging students in authentic learning experiences."

Jacqui van Ruiten | Principal | Norwood Morialta High School

#### STUDY TEACHING YOUR WAY

Tailor your education degree to suit your lifestyle with a range of flexible study options across multiple campus locations. We offer our early childhood and primary education degrees at the Magill, Mawson Lakes, Mount Gambier and Whyalla campuses. You can also study these programs partially online. Our secondary education degrees are offered at Mawson Lakes, Mount Gambier and Whyalla, and students will have access to purpose-built learning spaces fitted with the latest tools and technologies.

#### WANT TO BE A HIGH SCHOOL TEACHER?

Study our Bachelor of Secondary Education (Honours) degree and get the qualification you need to teach up to Year 12 in subjects that interest you most. You will be ahead of the pack by starting classroom placements in your first year and will graduate in just four years of study. You can also study a packaged program by choosing from a range of undergraduate degrees and pairing it with the Master of Teaching (Secondary), giving you two qualifications in five years. See page 8 for more information.

# PREPARING NEXT GENERATION TEACHERS

Contemporary education is being shaped and transformed by the rise and advancement in new technologies. Magill Campus is home to our education degrees and the Samsung SMARTSchool — one of the most technologically advanced teacher training facilities in Australia.

Combining Samsung's innovative technologies with UniSA's world-class research into teaching practice, this state-of-the-art facility provides an enriched learning environment that embraces what technology can bring to the classroom.

Students are able to explore new ways of learning and problem-solving through innovative teaching practices supported by video walls, interactive whiteboards, tablets, smartphones and virtual reality headsets.

"There is a huge emphasis at the moment on real-world experience being an important part of higher education, but this is only part of the story. Making sure that our emerging professionals learn from these experiences is our real strength. Our approach allows our students to interpret their experiences, and then to apply the learning within the safety of a well-supported learning environment."

Associate Professor Simon Leonard | STEM Education

# **YOUR CAMPUS**

#### **VIRTUAL CAMPUS**

We're one of Australia's largest online education providers, giving our students more choice when it comes to flexible learning. You can study fully online or through a blended mode. Our virtual campus is supported by custom online learning platforms using the latest industry software.

#### PRACTICAL LEARNING

We offer more than 200 world-class degrees across a wide range of study and career areas. You will learn in a highly practical environment with a focus on real-world applications. You can also take the opportunity to complete an internship or placement during your studies, learning from experts and building work-ready skills.

#### **TOP RANKING TEACHERS**

Make your study experience relevant by learning from highly qualified academics and industry professionals with curriculum informed by the latest insights and trends. In fact, we're ranked number one in South Australia (QILT: Student Experience Survey) and amongst the best young universities in Australia (THE Young University Rankings) for teaching quality.

#### **WORLD-CLASS FACILITIES**

Study in modern, purpose-built facilities across all six UniSA campuses. Learn with the latest industry-standard tools and technologies that will take you from the classroom to the workplace. This includes state-of-the-art laboratories, community clinics, creative studios, collaborative learning areas and simulation spaces.

#### POWERFUL PARTNERSHIPS

We collaborate with more than 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry during your studies and build your professional networks before you graduate.

#### **GLOBAL OPPORTUNITIES**

Broaden your thinking and see the world through a range of global opportunities. Travel overseas through a student exchange, short-term program, internship, volunteering opportunity or study tour. Graduate with international experience and the skills to take on new challenges.

International travel is subject to Australian Government quidelines.

#### **REAL RESEARCH**

Our research is inspired by challenges. We produce new knowledge that provides real solutions for industry, businesses and the wider community. You will even explore new concepts and findings in your chosen degree, influenced by our world-class research outcomes.

#### **LEARN A LANGUAGE**

Develop the skills you need to work internationally by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

#### 

#### **EXPERIENCE STUDENT LIFE**

Enjoy life beyond the classroom by getting involved in campus culture. Connect with new people at Orientation, keep active with UniSA Sport and on-campus fitness facilities, or find your tribe with more than 100 student clubs to choose from. Discover our wide range of events throughout the year and connect with USASA — your student association.

#### **APPLYING WITH YEAR 12 RESULTS**

Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- A competitive Selection Rank (ATAR + Adjustment Factors);
- Fulfilment of the degree's prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the degree's prerequisite requirements and one of the following:

- An interstate or overseas qualification considered by the University as equivalent to SACE; or
- The International Baccalaureate Diploma with a minimum score of 24 points.

🗇 unisa.edu.au/Year-12

#### **ADJUSTMENT FACTORS**

Australian high school students applying for university study may be eligible for Adjustment Factors (previously known as bonus points). These are based on set equity factors and/or subject choices (see below). They're automatically added to your ATAR, giving you a more competitive Selection Rank score for entry.

- The Universities Equity Scheme provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language,
   Literacy and Mathematics Adjustment
   Scheme provides additional
   points for students who successfully
   complete a language other than
   English, or specified English and
   Mathematics subjects.
- → unisa.edu.au/adjustmentfactors

#### **GUARANTEED ENTRY**

There are a few ways to guarantee your place at UniSA:

Year 12 Grades Guaranteed Entry –

UniSA offers guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that's it, you're automatically in.

Subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

Selection Rank Guaranteed Entry -

UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet.

VET Guaranteed Entry — UniSA offers guaranteed entry based on successfully completed VET qualifications. If your completed VET award meets the set VET Guaranteed Entry, you have met any prerequisites and specific entry requirements, and you've listed the degree as your first preference, you're guaranteed an offer.

Check out our online Guaranteed Entry Calculator.

unisa.edu.au/guaranteed

#### **ALTERNATIVE PATHWAYS**

Entering your chosen degree straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following:

UniSA College – there are a variety of pathway options offered through UniSA College, including diplomas, Foundation Studies and the Aboriginal Pathway Program.

STAT – a competitive Special Tertiary
Admissions Test (STAT) score – based on
70 multiple choice questions designed
to assess your aptitude for tertiary study.
A personal competencies statement
or relevant employment experience
alongside your STAT score may also be
considered for some degrees.

TAFE/RTO – applicants may be eligible for entry with the completion of an award from TAFE or another Registered Training Organisation at AQF Certificate IV or higher.

Tertiary transfer – completion of at least half a year of full-time equivalent study at UniSA or a recognised higher education institution. You can apply using your competitive Grade Point Average (GPA).

**SAIBT** – There are a range of bridging qualifications offered through the South Australian Institute of Business & Technology.

#### **SCHOLARSHIPS**

We offer a wide range of scholarships and grants to support students from all walks of life. Each year, more than 2,500 students benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and overseas travel. Go online to check what you might be eligible for.

#### **HOW TO APPLY**

Applications to most UniSA degrees are administered through the South Australian Tertiary Admissions Centre (SATAC). Go to our website for all the information you need about how to apply.

For all UniSA Online degrees, you can apply directly.

unisaonline.edu.au

#### **FEES**

All domestic undergraduate students at UniSA are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2021 are:

Band	Field of Education	Student contribution For one year of full-time load (1 EFTSL)	Student contribution For each subject (0.125 EFTSL)
1	Agriculture, english, mathematics, teaching, clinical psychology <sup>4</sup> , languages and nursing.	\$3,950	\$493
2 (2&2A)	Architecture, IT, other health, allied health, creative arts, engineering, science, environmental studies, professional pathway psychology <sup>4</sup> , professional pathway social work <sup>4</sup> and clinical psychology <sup>4</sup> .	\$7,950	\$993
3	Dentistry, medicine and veterinary science.	\$11,300	\$1,412
4 (4A,4C,4P, 4S&4Y)	Law, accounting, administration, economics, commerce, communications, society and culture, professional pathway psychology <sup>4</sup> , professional pathway social work <sup>4</sup> and clinical psychology <sup>4</sup> .	\$14,500	\$1,812

<sup>\*</sup>Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying; this is listed on applicable programs in this guide. For programs under 1.0 year full-time study, fees are listed as the whole program fee (indicative of 2021). For programs over 1.0 years full-time study, fees are listed based on the cost per annum (indicative of 2021). For more information on fees, including eligibility for Commonwealth-supported places, deferring your student contribution through HECS-HELP or FFF-HELP loans, places visit units and fees.

This table should be used as a guide only. Total costs can vary depending on the courses you study and the band they fall into.
