LAW WITH A DIFFERENCE

Practical learning is important, so we incorporate valuable hands-on experience into your degree so that you’re career ready. Be involved in advocacy training in our on-campus moot court or provide advice through our student-run Legal Advice Clinic under the supervision of a managing solicitor. Our teachers are also researchers, who partner with more than 200 organisations worldwide to create real solutions that shape business, industry and policy. We’re always contributing to new knowledge and global understanding, and then share these insights with you.

GET THE LEGAL EDGE

Graduate with a top-ranking law degree and honours with a difference. Choose from a range of specialist electives to expand your knowledge in an area of interest, then round out your degree with real-world learning or advanced research. In final year, you can choose from:

- A placement at a law firm, public organisation, industry partner, or our student-run Legal Advice Clinic.
- A law reform course, where you will become involved with contemporary legal issues that influence policy and change.
- A research pathway, where you can investigate a topic of your choice.

DOUBLE YOUR KNOWLEDGE

Expand your expertise and career opportunities by studying a double degree combining law with a second discipline. Specialise in two fields and graduate with two degrees in only one extra year of study. You can pair your law degree with areas like business, accounting, arts, journalism or psychology, or consider your own combination. Apply on entry or combine qualifications during your studies, giving you the ultimate flexibility.

#1 IN SA FOR EMPLOYER SATISFACTION

2019 QILT Employer Satisfaction Survey – Overall Satisfaction Indicator

“Technology has streamlined many aspects of the legal industry. Traditional career paths and law firm structures are certainly more dynamic than they once were. It’s important to build transferable skills – that is, a willingness to work hard, the ability to lead by example, as well as a desire to learn and give everything a go. My advice is to remain true to your professional core values and skills, but don’t be afraid to embrace change.”

Olaf Borutz | Legal Counsel: Sponsorship & Licensing Rights | TEAM Marketing AG (Switzerland)
MAKE INDUSTRY CONNECTIONS
Meet industry experts, develop your professional networks and immediately apply your learnings to real-world environments during your studies. No matter which law degree you choose, you can undertake an internship, law reform project or advanced research. We also partner with more than 60 organisations for semester exchanges, study tours and internships across Asia, Europe and the Americas. Gain practical experience by working on current legal challenges and develop the skills you need for a global career.

YOUR UniSA LAW EXPERIENCE
Our flexible study options are designed to suit your lifestyle, preferred way of learning and career interests. You can benefit from full-time or part-time learning, two study intakes, Summer and Winter School intensives, networking opportunities and accelerated learning pathways. You can also join our active student community with the UniSA Law Students Association (USALSA) — an independent study body that coordinates social events and networking opportunities, careers fairs and seminars, and legal advocacy competitions to give you practical experience and skills development.

ALREADY HAVE A DEGREE, BUT WANT TO STUDY LAW?
Take a pathway into our new Bachelor of Laws (Honours) (Graduate Entry) with credit from your previous university studies. If you have successfully completed a bachelor’s degree in any discipline, you can now study Law at UniSA and finish in three years full-time (or part-time equivalent) with a year of study credit.

#1 IN SA FOR TEACHING QUALITY

UNITING FOR HUMAN RIGHTS
A passion for human rights inspired UniSA law graduate Nadine Rachid to use her skills to support international communities in need. Nadine completed a six-week internship for a legal firm during her studies then went on to work as a Senior Protection Assistant with UNHCR, the United Nations Refugee Agency in Lebanon after graduating.

Nadine’s role was to identify solutions to manage complex child protection cases and ensure UN Partner work complied with international policies and procedures. “I was in charge of the ‘Street and Working Children’ program handover – a huge success in assisting families to take their children off the street – and trained UNHCR implementing partners and government entities on various case management assessments and referral pathways.” This work strengthened my values and gave me more confidence to advocate for the issues I feel strongly about – when you work with UNHCR, it owns a piece of your heart forever.

Your UniSA law degree can take you anywhere and can create real impact – the possibilities are endless.

“Employers often tell us that UniSA law graduates show strength in taking initiative with a ‘can do’ attitude and are prepared for the challenges of the legal profession. Our industry connections allow students to hear from experts about how the law is applied, which adds an invaluable element to their learning. As a former lawyer and now teacher and researcher, I want to prepare students for their future careers as legal professionals, and we have so many fantastic members of the legal community who are pleased to share their time and expertise.”

PRACTICAL LEARNING
We offer more than 200 world-class degrees across a wide range of study and career areas. You will learn in a highly practical environment with a focus on real-world applications. You can also take the opportunity to complete an internship or placement during your studies, learning from experts and building work-ready skills.

WORLD-CLASS FACILITIES
Study in modern, purpose-built facilities across all six UniSA campuses. Learn with the latest industry-standard tools and technologies that will take you from the classroom to the workplace. This includes state-of-the-art laboratories, community clinics, creative studios, collaborative learning areas and simulation spaces.

GLOBAL OPPORTUNITIES
Broaden your thinking and see the world through a range of global opportunities. Travel overseas through a student exchange, short-term program, internship, volunteering opportunity or study tour. Graduate with international experience and the skills to take on new challenges.

TOP RANKING TEACHERS
Make your study experience relevant by learning from highly qualified academics and industry professionals with curriculum informed by the latest insights and trends. In fact, we’re ranked number one in South Australia (QILT: Student Experience Survey) and amongst the best young universities in Australia (THE Young University Rankings) for teaching quality.

REAL RESEARCH
Our research is inspired by challenges. We produce new knowledge that provides real solutions for industry, businesses and the wider community. You will even explore new concepts and findings in your chosen degree, influenced by our world-class research outcomes.

POWERFUL PARTNERSHIPS
We collaborate with more than 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry during your studies and build your professional networks before you graduate.

LEARN A LANGUAGE
Develop the skills you need to work internationally by studying a second language. Learn French, Italian, Japanese or English (for speakers of English as a second language) through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree.

Daniella Carling
Law graduate
Solictor, Andreyev Lawyers

"My degree helped me secure a professional role in a law firm while still studying — I focused on estate planning and litigation as a law clerk, then won my current position shortly after graduating. From reviewing contracts to going to court, my work is always changing, which I find is the best way to learn. Studying law at UniSA is fantastic because whether you wish to specialise in a particular area or practise general commercial law, you’ll be set."

"My day-to-day involves drafting and reviewing contracts, as well as advising on corporate and commercial matters. Working in a small firm has also given me the opportunity to be involved in the mechanics and operations of the business, which is something I enjoy. I hope to one day own and run my own legal practice and mentor young graduates – experience is key and you never know how an opportunity may flourish into a rewarding career.”

Our research degrees are designed to give you expertise and help make a difference to society. You will help to solve real world problems, partner with end-users of research, and develop skills for research excellence with career relevance.

We offer a wide range of research projects across a variety of research areas that are developed by teams of world-class researchers who will supervise you during your studies.

Join an academic community recognised for first-class research in law. Create new knowledge with impact, solve real world problems, generate enterprising and innovative solutions, and help organisations thrive.

Develop the skills to independently design and execute original research and learn under the guidance of highly experienced supervisors, visiting scholars and researchers. Partner with industry, government, communities and education providers to influence decision making and challenge current thinking. Benefit from links to other research institutions across Asia, North America, Europe and the UK, and be inspired by over 200 external partners who support our research.

Entry requirements

• A research degree is available for someone who has completed a previous degree. Normally, to be eligible for admission, candidates must hold a previous degree (or equivalent) that encompasses the knowledge and skills requirements within their degree, followed by the completion of Practical Legal Training.

• Note 2: Students seeking admission to practise law must satisfy a number of specified course criteria. It is also possible to develop your own research project by negotiation. Please contact the Graduate Research Admissions team for further guidance.

• Masters by Research

• Bachelor degree (or equivalent) of at least three years in a relevant discipline with a minimum credit average; or

• Honours degree in Bachelor of Laws with a minimum credit average; or

• An equivalent master’s degree (or equivalent).

• Doctor of Philosophy (PhD)

• Honours degree in Bachelor of Laws with a minimum credit average; or

• An equivalent master’s degree (or equivalent).

Alternative entry

• Other applicants may be considered for admission if their previous education, professional experience and published research work is of sufficient quality and relevance to prepare the applicant for a research degree.

• Honours degree in Bachelor of Laws with a minimum credit average; or

• An equivalent master’s degree (or equivalent).

• Application fees may be considered for students of previous education, professional experience and published research work of sufficient quality and relevance to prepare the applicant for a research degree.

STUDY AT UniSA – THE BASICS

APPLYING WITH YEAR 12 RESULTS
Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:
- A competitive Selection Rank (ATAR + Adjustment Factors);
- Fulfilment of the degree’s prerequisite requirements (where applicable).
Applicants may also be eligible to compete for entry if they have completed the degree’s prerequisite requirements and one of the following:
- An interstate or overseas qualification considered by the University as equivalent to SACE, or
- The International Baccalaureate Diploma with a minimum score of 24 points.

ADJUSTMENT FACTORS
Australian high school students applying for university study may be eligible for Adjustment Factors (previously known as bonus points). These are based on set equity factors and/or subject choices (see below).
They’re automatically added to your ATAR giving you a more competitive Selection Rank score for entry.

STUDY AT UniSA – THE BASICS

GUARANTEED ENTRY
There are a few ways to guarantee your place at UniSA:
Year 12 Grades Guaranteed Entry – UniSA offers guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that’s it, you’re automatically in.

Selection Rank Guaranteed Entry – UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you’re in. There’s nothing more you have to do.
Some degrees also have prerequisites and other eligibility criteria for entry that you’ll still have to meet.

VET Guaranteed Entry – UniSA offers guaranteed entry based on successfully completed VET qualifications. If your completed VET award meets the set VET Guaranteed Entry, you have met all prerequisites, and specific entry requirements, and you’ve listed the degree as your first preference, you’re guaranteed an offer.

ALTERNATIVE PATHWAYS
Entering your chosen degree straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following:

UniSA College – there are a variety of pathway options offered through UniSA College, including diplomas, Foundation Studies and the Aboriginal Pathway Program.

STAT – a competitive Special Tertiary Admissions Test (STAT) score – based on 70 multiple choice questions designed to assess your aptitude for tertiary study. A personal competences statement or relevant employment experience alongside your STAT score may also be considered for some degrees.

TAFE/RTD – applicants may be eligible for entry with the completion of an award from TAFE or another Registered Training Organisation at AQF Certificate IV or higher.

Tertiary transfer – completion of at least half a year of full-time equivalent study at UniSA or a recognised higher education institution. You can apply using your competitive Grade Point Average (GPA).

SABTP – there are a range of bridging qualifications offered through the South Australian Institute of Business & Technology.

Check out our online Guaranteed Entry Calculator.

SCHOLARSHIPS
We offer a wide range of scholarships and grants to support students from all walks of life.
Each year, more than 2,500 students benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and overseas travel.
Go online to check what you might be eligible for.

HOW TO APPLY
Applications to most UniSA degrees are administered through the South Australian Tertiary Admissions Centre (SATAC). Go to our website for all the information you need about how to apply.

FEES
All domestic undergraduate students at UniSA are in Commonwealth-supported places. Students in these places pay a contribution of their fees depending on the program chosen and the contribution band in which those courses are classified (see table below).

The amount of your student contribution also depends on the unit value of your courses of study.

As per the Australian Government guidelines, the student contribution amounts for 2021 are:

<table>

*Some postgraduate programs are also Commonwealth-supported (or CSP), while others are full fee-paying. This is based on applicable programs in the guide. For programs under 12 month full-time study, fees are listed as the whole program fee (indicative of 2021). For programs over 12 months full-time study, fees are listed based on the cost per annum (indicative of 2021). For more information on fees, including eligibility for Commonwealth-supported places, defining your student contribution through HECS-HELP or FEE-HELP loans, please visit unisa.edu.au/fees.
This table should be used as a guide only. Total costs can vary depending on the courses you study and the band they fall into.

Band determined by program plan.
