STUDY NEAR, GO FAR WITH UniSA.

Start your unstoppable career at UniSA — South Australia’s number one university for graduate careers.

We are the largest university in the state with more than 35,000 students and a footprint across four metropolitan and two regional campuses, located in Whyalla and Mount Gambier.

We are also a young university with a big focus on creating more pathways and access into higher education, with an innovative approach to educating tomorrow’s professionals.

UniSA partners with more than 2,500 companies both locally and around the world to bring our students placement, project, research and work opportunities. You will learn in a highly practical and supportive environment so that you will be a confident and career ready graduate that can take on the needs of a changing world.

We are Australia’s University of Enterprise.

EXPLORE YOUR STUDY OPTIONS

We deliver world-class education to all students, whether you’re in a regional community or capital city. You can study locally at our Whyalla Campus, online so you can stay close to home or have greater flexibility, or you can explore the 200+ degrees offered at one of our campuses in Adelaide.

Vandana Sharma
Nursing graduate
Study at South Australia’s largest regional university campus. Situated on a 22-hectare site, UniSA’s Whyalla Campus is the major centre of tertiary education for the northern and western regions of the state.

Experience flexible learning and quality teaching with the benefit of a relaxed environment, practical learning opportunities, small class sizes, tailored support services and strong community connections.

We offer degrees in key areas such as education, nursing and social work, along with alternative entry programs, reflecting the needs and priorities of the region.

GET CAREER READY

We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. You can take part in internships and placements, student exchange programs and volunteer opportunities during your studies. Our Career Services team is also there to support you and get you ready for the workplace.

CONNECTED LEARNING

Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of on-campus and online learning. The Whyalla Campus is also home to one of the nation’s fastest network systems, ensuring that students are well connected and have access to the best internet speeds.

FLEXIBLE STUDY

Enjoy flexible learning through part-time, online and blended study options. This allows you to travel, work and study from any location. We offer:

- Flexible degrees with a combination of online/on-campus learning.
- The option to choose specific online subjects within your degree.
- 100% online degrees delivered by UniSA Online.

Students studying online can access all campus facilities, including computer pools, library resources and student support services. For more information see page 18.

CAMPUS FACILITIES

We have invested heavily in our campus facilities to provide purpose-built learning spaces for our students. The Whyalla Campus features health laboratories, providing an optimised clinical training experience, along with simulated classrooms for education students to practise in-class activities. We have invested $500,000 in new campus upgrades, including a Green Screen Recording Studio and fully-equipped Technology Suite. There is also on-campus computer pools, study desks, meeting spaces, recreation areas and accommodation facilities.

STUDENT EXPERIENCE

It’s important that you feel supported during your studies. Students have access to our on-campus Regional Student Support Officer in addition to a full-range of services, including study support, personal counselling, disability services and career services. Our Campus Central team is located on-site and can point you in the right direction. We also have tailored services for Aboriginal students, including study assistance and mentoring opportunities.

TAKE A VIRTUAL TOUR OF OUR WHYALLA CAMPUS

unisa.edu.au/virtualcampustours
THE PERFECT STUDY DESTINATION

Many students from the Eyre Peninsula, Port Augusta and Port Pirie regions choose to study at the Whyalla Campus. There are many benefits to studying locally, including:

- The ability to condense your timetable and drive home for extended weekends and holidays.
- Small class sizes and personalised support.
- Affordable on-campus accommodation.
- Excellent industry connections for placement and employment opportunities.
- Purpose-built learning facilities.

CONNECT WITH US  facebook.com/UniSAWhyalla  instagram.com/unisawhyallacampus

“Graduates from the Whyalla Campus are securing jobs in our regional communities due to the excellent links we have with local industry and our practical approach to teaching and learning.”

Paul Havelberg | UniSA Regional Manager, Whyalla

UniSA College pathways: Foundation Studies, Aboriginal Pathway Program or Diploma in Health
Prerequisites: none
Assumed Knowledge: none

Become a Registered Nurse and make a positive contribution to the healthcare sector. Develop the knowledge, clinical skills and attitudes needed for professional practice in a range of settings. Benefit from a strong focus on theory and practical experience, including access to our unique clinician-led, hospital and health service on campus, which includes authentic hospital wards, clinical units and community areas. Be prepared to meet healthcare delivery requirements for the 21st century and respond to Australian and international healthcare priorities and trends.

Focus on four key areas of nursing practice during your studies, including: collaborative and therapeutic practice, critical thinking and analysis, professional practice, and provision and coordination of care. Learn about cultural competence, evidence-based practice, mental health, primary health, professional communication, and safety and quality. Complete more than 900 placement hours starting in your first year of study.

Graduate with the academic requirements needed for registration as a Registered Nurse with the Nursing and Midwifery Board of Australia (NMBA).

Note 1: To meet entry requirements, applicants must consider the professional registration requirements, including the English Language Skills standard and complete a declaration stating how they will demonstrate their English language competency, as determined by the Nursing and Midwifery Board of Australia (NMBA).

Note 2: Once enrolled, students will be required to meet Fitness to Practice in Clinical Placements requirements, including the English Language Skills standard and complete a declaration stating how they will demonstrate their English language competency, as determined by the Nursing and Midwifery Board of Australia (NMBA).

Note 3: Students in this program must be registered with the relevant National Board. This process is completed by the University after enrolment and no fees apply.

CAREERS

Registered nurses can work in a variety of healthcare settings, including: hospitals, primary health and community support services, aged and rehabilitative care, schools, home-based services, drug and alcohol treatment centres, community health organisations, mental health services, international aid agencies, correctional facilities.

UniSA College pathways: Foundation Studies, Aboriginal Pathway Program or Diploma in Arts
Prerequisites: none
Assumed Knowledge: none

Prepare for a rewarding career in social work. Learn to enhance the wellbeing of others through advocacy, social change, relationship building and empowerment. Focus on four major study areas, including social work theory, social work practice and skills, social policy, and social research.

Develop knowledge of various social work practices and their application with individuals, families, communities, groups and organisations. Learn how to identify the social policies that impact people’s lives and the strategic ways to implement change. Interpret, evaluate and conduct relevant social analysis exploring current real-world challenges.

Focus your degree by choosing to incorporate a minor in Children, Families and Society. Access our custom-built social work studio to practise your skills through simulated scenarios. Gain valuable professional experience through industry placements in your final years of study. Attend classes on campus with the possibility to study some courses online. Graduate with a degree recognised by the Australian Association of Social Workers and be eligible for full membership.

Note: Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. Some placements may also require students to hold a current driver’s licence and/or additional requirements as requested by the placement provider.

CAREERS

Social workers can work across a wide range of sectors and settings, including:

Mental health • homelessness • child protection • correctional services • domestic violence • aged care • schools • disability services • policy work • community services • refugee services

Rural Social Work
Elective Off-Minor

Social Work Field Education 2
Professional Development

Preparation for Field Placement
Elective Off-Minor

Human Service Workers and the Law
EXPLORE A CAREER IN AGEING AND DISABILITY

You can study a Bachelor of Social Science (Ageing and Disability) through flexible learning, combining both on-campus and online delivery.

Develop the knowledge and skills to meet the social and emotional needs of individuals, families and carers involved with the elderly and disabled.

Learn to navigate major systems such as the Australian National Disability Insurance Scheme (NDIS) and My Aged Care policies, inform social policy development, enhance service provisions, and promote social inclusion within the ageing and disability sectors.

Gain valuable work experience and build professional networks by completing more than 500 hours of supervised field placements throughout your degree.

unisa.edu.au/human-services

START A REWARDING CAREER IN MIDWIFERY

If you’re a Registered Nurse located in regional South Australia looking to become a midwife, you may be interested in studying a Bachelor of Midwifery through our registered nursing pathway option.

You will be able to study the program online with intensive clinical workshops completed at the Whyalla Campus.

Please note: Students in Whyalla need to apply for this program with the external SATAC code: 440245

unisa.edu.au/study-midwifery

“I grew up caring for my elderly grandparents, so for me, helping people is one of the most rewarding feelings and why I chose to be a nurse. This degree helped me to develop a positive can-do attitude and I was able to undertake placements in both aged care and in a hospital environment, giving me experience in different healthcare settings.”

Vandana Sharma | Nursing graduate

“I really enjoyed my third-year placement at a local school, where I was able to be part of their counselling program, working with young people and hearing their stories. I also completed a placement at the Whyalla Hospital, which gave me real insight into people’s experiences within the mental health system.”

Jayde Burk | Social work graduate
Bachelor of Early Childhood Education (Honours) (Whyalla)

**Emma Finch | Early childhood student**

"Completing Child Studies at high school inspired me to study at university. I really enjoyed visiting classrooms, kindergartens and special schools, and observing and assisting children’s different learning needs. Living just outside of Whyalla, I only have to travel a small distance to campus, so it’s been really convenient and I can access all of the facilities and connect with my teachers."

---

"Build a rewarding career as an early childhood teacher and educator. Graduate career ready and with professional honours in just four years. Gain a competitive advantage through industry-relevant coursework, highly practical learning and applied research. Focus on the learning and development of children from birth to eight years of age. Develop foundational knowledge in education studies, curriculum planning, professional experience and leadership. Complete three courses in a primary specialism (Learning Area) of your choice to meet the national registration requirements for birth to eight years of age. Learning Areas include Arts, English, Languages (Italian only) or Mathematics/Science. Benefit from highly practical learning with 110 days of field based placements starting in your first six months of study. Enjoy the option of flexible learning, including online and part-time study."

Secondary school teacher · senior coordinator · education consultant · youth support officer · education policy adviser · researcher

Students will attend on-campus lectures, tutorials, practicals, workshops and seminars. Major and sub-major courses will be studied online. All professional placements must be completed in-person.
“Studying in a small town with tutors who were involved with the local schools provided me opportunities to further explore my passion for teaching and establish connections with future employees and experienced educators.”

Jordyn Meacham
Primary education graduate
UniSA COLLEGE

UniSA College offers alternative entry programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student, learn from UniSA staff and have access to a full-range of support services. After successfully completing your UniSA College program, you will then be able to seamlessly transfer into a wide range of UniSA degrees. See page 12 for more information.

SPECIAL TERTIARY ADMISSIONS TEST

If you don’t have a competitive result from Year 12, TAFE/RTO or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT – a two-hour test made up of 70 multiple choice questions designed to measure your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry with other special entry applicants. To be eligible, you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. We also offer full-day workshops to help you prepare.

VET GRADUATES

A completed Certificate IV, diploma or advanced diploma from TAFE or another RTO may be all you need to apply for a UniSA degree. If your completed VET award meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you’re guaranteed an offer. If you’re successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program.

MORE OPTIONS...

- Completion of a linked SAIBT diploma
- Completion of courses through Open Universities Australia (OUA)
- Completion of courses at another recognised university

unisa.edu.au/pathways
ADJUSTMENT FACTORS

If you’re a high school student applying for university, did you know that you could be eligible for bonus points? These are based on set equity factors and/or subject choices.

unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY

Take the stress out of waiting for a university offer by exploring UniSA’s Guaranteed Entry option, which is available for many of our degrees. If your Selection Rank (ATAR including Adjustment Factors) or VET award meets our Guaranteed Entry score, you have met any prerequisites or specific entry requirements, and you have listed the degree as your first preference, you’re guaranteed an offer.

unisa.edu.au/guaranteed

**Prerequisites:** none

**Assumed knowledge:** none

Study this free* one-year program with no minimum qualifications required for entry. Develop the foundation needed to study at a tertiary level, including critical writing, communication, research and study skills. You can also choose elective courses as an introduction to a specific area of interest, such as health, education, arts, social sciences, information technology, engineering and the environment or business. After you have successfully completed this program, you can use your competitive Grade Point Average (GPA) to apply for any UniSA degree.

*Students will be required to pay the Student Services and Amenities Fee determined by the Australian Government.

**FURTHER STUDY**
After successfully completing the Foundation Studies program, you can use your GPA score to competitively apply for one of UniSA’s 200+ world-class degrees. You will have the option of studying locally at the Whyalla Campus, choosing a flexible online degree, or relocating to Adelaide depending on your chosen program. You can also apply for a 100% online degree through UniSA Online. Explore our degrees at unisa.edu.au/study or unisaonline.edu.au.

**Entry requirements**
- No formal minimum entry requirements apply.
- Applicants who have not completed SACE or a Certificate III must be at least 18 years old before February 1st of the year of intended enrolment for Study Period 2, or 18 years old before July 1st for enrolment in Study Period 5.
- In addition, applicants must be an Australian citizen, a New Zealand citizen or the holder of an Australian permanent visa; AND
- Meet the relevant citizenship and residency requirements for a Commonwealth Supported Place.

Applicants who have completed a TAFE/VET award at Certificate IV or above, or who have studied at the higher education level will not be considered for admission into this program.

Students will attend on-campus lectures, tutorials, practicals, workshops or seminars; some study may be able to be completed online.
I was working in a field that wasn’t for me, so I went travelling, became a mother and then decided I wanted to do something completely different. I joined the Aboriginal Pathway Program and it was one of the best decisions I’ve made.”

Wyarta Miller | APP and digital media student

UniSA College also offers a range of two-year diplomas, designed to provide direct entry into popular UniSA and UniSA Online degrees.

You will enrol as an external student and complete a blend of both on-campus and online study, with full access to student support services through the local Whyalla Campus.

In your first year, you will complete introductory courses relating to your chosen area of study, as well as core courses that will develop your critical writing, communication, numeracy and research skills. In second year, you will study first-year courses from your chosen UniSA degree. There are also packaged diploma options, which will guarantee your place into the linked UniSA bachelor degree (subject to academic criteria).

UniSA College diplomas include:
- Diploma in Arts
- Diploma in Business
- Diploma in Construction
- Diploma in Engineering
- Diploma in Health
- Diploma in Information Technology
- Diploma in Science and the Environment

unisa.edu.au/college
We want you to achieve your best, so we offer a variety of study support services. You can access online learning resources, talk with a learning adviser, connect with a mentor, and receive free after-hours tutoring online. We also have a Regional Student Support officer on campus that can provide additional tailored support, along with our Study Help PALS. They are current UniSA students who provide friendly, informal support with assignment writing, referencing and building your overall study skills.

unisa.edu.au/studysupport

We want to get you career ready, so you can access our career services from first year. Make the most of our online Career Hub with a wide range of self-help resources, including tips on resume writing and practising your interview skills. There are professional job listings with some that are exclusive to UniSA students. You can also connect with a career adviser for help with career planning and attend industry events to build your professional networks.

unisa.edu.au/careers

All UniSA students can access free and confidential face-to-face counselling to help manage a personal issue or to talk through any pressure points during your studies. We partner with local providers so that you can get independent support and advice when you need.

unisa.edu.au/counselling

Our services range from facility and access requirements through to developing individual action plans for all students with a physical disability, mental health issue or medical condition.

unisa.edu.au/access-inclusion

We have teams to support the specific needs of our Aboriginal students, including tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on campus and online. We also have an Aboriginal Student Engagement Officer on campus who can provide additional tailored support.

unisa.edu.au/Wirringka

All UniSA students can download the free SafeZone app, providing additional security and support when studying on campus. The app allows you to get help quickly in a personal emergency or if someone else needs first aid or general assistance. You can check-in when working alone or after hours, sharing your status with the UniSA security team. You can also receive notifications so you know what to do in an emergency situation.

CAMPUS LIFE

CAMPUS CULTURE
Make the most of your university experience by getting involved with a range of social activities, clubs and volunteering opportunities. Enjoy delicious food at our refurbished café on campus, chill out in the student lounge, study in collaborative computer pools, and make new friends along the way. If you’re interested in building your leadership skills, we also offer unique scholarships that will give you the opportunity to develop new initiatives and events to enhance the overall student experience.

EVENTS AND WORKSHOPS
We host several events throughout the year starting with a Welcome Party as part of Orientation. Other events on the calendar include, celebrations for Multicultural Week and Reconciliation Week, family days and other off-site social events. There are also learning workshops hosted on campus through virtual classrooms to help with your studies.

YOUR STUDENT ASSOCIATION
Connect with your student association – USASA. They are your voice at university and are responsible for advocacy work, organising social events, producing the student magazine and coordinating all student clubs.

unisa.edu.au/USASA

GLOBAL EXPOSURE
Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.

International travel is subject to Australian Government guidelines.

unisa.edu.au/globalopportunities

SCHOLARSHIPS
Every year, more than 2,500 students benefit from our scholarships and grants. These are available to help students with the cost of their studies. There are a number of grants specifically available for local students after enrolment, including the Whyalla City Council Student Grant and the Kindred Living Whyalla Nursing Grant.

unisa.edu.au/whyalla-scholarships

To find out the full range of what you might be eligible for, go to our online scholarships search engine.

unisa.edu.au/scholarships
The Whyalla Campus features on-site accommodation at the Student Residential Village. Students have their own bedroom and share a bathroom with one other student. A fully-furnished kitchen and common living area means you can interact and study with your peers. Lecture and tutorial rooms are only a short walk away and the complex is monitored by on-going security. Off-street parking is available along with a lockable storage shed suitable for bicycles and other items. A BBQ area, volleyball court and basketball court complete the space and help to create a fun and balanced lifestyle. Applications are accepted for shorter and longer-term stays at a very affordable cost.

IN THE COMMUNITY

BUSINESS GROWTH
UniSA is focused on collaborating with local organisations and the community to drive advancements that contribute to a better society through providing access to a range of support programs, including:

Student Internship Program – creating local opportunities for UniSA students to undertake real-world projects in current workplace settings.

Innovation & Collaboration Centre (ICC) – through the regional incubator hub at Whyalla, providing support for early-stage business ideas and startups.

Executive Education – developing bespoke programs to build better enterprises and business leaders in the region.

Centre for Business Growth – programs that provide CEOs/MDs and executives with the knowledge and skills they need to develop as leaders, accelerate company growth and compete in a global marketplace.

HEALTHY FUTURES
Our Whyalla Campus is home to the UniSA Rural Health Clinic, offering podiatry and physiotherapy services to help meet local community needs. The public can access a range of health services, including biomechanic assessments, lower limb treatments, nail surgeries, and more. The initiative also supports placement opportunities, with students learning under the guidance of qualified professionals from the local Whyalla Hospital.

COMMUNITY SPONSORSHIPS
We support a wide variety of groups and initiatives, celebrating the local community spirit, including:

- Whyalla Chamber of Commerce
- Solstice Media Regional Showcase
- Science Alive
- Science and Engineering Challenge
- Youth Opportunities
- Whyalla Tourism Advisory Group
- Edward John Eyre High School
- Samaritan College
- Whyalla Education Partnership
- High School’s Academic Achievement Awards
- GFG Foundation

“I was really nervous about moving to Whyalla, but I have made some amazing friendships through the student accommodation. There is always someone to talk to! The Whyalla Campus is so supportive and fantastic for student involvement. You never feel alone.”

Diane Wilkins | Primary education student
FLEXIBLE LEARNING

In a busy world, we want to give our students flexibility in their studies. This includes online, blended and part-time learning.

All UniSA students learning online can access all campus facilities in Whyalla, including computer pools and dedicated learning spaces, along with student services such as study support and personal counselling. You can benefit from flexible learning, but still feel supported and part of the campus culture along the way.

Students that choose to study online are also welcome to access facilities at our Port Lincoln Study Centre.

Your study modes

- **ON-CAMPUS**
  some optional online study is available

- **ON-CAMPUS/ONLINE**
  blended learning combining both on-campus and online study

- **100% ONLINE**
  through UniSA Online

ACCESS RESOURCES ONLINE, ANYTIME

No matter how you decide to learn, either on-campus, online or through a blended mode, you will have access to custom online platforms that will further support your studies at UniSA.

**myUniSA portal**

Your myUniSA Student Portal is where you will go for all your study-related information and resources. It’s the first page that appears after you login as a UniSA student.

You will find quick links to enrolment, courses, emails, announcements, assignment details and academic records, as well as access to Campus Central, AskIT, the Library, Career Services, your student association, and more.

Online learning platform

Each of your courses (subjects) will have its own Learnonline site, which is your central platform for accessing key course information, your course outline, weekly readings and resources, lecture recordings, discussion forums, and more.
You can study an Associate Degree in Engineering 100% online through UniSA Online giving you the ultimate flexibility. This will prepare you for a professional career in engineering and introduce you to key engineering foundations. You can choose from four start dates in Jan, Apr, Jun or Sept.

unisaonline.edu.au/asc-deg-engineering

SUPPORT SERVICES
UniSA Online provides unique support services over extended hours – including on weekends – so you can get help when you need it. Whether it’s for assignments, referencing, administrative or technical supports, you will have access to a team ready to assist you every step of the way.

→ ACCESS ONLINE ACADEMIC SUPPORT SEVEN DAYS A WEEK
→ CONNECT WITH A DEDICATED STUDENT ADVISER
→ ACCESS TECH SUPPORT 24/7

STUDY ON DEMAND
Take full control over your studies with our 100% online degrees delivered through UniSA Online. Study anywhere, any time and on any device.

UniSA Online degrees include:

- Associate Degree in Engineering
- Bachelor of Business (Financial Planning)
- Bachelor of Business (Human Resource Management)
- Bachelor of Business (Management)
- Bachelor of Business (Marketing)
- Bachelor of Commerce (Accounting)
- Bachelor of Communication
- Bachelor of Community Health
- Bachelor of Construction Management
- Bachelor of Construction Management (Honours)
- Bachelor of Criminal Justice
- Bachelor of Data Analytics
- Bachelor of Digital Media
- Bachelor of Information Technology
- Bachelor of Health Science (Nutrition and Exercise)
- Bachelor of Marketing and Communication
- Bachelor of Psychological Science and Sociology
- Bachelor of Psychology
- Bachelor of Public Health

“Studying a 100% online has opened the door to many opportunities. I initially thought online study would be isolating, but I have been pleasantly surprised at the accessibility to staff who are on-campus and the easy navigation of the online learning platform. As someone who didn’t complete high school, I initially studied the Diploma in Business, which set me up for success.”

Tania Newton | Management student

DID YOU KNOW? As a UniSA Online student you still have full access to the facilities, resources, events and support services available at the Whyalla Campus. If you’re interested in studying with UniSA Online, you can apply directly at

unisaonline.edu.au

STUDY ENGINEERING 100% ONLINE
You can study an Associate Degree in Engineering 100% online through UniSA Online giving you the ultimate flexibility. This will prepare you for a professional career in engineering and introduce you to key engineering foundations. You can choose from four start dates in Jan, Apr, Jun or Sept.

unisaonline.edu.au/asc-deg-engineering
RELOCATING TO ADELAIDE

As a regional student, you can also choose to relocate and study at one of the UniSA campuses in Adelaide. Depending on your chosen degree, you might be based at City West, City East, Magill or Mawson Lakes. Here are some useful tips to help you make a smooth transition.

BEFORE YOU ARRIVE

Explore your study options
Go online and find out more about the 200+ degrees we offer, including entry requirements, what subjects you will study, career outcomes, and more.

unisa.edu.au/study

Check for scholarships
UniSA offers a wide range of scholarships, including the UniSA Rural Connect Scholarships, which help rural and regional students fund their relocation to study in Adelaide. Check out the online scholarships search engine to see what you may be eligible for.

unisa.edu.au/scholarships

Look into accommodation
There are a variety of student accommodation options available, including UniSA’s Student Accommodation by Urbanest, offering modern apartments in the heart of the Adelaide CBD. It’s important to start this process early, so visit our website and connect with one of our dedicated advisers.

unisa.edu.au/accommodation

AFTER YOU ARRIVE

Access support services
We offer an extensive range of support services to help you succeed at university. From study support to personal counselling, we are here to help. Check out the resources available online or visit your local Campus Central team.

unisa.edu.au/studentservices

Have a travel plan
Take the time to map out how you will get to and from campus. You can make the most of Adelaide being a smaller capital city and drive, cycle or catch public transport. Parking at the suburban campuses is very affordable, and bike storage and showers are available at all campuses.

unisa.edu.au/campus-facilities

Plan your career
It’s important to explore your career options and understand where your degree can take you. Our Career Services team provides on-campus advice and support, along with a variety of online resources. They can also help you to find paid or unpaid volunteer, internship and employment opportunities, and they host workshops and events throughout the year so you can develop your professional knowledge and skills.

unisa.edu.au/careers

Study overseas
Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.

International travel is subject to Australian Government guidelines.

unisa.edu.au/globalopportunities

DISCOVER OUR DIFFERENT CAMPUSES BY TAKING A VIRTUAL TOUR
unisa.edu.au/virtualcampustours
HOW TO APPLY
