Play a crucial role in the lives of children, young people and adults. Build an unstoppable career path as a teacher, ranging from childhood education through to adult learning, and help shape the minds of future generations. Gain practical teaching and learning experience through professional placements and access the latest in teaching technologies on campus.

⊘ *unisa.edu.au/study*

BE CLASSROOM READY

Having practical classroom experience is important, that's why we get you to start placements in your first year of study. You'll complete up to 110 days of professional experience during your degree in a range of early childhood, primary and secondary settings, with placements offered in both metropolitan and rural schools.

GET THE HONOURS EDGE

Did you know that you'll graduate with honours if you study an education degree at UniSA? You'll study a top-ranking degree with a difference, giving you the ultimate edge in the graduate employment market. We want you to be classroom ready, so you'll start field-based placements from your first semester of study. You'll tailor your degree by choosing your Learning Areas aligned with the Australian curriculum and choose from a wide range of elective courses that focus on areas like teaching children with disabilities, rural and regional education, and exploring how peer relationships impact health and wellbeing.

WHAT'S INDUSTRY SAYING?

"In supporting early career teachers, we have found UniSA graduates to be passionate educators with great subject knowledge and organisational skills. These graduates have consistently demonstrated confidence in their teaching and engaging students in authentic learning experiences."

Jacqui van Ruiten | Principal | Norwood International High School

STUDY TEACHING YOUR WAY

Tailor your education degree through a range of flexible study options across multiple campus locations. We offer our early childhood and primary education degrees at the Magill, Mawson Lakes, Mount Gambier and Whyalla campuses. You can also study these degrees partially online. Our secondary education degrees are offered at the Mawson Lakes, Mount Gambier and Whyalla campuses, and you'll have access to purpose-built learning spaces fitted with the latest tools and technologies.

WANT TO BE A HIGH SCHOOL TEACHER?

Study our Bachelor of Secondary Education (Honours) degree and get the qualification you need to teach up to Year 12 in subjects that interest you most. You'll be ahead of the pack by starting classroom placements in your first year and will graduate in just four years of study. You can also study a packaged program by choosing from a range of undergraduate degrees and pairing it with the Master of Teaching (Secondary), giving you two qualifications in five years. See page 12.

Josh Lamb, UniSA Secondary Education Graduate / Teacher, Gleeson College.

PREPARING NEXT GENERATION TEACHERS

Contemporary education is being shaped and transformed by the rise and advancement in new technologies. Magill Campus is home to our early childhood and primary education degrees and the Samsung SMARTSchool.

Combining Samsung's innovative technologies with UniSA's world-class research into teaching practice, this state-of-the-art facility provides an enriched learning environment that embraces what technology can bring to the classroom and other learning environments.

Students are able to explore new ways of learning and problem-solving through innovative teaching supported by video walls, interactive whiteboards, tablets, smartphones and virtual reality headsets.

Elise Phillips, UniSA Early Childhood Graduate / Teacher, Redwood Park School.

MEET YOUR TEACHER

"There is a huge emphasis at the moment on real-world experience being an important part of higher education, but this is only part of the story. Making sure that our emerging professionals learn from these experiences is our real strength. Our approach allows our students to interpret their experiences, and then to apply the learning within the safety of a well-supported learning environment."

Associate Professor Simon Leonard | STEM Education

PRACTICAL LEARNING

We offer more than 200 world-class degrees across a wide range of study and career areas. You'll learn in a highly practical environment with a focus on real-world applications. You can also take the opportunity to complete an internship or placement during your studies, learning from experts and building work-ready skills.

TOP RANKING TEACHERS

Make your study experience relevant by learning from highly qualified academics and industry professionals with curriculum informed by the latest insights and trends. Our teachers are also researchers who bring new and emerging findings into the classroom — so you'll have access to incredible knowledge, which will help inform your studies and professional practice.

WORLD-CLASS FACILITIES

Study in modern, purpose-built facilities across all six UniSA campuses. Learn with the latest industry-standard tools and technologies that will take you from the classroom to the workplace. This includes state-of-the-art laboratories, community clinics, creative studios, collaborative learning areas and simulation spaces.

POWERFUL PARTNERSHIPS

We collaborate with more than 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry during your studies and build your professional networks before you graduate.

GLOBAL OPPORTUNITIES

Become a UniSA Global Citizen through a range of overseas opportunities and virtual experiences. You can travel and complete a student exchange, short-term program, internship, volunteering opportunity or study tour. Or, you can develop your cultural intelligence through interactive online learning, including virtual project work.

REAL RESEARCH

Our research is inspired by challenges. We produce new knowledge that provides real solutions for industry, businesses and the wider community. You'll even explore new concepts and findings in your chosen degree, influenced by our world-class research outcomes.

UniSA *ACCELERATE*

You can kickstart your UniSA business degree early through the UniSA *ACCELERATE* program. Study up to two courses through UniSA Online while you're in Year 12 and guarantee your place into one of our many business degrees with study credit. You can also choose to count this study towards your SACE Stage 2.

⌖ *unisa.edu.au/accelerate*

LEARN A LANGUAGE

Develop the skills you need to work internationally by studying French Italian, Japanese or English through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree. Entry criteria apply.

⌖ *unisa.edu.au/languages*

GET CAREER READY

As a UniSA student, you'll have full access to the Career Services team. Their job is to get you career ready before you graduate. They lead a career development program, have active job boards, host workshops and produce online resources — like templates for creating awesome resumes. You can also connect with a career adviser, attend industry events or visit them on campus for on the spot advice.

HOW TO BECOME A TEACHER

EARLY CHILDHOOD

Bachelor of Early Childhood Education (Honours)

Available at Magill, Mawson Lakes, Mount Gambier and Whyalla campuses.

We also offer flexible postgraduate study options through the two-year Master of Teaching (Early Childhood). See page 26.

↓

Choose a Specialism:

· Arts
· English
· Languages
  > French
  > Italian
  > Japanese
· Mathematics/Science
· Religious Education (Catholic Studies)

Specialisms available at Mount Gambier and Whyalla campuses include Arts, English, Languages (Italian only).

↓

Apply to the Teachers Registration Board of South Australia

PRIMARY

Bachelor of Primary Education (Honours)

Available at Magill, Mawson Lakes, Mount Gambier and Whyalla campuses.

We also offer flexible postgraduate study options through the two-year Master of Teaching (Primary). See page 27.

↓

Choose a Specialism:

· Arts
· Design and Technology
· English
· Health and Physical Education
· Humanities and Social Sciences
· Languages
  > French
  > Italian
  > Japanese
· Mathematics
· Religious Education (Catholic Studies)
· Science

Specialisms available at Mount Gambier and Whyalla campuses include Arts, English, Languages (Italian only), and Humanities and Social Sciences.

↓

Apply to the Teachers Registration Board of South Australia

SECONDARY

Choose one of the following:

Bachelor of Secondary Education (Honours)

Available at Mawson Lakes, Mount Gambier and Whyalla campuses.

Take a direct path into secondary teaching in the Learning Areas of your choice and complete your studies in just four years. See page 28.

↓

Choose two Learning Areas:

· Arts
  > Drama and Creative Arts
  > Visual Arts
· English
· Humanities and Social Sciences
  > Geography
  > History
· Languages
  > French
  > Italian
  > Japanese
  > English as an Additional Language or Dialect (*sub-major only*)
· Mathematics
· Outdoor Education (*sub-major only*)
· Psychology (*sub-major only*)
· Religious Education (Catholic Studies) (*sub-major only*)
· Science
  > Biology
  > Chemistry
  > Physics
· Technologies
  > Design and Technology
  > Digital Technologies (*sub-major only*)
  > Food and Textile Technologies

Learning Areas available at Mount Gambier and Whyalla campuses include Humanities and Social Sciences, English, Digital Technologies (sub-major only) and Psychology (sub-major only).

↓

Apply to the Teachers Registration Board of South Australia

Bachelor's degree

Enjoy the flexibility of completing a bachelor's degree with the option to continue with postgraduate studies in teaching and graduate in five years.

↓

Choose a Bachelor of:

· Arts
· Contemporary Art
· Film and Television
· Human Movement
· Mathematics (Data Science)
· Mathematics (Industrial and Applied Mathematics)
· Outdoor and Environmental Leadership
· Science

There are specific academic entry requirements for Learning Areas to meet the Australian Curriculum standards needed for eligibility into Master of Teaching (Secondary). We can help you with course selection in your bachelor's degree to make sure you have the right competencies.

↓

Complete your postgraduate studies:
Master of Teaching (Secondary)

↓

Apply to the Teachers Registration Board of South Australia

PACKAGED TEACHING PROGRAMS

Consider a packaged program combining one of the bachelor degrees below with a Master of Teaching (Secondary) to become a high school teacher in an area of your choice in five years of full-time study. Apply directly to SATAC with the unique codes listed below.

English or Languages

Bachelor of Arts *(specialisation)*/Master of Teaching (Secondary)
SATAC code: **444521**

Media Studies

Bachelor of Film and Television/Master of Teaching (Secondary)
SATAC code: **444531**

Visual Arts

Bachelor of Contemporary Art/Master of Teaching (Secondary)
SATAC code: **424811**

Health and Physical Education

Bachelor of Human Movement/Master of Teaching (Secondary)
SATAC code: **414401**

Science

Bachelor of Science/Master of Teaching (Secondary)
SATAC code: **434101**

Mathematics

Bachelor of Mathematics (Industrial and Applied Mathematics)/ Master of Teaching (Secondary)
SATAC code: **434181**

Bachelor of Mathematics (Data Science)/Master of Teaching (Secondary)
SATAC code: **434221**

History, Humanities and Social Sciences

Bachelor of Arts *(specialisation)*/Master of Teaching (Secondary)
SATAC code: **444521**

Entry into the Master of Teaching (Secondary) is subject to course selection and meeting Grade Point Average (GPA) requirements.

UniSA GUARANTEED ENTRY CALCULATORS
Explore your guaranteed entry options using your Year 12 subject grades, Selection Rank or TAFE/VET qualification.
⊘ *unisa.edu.au/guaranteed*

CONTENTS

Published Selection Rank scores are indicative of February 2023 cut-offs.

Guaranteed Entry for Year 12 Subject Grades are reflective of the top three, 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50 and meet any prerequisites or other eligibility criteria.

PROFESSIONAL REQUIREMENTS

NON-ACADEMIC ENTRY REQUIREMENTS

In accordance with national teacher education program standards, applicants must fulfil non-academic entry requirements before their application is considered complete. If you're applying for the Bachelor of Early Childhood Education (Honours), Bachelor of Primary Education (Honours), Bachelor of Secondary Education (Honours) or Master of Teaching you'll be required to submit a 400–600 word (maximum) Teaching Capabilities Statement, which speaks to your understanding of being a teacher and your motivation.

PLACEMENT REQUIREMENTS

In the lead-up to each professional experience placement, you need to ensure that a number of important prerequisites and requirements are completed or satisfied, including:

· A Department of Human Services (DHS) Working With Children Check;

· Mandatory Child-Safe Environments Training; and

· Meeting required standards in the national Literacy and Numeracy Test for Initial Teacher Education (LANTITE) — to be completed during your studies prior to your final placement.

To be eligible for placement, providers may require students to be screened and provide evidence of their vaccination status.

Choose a Learning Area from Arts, English, Languages, Mathematics/Science or Religious Education (Catholic Studies).*

Choose an elective, focusing on teaching children with disabilities, rural and regional education, brain development, relationships and health, arts in early childhood curriculum, pedagogies for learning languages, or Islam and global politics.

This degree prepares you to thrive as a contemporary teacher in three settings — junior primary, preschool and childcare. Gain a competitive advantage by studying industry-relevant coursework, engaging in highly practical learning and developing applied research. You'll focus on the learning and development of children from birth to eight years of age, exploring best education practices, curriculum planning, professional experience and leadership. You'll complete three courses in a primary specialism (Learning Area) of your choice to meet national teacher registration requirements. Learning Areas include Arts, English, Languages (French, Italian, Japanese), Mathematics/Science, or Religious Education (Catholic Studies). Get real classroom experience with 110 days of field-based placements starting in your first six months of study. Access the state-of-the-art Samsung SMARTSchool located at Magill Campus to explore innovative ways technology can be used for learning in classroom and other education settings. Benefit from flexible learning with the option to study at Magill, Mawson Lakes, Mount Gambier, Whyalla or online.

Graduates can apply for teacher registration in South Australia, interstate and some overseas countries. Applicants should note that there are other criteria determining eligibility for registration by the Teachers Registration Board of South Australia and other registration and regulatory authorities.

Due to program structure and professional experience placements, students commencing midyear (July) study will complete their program in 4.5 years instead of 4 years.

"When choosing a career, it was important for me to pick something that would give me fulfilment. Early childhood education has definitely given me that, and there have been many moments where I've been able to have a really positive impact on my students. UniSA's reputation for practical and industry experience meant that I completed various industry placements, where I applied knowledge into practice."

The Unstoppables

WASTE WARRIOR

Jeannine Malcolm
Founder & Manager of Mobius Farms
Bachelor of Education
(Primary and Middle)

Statistics show that only around 12% of commercial food waste from restaurants and other venues is diverted from landfill in South Australia.

To combat its significant contribution to land pollution and greenhouse gas emissions, UniSA education grad, Jeannine Malcolm, established Mobius Farms where she and her partner ingeniously turn this waste into a valuable multi-use product.

This *UNSTOPPABLE* force has created the first facility of its kind in the state – taking leftover food from kitchens around the Barossa Valley and feeding it to the Black Solider Fly Larvae, which produce a more sustainable source of protein for pet and livestock feed.

- Diploma in Languages
- Graduate Certificate in Education – *various specialisations*
- Master of Education

DEGREE STRUCTURE

FIRST YEAR	
Professional Experience 1: Introduction to Educators' Practices	Major / Major / Sub-major
Learning, Teaching and Inquiry 1: Identity, Diversity and Adolescence	Major / Major / Sub-major

SECOND YEAR	
Teaching and Learning in Aboriginal Education	Major / Sub-major / Sub-major
Professional Experience 2: Curriculum and Pedagogy	
Learning, Teaching and Inquiry 2: Pedagogy, Curriculum and Inclusivity	Curriculum Major 1 / Curriculum Sub Major 1

THIRD YEAR	
Professional Experience 3: Informed Planning (HP)	
Learning, Teaching and Inquiry 3: Creating Positive Secondary Learning Environments	Elective
	Major / Sub-major / Sub-major / Major

FOURTH YEAR	
Honours Educational Research: Theory, Literature and Policy	
Honours Research Methodology: Methods and Ethics	Major / Curriculum Sub-major 2 / Curriculum Major 2
Professional Experience 4 (Honours): Inquiry into Practice	

Students will attend on-campus lectures, tutorials, practicals, workshops and seminars; some study may be able to be completed online. All professional placements must be completed in-person.

^Regional students may complete their studies on-campus or online, however all professional placements must be completed in-person.

*Availability of Learning Areas depends on campus location.

> *"I started out in a trades background, but then became interested in teaching design and technology. The diversity of machinery and the knowledgeable technical staff on campus helped me further my skills significantly. The opportunity to work closely with industry as part of my degree and accessing emerging technologies not yet in school workshops has been invaluable."*

Tim Durst | Secondary Education Graduate / Years 7-12 STEM Teacher, Seaview High School

TIKTOK-ING TEACHER

Luke Springer
Classroom Teacher (Reception/Foundation)
Bachelor of Education (Primary and Middle)

There's always that one teacher who you never forget. For kids of a new generation, that will be Luke Springer (Mr Luke) — a passionate primary school teacher and TikTok sensation reaching more than one million followers around the world.

This *UNSTOPPABLE* force and UniSA education grad is electric — lighting up classrooms and screens. When he's not at school or tending to his elaborate plant collection, his influencer status sees him posting POV videos about teacher life to TikTok and collaborating with brands like Faber-Castell, Bunnings and Amazon Australia — he's even landed a guest appearance on Play School Story Time!

🎵 @iam.mrluke   📷 @iam.mrluke

Become a global citizen and study an arts degree majoring in Languages. Choose from French, Italian or Japanese, along with a second major depending on your interests or career goals. Access the Multimedia Languages Lab on campus, where you can connect with native speakers from around the world in real-time. You'll develop a defined set of speaking, writing, editing and relevant analytical skills in your chosen language, along with a deeper understanding of different cultural perspectives. Further enhance your skills by experiencing your chosen language first-hand through international exchange opportunities. You can also package this degree with a Master of Teaching (Secondary) to become a language teacher.

OTHER MAJORS

Aboriginal Studies · Applied Linguistics · Creative Writing and Literature · Criminology and Criminal Justice · Cultural Studies · History and Global Politics · Law, Policy and Politics · Psychology · Sociology

CAREERS

Knowledge of additional languages can lead to careers in areas such as:

Government, diplomacy and trade · defence, intelligence and security · interpreting and translation · migrant, refugee, and multicultural services · community and social services · health, wellbeing and aged care · policy and research · education

To learn more about how to become a teacher, visit *unisa.edu.au/become-a-teacher*

🕐	1 year full-time	👤	Real-world projects

SATAC code	426074	Program code	MDLA

⊘ *Part-time study available*

Explore your interests or advance your career by learning a language. Study the Diploma in Languages alongside your undergraduate degree or as a standalone postgraduate qualification. Learn French, Italian, Japanese or English. Access the Multimedia Languages Lab at Magill Campus, where you can connect with native speakers from around the world in real-time. Develop your proficiency in listening, speaking, reading and writing in your chosen language, along with your understanding of the related culture and society. Take the opportunity to study in the country of your chosen language through our exchange or in-country study programs.

Entry requirements

· *This program is open to all students who have completed or are enrolled in a bachelor degree at UniSA or any other Australian university.*
· *This program is also open to students who have completed or are currently enrolled in a bachelor or master's degree, or equivalent qualification, from an approved higher education institution outside of Australia.*
· *For postgraduate students, this program can be completed as a standalone qualification.*

How to apply

Undergraduate applicants who will study the diploma alongside their bachelor's degree will need to submit their preferences to SATAC for their preferred undergraduate program and once they are presented and accept an offer, they will need to change the Diploma of Languages to their first preference, so that they can also receive an offer into this program. Applicants already enrolled in a university degree at any other South Australian university, can also apply for this program as their first preference.

Graduate Certificate in Education Studies (Digital Learning)

unisa.edu.au/education

📍	Magill Campus	📅	Intakes: Jul
💻	Online	👤	Real-world projects
🕐	1 year part-time	💲	AUD $11,350* *indicative 2023*

SATAC code	4GC114	Program code	MCDI

⊘ *Part-time study only*   **see page 33 for more on fees*

Graduate with a unique qualification and the only one of its kind in South Australia specifically designed for educational professionals to develop their knowledge in digital learning. Study core courses focused on digital learning concepts and technologies, best practice in the design of digital learning environments, and learning analytics. Develop a high-level understanding of theoretical and practical knowledge to support the design and evaluation of digital approaches in your current teaching environment. Benefit from flexible learning, including online and part-time study, and upskill while you work.

This qualification does not meet the requirements for teacher registration in South Australia.

CAREERS

This program is designed for professional educators seeking to further their knowledge, qualifications and career in digital education.

Entry requirements

· *Bachelor degree or equivalent qualification in any discipline from a recognised higher education institution.*

FURTHER STUDY

· Master of Education
· Doctor of Philosophy (PhD)

DEGREE STRUCTURE

FIRST YEAR	Introduction to Digital Learning
	Digital Learning Environments: Design and Implementation
	Two of the following three courses:
	· Online Learning Communities: Formal and Informal
	· Learning Analytics and Digital Learning
	· Learners in a Digital Age: Innovative Practices

Students complete their studies online and are not required on-campus.

Graduate Certificate in Education Studies (Inclusive Education)

NEW

Study South Australia's only postgraduate qualification focused on Catholic education. This program is designed to provide continued professional development for qualified educators interested in developing their knowledge, understanding and skills in Catholic education practices, principles and policies. Study courses integrating contemporary education theory and practice with biblical studies and theology. You'll explore recent developments in theories, research and debates relating to Catholic-forward education, as well as key philosophical and theological foundations. This program is recognised by Catholic Education South Australia (CESA) as meeting the requirements for accreditation to teach in a Catholic school. CESA provide full funding for current CESA teachers who are seeking to complete this program as professional development.

This qualification is an employer sponsored program and only available to teachers employed within Catholic schools in South Australia.

CAREERS

This program is designed to provide continued professional development for qualified educators and graduates may find employment in Catholic education and independent schools.

Entry requirements
- *Applicants must be teachers within the Catholic Education system who have successfully completed a four-year education degree or equivalent from a recognised higher education institution.*

Master of Research
Doctor of Philosophy (PhD)

unisa.edu.au/researchdegrees

Our research degrees are designed to make a difference. You'll be at the forefront of solving real-world problems, by studying a project-based research degree where you'll partner with end-users to develop solutions for the challenges of today and tomorrow.

Join an academic community that is committed to world-class research in education, with strong national and international connections. Learn to independently design and execute original research that generates new knowledge and contributes to professional practice. Explore how education can contribute to social justice and social inclusion, by investigating practice, pedagogy, curriculum, policy and educators' work across the contexts of early childhood, school and higher education. Investigate family and community perspectives, wellbeing, linguistic and sociocultural diversity, education for sustainability, multi-literacies and STEM.

This qualification does not meet the requirements for teacher registration in South Australia.

Entry requirements

A research degree is suitable for someone who has completed a previous degree, normally with a research component. At UniSA, all research degree applications are made to a specific project as listed on our research projects page. Most projects will have additional, project-specific selection criteria. It is also possible to develop your own research project by negotiation. Please contact the Graduate Research Admissions team if you have any questions.

research.degrees@unisa.edu.au

Master of Research

- *Bachelor degree (or equivalent) of at least three years in a relevant discipline with a minimum credit average; or*
- *Honours degree or bachelor degree with honours; or*
- *Relevant master's degree.*

Doctor of Philosophy (PhD)

- *Honours degree or bachelor degree with honours of at least class 2A standard in an appropriate discipline; or*
- *Relevant master's degree.*

Alternative entry

- *Other applicants may be considered for admission if their previous education, professional experience and published research work is of sufficient quality and relevance to prepare the applicant for a research degree.*

HOW TO UNLOCK YOUR UNSTOPPABLE CAREER

GET THE COMPETITIVE EDGE

In the next five years, more than 90% of new jobs will need post-secondary qualifications like a university degree.

Latest federal government reporting shows that there'll be jobs growth across a wide range of industries and job types, but the most growth will be careers that demand higher skill levels. Professional roles alone will rise by 14.7% between now and 2026.

This means, furthering your education has never been more important. Developing soft skills in communication, computing, cognitive ability and care will also be essential ingredients to your future success.

It's in our DNA to produce unstoppable graduates, and with more than 200 world-class degrees to choose from, we'll help you become a force of the future in Australia's workforce and beyond.

Information Source: Australian Government National Skills Commission, Employment Outlook — March 2022.

PREFERENCE BY PASSION

We know that choosing your preferences can be confusing, but we're here to help. Applications to study at UniSA are made through SATAC and you can select up to six preferences (degrees).

SATAC make offers by working down your preference list, so it's important to preference in order of what you want to study *most*. Don't forget, SATAC will also look at your eligibility criteria (for example, does the degree have any prerequisites?).

There are also some other things to consider when narrowing down your six choices:

1. By preferencing UniSA first, you might also be eligible for guaranteed entry. All you need to do is meet the set Selection Rank, Year 12 subject grades or TAFE/VET qualification (and any other academic criteria).

2. Do you need a back-up option? Alternative pathways offered through UniSA College can be included as part of your preference list.

That's the hard work done!

You'll automatically receive an offer from SATAC for the first preference you're eligible for in the list. It's also good to remember that there are multiple offer rounds in January and February, so don't worry if you miss out on your top pick first go.

Don't just settle, follow your passion — we'll help get you into your preferred degree and you'll be on your way to that unstoppable career.

NEED A PREFERENCE HEALTH CHECK?

UniSA STUDENT EXPERIENCE

Orientation is the start of your journey at university. Explore your campus, meet new people, connect with teaching staff, get study advice and enjoy different activities.

Campus Central teams are there to help you with everything from ID cards, to enrolment, fees, student services and any questions you have about your studies.

Support services are available to you throughout your time at university, including study support, personal counselling and peer mentoring, along with access to a range of community clinics located on campus.

USASA is your student association and voice at university. They also organise social activities, coordinate 100+ student clubs and publish our award-winning student magazine.

Career Services will help you prepare for your future career. Connect with one of our expert career advisers, access the online Career Hub for the latest resources and job listings, and attend networking and industry events.

UniSA+ and ASPIRE will help to shape your personal and professional journey through leadership and self-development work while you study, so you can become the best version of yourself.

Student lounges feature open social spaces, study nooks, kitchen facilities, mobile charging stations, lockers, gaming stations and more.

UniSA Sport has 25+ sporting clubs, including rowing, netball, gridiron, rock climbing and even esports!

24-hour security services are available on campus and the free SafeZone app is available for download through the App Store or Google Play.

Accommodation services are available to help you set up a home away from home.

STUDY AT UniSA — THE BASICS

APPLYING WITH YEAR 12 RESULTS

Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- A competitive Selection Rank (ATAR inclusive of adjustment factors);
- Fulfilment of the degree's prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the degree's prerequisite requirements and one of the following:

- An interstate or overseas qualification considered by the University as equivalent to SACE; or
- The International Baccalaureate Diploma with a minimum score of 24 points.

⊘ unisa.edu.au/Year-12

ADJUSTMENT FACTORS

Australian high school students applying for university study may be eligible for adjustment factors. These are based on set equity factors and/or subject choices (see below). SATAC will combine them with your ATAR to improve your Selection Rank for entry.

- The Universities Equity Scheme — provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme — provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

GUARANTEED ENTRY

There are a few ways to guarantee your place at UniSA:

Year 12 Grades Guaranteed Entry — UniSA offers guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that's it, you're automatically in.

Subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

Selection Rank Guaranteed Entry — UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do.

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. Application timelines and fees also apply.

TAFE/VET Guaranteed Entry — UniSA offers guaranteed entry based on successfully completed VET qualifications. If your completed VET award meets the set VET Guaranteed Entry, you have met any prerequisites and specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer.

ALTERNATIVE PATHWAYS

Entering your chosen degree straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following:

UniSA College — there are a variety of pathway options offered through UniSA College, including Diplomas, Undergraduate Certificates in University Studies, Foundation Studies, and the Aboriginal Pathway Program. You'll be enrolled as a UniSA student and build the academic skills needed for university study, along with introductory knowledge for your preferred UniSA degree.

Find out more about the full range of UniSA College programs at:

⊘ unisa.edu.au/college

STAT — a competitive Special Tertiary Admissions Test (STAT) score, based on 70 multiple choice questions designed to assess your aptitude for tertiary study. A personal competencies statement or relevant employment experience alongside your STAT score may also be considered for some degrees.

TAFE/VET — applicants may be eligible for entry with the completion of an award from TAFE or another Registered Training Organisation at AQF Certificate IV or higher.

SAIBT — There are a range of bridging qualifications offered through the South Australian Institute of Business & Technology.

Tertiary transfer — completion of at least half a year of full-time equivalent study towards an undergraduate degree at a recognised higher education institution. You can apply using your competitive Grade Point Average (GPA).

RELOCATING TO ADELAIDE

We offer a range of in-demand degrees at our regional campuses in Mount Gambier and Whyalla. If you're interested in relocating to Adelaide to study at one of our metro campuses, then start your planning early — there's a few things to think about before making the move.

⊘ unisa.edu.au/regional-relocation

SCHOLARSHIPS

We offer a wide range of scholarships and grants to support students from all walks of life. Each year, more than 2,500 students benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and overseas travel. Go online to check what you might be eligible for.

⊘ unisa.edu.au/scholarships

HOW TO APPLY

Applications to most UniSA degrees are administered through the South Australian Tertiary Admissions Centre (SATAC). Visit our website for all the information you need about how to apply.

⊘ unisa.edu.au/apply

For all UniSA Online degrees, you can apply directly.

FEES

All UniSA domestic undergraduate students are in Commonwealth-supported places. Students pay a contribution of their fees depending on their program and the associated contribution band (see table below). Student contributions also depend on the unit value courses. As per the Australian Government guidelines, the student contribution amounts for 2023 are:

Band	Field of education	Student contribution _For one year of full-time load (1 EFTSL)_	Student contribution _For each subject (0.125 EFTSL)_
1	Agriculture, english, mathematics, teaching, clinical psychology^, languages and nursing.	$4,124	$515
2 (2 & 2A)	Architecture, IT, other health, allied health, creative arts, engineering, science, environmental studies, professional pathway psychology, professional pathway social work and clinical psychology^.	$8,301	$1,037
3	Dentistry, medicine and veterinary science.	$11,800	$1,475
4 (4A, 4C, 4P, 4S & 4Y)	Law, accounting, administration, economics, commerce, communications, society and culture, professional pathway psychology, professional pathway social work and clinical psychology.	$15,142	$1,892

*Some postgraduate programs are Commonwealth-supported, while others are full fee-paying. These details are listed under each program in this guide. For programs under one year full-time study, fees are listed as the whole program. For programs over one year of full-time study, fees are listed based on the cost per annum.

This table should be used as a guide only (indicative 2023 only). Total costs can vary depending on the courses you study and the band they fall into. For more information about fees, including eligibility for Commonwealth-supported places and deferring your student contributions through HECS-HELP or FEE-HELP loans, visit **unisa.edu.au/fees**
