Elysha Mastoris, UniSA College Student.

Welcome to UniSA College

At UniSA College, we offer a range of pathway programs to help you gain alternative entry into your preferred UniSA or UniSA Online degree.

Our programs will prepare you for university study by building your academic skills, prerequisite knowledge and confidence to thrive in your chosen degree. You'll experience life as a UniSA student, learn from UniSA staff and have access to a full range of support services. UniSA College delivers programs from January to December with personalised study plans for greater flexibility.

Once you've successfully completed your program, you'll be able to transfer into one of UniSA's undergraduate degrees.

We also offer pathway options specifically for Aboriginal and Torres Strait Islander students through the Aboriginal Pathway program, which is delivered in Adelaide, Ceduna, Mount Gambier, Port Lincoln and Whyalla.

At UniSA College, we want to help you reach your potential and fulfill your study and career goals. This guide can help you get started and explore your options.

UniSA COLLEGE PROGRAMS

You can choose to list some UniSA College programs as your first preference in your SATAC application, or you can choose to include them as a back-up option just in case you don't receive the degree offer that you want.

Programs include:

- UniSA Foundation Studies
- Undergraduate Certificate in University Studies
- Diploma
- Aboriginal Pathway

unisa.edu.au/college

unisa.edu.au/app

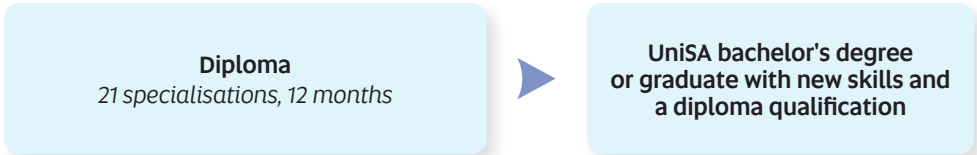

UniSA College programs explained

We offer a range of study combinations, giving students great flexibility and choice.

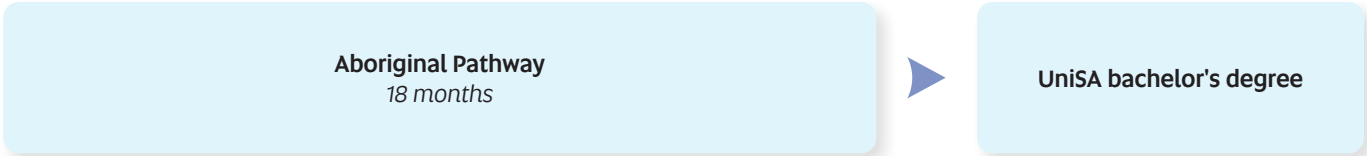

I DON'T HAVE AN ATAR...

I HAVE AN ATAR BUT IT'S NOT COMPETITIVE FOR ENTRY INTO MY PREFERRED DEGREE...

I IDENTIFY AS ABORIGINAL OR TORRES STRAIT ISLANDER AND WOULD LIKE ADDITIONAL SUPPORT...

THE APPLICATION PROCESS

You'll apply through SATAC for entry into the UniSA Foundation Studies and Diploma programs. For Undergraduate Certificates in University Studies, you'll apply directly through UniSA after you have successfully completed the UniSA Foundation Studies program. This is also open to current students who have partially completed a bachelor's degree and are looking to explore other areas of interest. Applications for the Aboriginal Pathway program are made directly through UniSA College.

Top tip:

If applying through SATAC, make sure you know the key dates listed on their website. Once you've submitted your application, remember to pay your SATAC application fee, otherwise you won't receive an offer. Applications are made April–July for midyear entry and typically August–January for commencement in the following year. Successful applicants will be notified by email, so check your inbox regularly!

*This pathway option does not allow for entry into all UniSA or UniSA Online bachelor degrees. See pages 9-11 to explore eligible programs. Other study combinations are not available.

Gabriel Ticconi, UniSA College Graduate/Bachelor of Physiotherapy (Honours).

Rebecca Vagnoni, UniSA College Graduate/Bachelor of Psychology (Counselling and Interpersonal Skills), Business (Human Resource Management).

UniSA Foundation Studies

UniSA Foundation Studies is a great start to university, setting you up for success for further studies in the discipline you're interested in.

Duration: 6 months full-time

Cost: No tuition fee, compulsory student amenities fee applies

Location: Adelaide (City West Campus), Mount Gambier or Whyalla

Study mode: On-campus with online study options available

Study core courses to develop your critical writing, communication, research, and study skills – including how to write academic assignments, how to reference and effective time management. These skills and experiences will give you the right launchpad to navigate your future at university.

After successfully completing this six-month program, you can progress into an Undergraduate Certificate in University Studies with a chosen specialisation in Business, Creative Studies, Education Studies, Health, Social Sciences or STEM. You can also choose to progress from UniSA Foundation Studies to a Diploma with many specialisations on offer. From here, you can then competitively apply for many UniSA or UniSA Online degrees using your competitive Grade Point Average (GPA).

REGIONAL STUDY

UniSA Foundation Studies is also offered at our regional campuses and study centres in Mount Gambier and Whyalla. You can enrol in a mix of on-campus and online courses.

ENTRY REQUIREMENTS

There are no formal entry requirements for this program, including ATAR or grades. However, you must:

- Be an Australian citizen, a New Zealand citizen, or the holder of an Australian permanent visa; and
- Not have completed a TAFE/VET award at Certificate IV or higher.

In addition, you must be at least 18 years of age to commence your studies unless you've completed your SACE or a Certificate III.

HOW TO APPLY

Apply directly through SATAC with the unique codes below:

UniSA Foundation Studies

SATAC code: 427021

UniSA Foundation Studies (Mount Gambier)

SATAC code: 477011

UniSA Foundation Studies (Whyalla)

SATAC code: 467011

satac.edu.au

"During my studies at UniSA College, I gained essential skills and knowledge that have continued to help me successfully transition into my degree. These include academic skills like referencing, writing, and research, along with technical skills like navigating the student portal and digital library. UniSA College also helped me access additional study support and student services."

Andrew Morran | UniSA College Graduate/Bachelor of Social Science (Human Services)

Undergraduate Certificate in University Studies

Through an Undergraduate Certificate in University Studies, you'll explore courses aligned to your area of interest, with specialisations in Business, Creative Studies, Education Studies, Health, Social Sciences and STEM.

Duration: 6 months full-time

Cost: Tuition is based on Commonwealth supported fees for each course*

Location: City West Campus

Study mode: On-campus or on-campus/online

*Learn more at unisa.edu.au/fees

Before progressing to a UniSA or UniSA Online degree, you'll be able to study in a highly supportive environment which will prepare you for future university learning.

Once you've successfully completed your Undergraduate Certificate, you'll graduate with a standalone qualification and can use your Grade Point Average (GPA) to apply for direct entry into more than 90 bachelor degrees depending on your chosen specialisation.

This pathway option is ideal if you recently completed UniSA Foundation Studies or are currently enrolled in a UniSA or UniSA Online degree, but you're interested in exploring a different discipline.

REGIONAL STUDY

Regional students can study through a blend of local on-campus and online learning, depending on course selections. Tailored study plans are available.

ENTRY REQUIREMENTS

This program is only available to current UniSA students. You must have successfully completed UniSA Foundation Studies; or partially completed a UniSA or UniSA Online bachelor's degree to apply.

HOW TO APPLY

Applications are completed directly through UniSA College.

unisa.edu.au/college

Undergraduate Certificate in University Studies (Business)

Do you want to startup your future in business? You'll discover fresh ways of thinking and learn how to make smart and sustainable decisions. Complete an Undergraduate Certificate in University Studies (Business) and then choose to study one of the following degrees:

- Bachelor of Accounting
- Bachelor of Business
- Bachelor of Business (Design and Marketing)
- Bachelor of Business (Economics, Finance and Trade)
- Bachelor of Business (Financial Planning)
- Bachelor of Business (Human Resource Management)
- Bachelor of Business (Innovation and Entrepreneurship)
- Bachelor of Business (International Business)
- Bachelor of Business (Logistics and Supply Chain Management)
- Bachelor of Business (Management)
- Bachelor of Business (Marketing)
- Bachelor of Business (Property)
- Bachelor of Business (Real Estate Practice)
- Bachelor of Business (Sport and Recreation Management)
- Bachelor of Business (Tourism and Event Management)
- Bachelor of Digital Business
- Bachelor of Finance
- Bachelor of Marketing and Communication

Double degrees

- Bachelor of Accounting, Bachelor of Finance
- Bachelor of Human Movement, Bachelor of Business (Sport and Recreation Management)
- Bachelor of Laws (Honours) Double Degree
 - Accounting
 - Business (Economics, Finance and Trade)
 - Business (Human Resource Management)
 - Business (Management)
 - Business (Marketing)
 - Business (Sport and Recreation Management)
 - Business (Tourism and Event Management)
 - Bachelor of Psychology (Counselling and Interpersonal Skills), Bachelor of Business (Human Resource Management)

UniSA Online

- Bachelor of Accounting
- Bachelor of Business (Human Resource Management)
- Bachelor of Business (Management)
- Bachelor of Business (Marketing)
- Bachelor of Digital Business
- Bachelor of Business (Financial Planning)
- Bachelor of Marketing and Communication

Undergraduate Certificate in University Studies (Creative Studies)

Get ready to break boundaries and explore your creative side. Become part of a creative economy, transforming how we see the world through design, communication, art, film, and more. Complete an Undergraduate Certificate in University Studies (Creative Studies) and then choose to study one of the following degrees:

- Bachelor of Communication and Media
- Bachelor of Contemporary Art
- Bachelor of Creative Industries
- Bachelor of Design (Communication Design)
- Bachelor of Design (Illustration and Animation)
- Bachelor of Design (Illustration and Animation) (Game Art)
- Bachelor of Design (Product Design)
- Bachelor of Film and Television
- Bachelor of Interior Architecture
- Bachelor of Journalism and Professional Writing
- Bachelor of Marketing and Communication

Double degrees

- Bachelor of Journalism and Professional Writing, Bachelor of Arts (Creative Writing and Literature)

UniSA Online

- Bachelor of Communication
- Bachelor of Digital Media
- Bachelor of Journalism
- Bachelor of Marketing and Communication

Undergraduate Certificate in University Studies (Education Studies)

Take the first steps in developing a meaningful career as an early childhood or primary school teacher. Complete an Undergraduate Certificate in University Studies (Education Studies) and then choose to study one of the following degrees:

- Bachelor of Early Childhood Education (Honours)
- Bachelor of Primary Education (Honours)

Undergraduate Certificate in University Studies (Health)

Discover a rewarding and in-demand career in health – putting people first to achieve healthy outcomes and greater wellbeing. Complete an Undergraduate Certificate in University Studies (Health) and then choose to study one of the following degrees:

- Bachelor of Biomedical Science
- Bachelor of Exercise and Sport Science
- Bachelor of Health Science (Public Health)
- Bachelor of Human Movement
- Bachelor of Laboratory Medicine (Honours)*
- Bachelor of Nursing
- Bachelor of Nutrition and Food Sciences
- Bachelor of Pharmaceutical Science*
- Bachelor of Pharmacy (Honours)*

**Prerequisites for entry apply.*

Double degrees

- Bachelor of Exercise and Sport Science, Bachelor of Psychology (Counselling and Interpersonal Skills)
- Bachelor of Exercise and Sport Science, Bachelor of Nutrition and Food Sciences
- Bachelor of Human Movement, Bachelor of Business (Sport and Recreation Management)
- Bachelor of Human Movement, Bachelor of Nutrition and Food Sciences

UniSA Online

- Bachelor of Community Health
- Bachelor of Health Science
- Bachelor of Health Science (Healthy Ageing)
- Bachelor of Health Science (Nutrition and Exercise)
- Bachelor of Public Health

Undergraduate Certificate in University Studies (Social Sciences)

Delve into the diverse and fascinating world of the social sciences and see the world through a unique lens. Complete an Undergraduate Certificate in University Studies (Social Sciences) and then choose to study one of the following degrees:

- Bachelor of Arts (*all majors*)
- Bachelor of Business (Legal Studies)
- Bachelor of Laws (Honours)
- Bachelor of Psychology
- Bachelor of Psychology (Cognitive Neuroscience)
- Bachelor of Psychology (Counselling and Interpersonal Skills)
- Bachelor of Social Science (Ageing and Disability)
- Bachelor of Social Science (Human Services)
- Bachelor of Social Work

Double degrees

- Bachelor of Exercise and Sport Science, Bachelor of Psychology (Counselling and Interpersonal Skills)
- Bachelor of Journalism and Professional Writing, Bachelor of Arts (Creative Writing and Literature)
- Bachelor of Laws (Honours) Double Degree
 - Accounting
 - Arts
 - Arts (History and Global Politics)
 - Business (Economics, Finance and Trade)
 - Business (Human Resource Management)
 - Business (Management)
 - Business (Marketing)
 - Business (Sport and Recreation Management)
 - Business (Tourism and Event Management)
 - Journalism and Professional Writing
 - Psychology
- Bachelor of Psychology (Counselling and Interpersonal Skills), Bachelor of Business (Human Resource Management)
- Bachelor of Social Science (Human Services), Bachelor of Arts
- Bachelor of Social Science (Human Services), Bachelor of Psychology

UniSA Online

- Bachelor of Criminal Justice
- Bachelor of Psychology
- Bachelor of Psychological Science and Sociology

Undergraduate Certificate in University Studies (STEM)

Discover the infinite possibilities of STEM and where it can take you. Complete an Undergraduate Certificate in University Studies (STEM) and then choose to study one of the following degrees:

- Bachelor of Aviation (Management)
- Bachelor of Aviation (Pilot)
- Bachelor of Construction Management
- Bachelor of Construction Management (Honours)
- Bachelor of Engineering (Honours) (Flexible Entry)*
- Bachelor of Environmental Science
- Bachelor of Information Technology
- Bachelor of Information Technology (Games and Entertainment Design)
- Bachelor of Information Technology (Mobile Application Development)
- Bachelor of Information Technology (Networking and Cybersecurity)
- Bachelor of Information Technology (Software Development)
- Bachelor of Mathematics (Data Science)*
- Bachelor of Mathematics (Industrial and Applied Mathematics)*
- Bachelor of Science*
- Bachelor of Software Engineering (Honours)

**Prerequisites for entry apply.*

UniSA Online

- Bachelor of Construction Management
- Bachelor of Construction Management (Honours)
- Bachelor of Data Analytics
- Bachelor of Information Technology

A personal pathway to pharmacy

Imagine a career crisscrossing the country, working in more than 25 rural and regional pharmacies on postings from Mount Isa in Queensland down to Nubeena, Tasmania.

This is the life of UniSA graduate, Sean Richardson. The journey to where he is now hasn't been straightforward, but he has followed his own path to success.

Leaving school at 16, Sean headed straight into a labouring career, spending years on private residential developments and major construction civil sites around Adelaide. The tradesperson life was great, until a workplace accident put future career realities into perspective.

Initially, university didn't seem like a fitting choice, Sean questioned whether the investment of a degree was really for him. But it was a chance conversation that introduced the idea of studying Foundation Studies through UniSA College that changed everything.

The culture-shock of going back to study was real and Sean had moments of uncertainty. However, persistence paid off. Through the support of his tutors, Sean graduated with a competitive result and successfully secured a place studying a Bachelor of Pharmacy (Honours) at UniSA.

Fast-forward a few years, Sean is now thriving as a locum pharmacist travelling around the country and having a positive impact on rural and regional communities. Sean was recently recognised for his work, taking out the inaugural Pharmaceutical Society of Australia Locumate Locum Pharmacist of the Year Award.

His story is one of twists and turns, but ultimately determination and achievement. UniSA College was the perfect steppingstone to unlocking his unstoppable career.

UniSA College Graduate Jodie Walsh with UniSA Foundation Studies Program Director, Tristan King.

Diplomas

Our wide range of Diplomas provide a pathway into more than 100 UniSA and UniSA Online degrees.

- Duration:** 12 months full-time
 - Cost:** Tuition is based on Commonwealth supported fees for each course*
 - Location:** City West Campus
 - Study mode:** On-campus or on-campus/online
- *Learn more at unisa.edu.au/fees

You'll kickstart your career by studying a combination of courses that will develop your academic skills, along with up to two first-year courses from your related bachelor's degree. This will give you a real insight into your preferred degree and up to two study credits (conditions apply).

You'll study in a highly supported learning environment with additional help from UniSA College staff. You'll also have direct access to UniSA learning resources, campus facilities and support services.

After successfully completing your Diploma, you'll graduate with a standalone qualification and you can then apply for direct entry into your chosen bachelor's degree using your Grade Point Average (GPA) and be well on your way to that unstoppable career.

REGIONAL STUDY

Regional students can study through a blend of on-campus and online learning, depending on course selections. Tailored study plans are available.

ENTRY REQUIREMENTS

- Applicants may be eligible if they have one of the following:
- Completed UniSA Foundation Studies (or equivalent);
 - A Selection Rank (ATAR inclusive of adjustment factors) score of 50 or above;
 - A STAT score of approximately 139 or higher;
 - An interstate or overseas qualification considered by the University as a SACE equivalent; or
 - A recognised Certificate III or Certificate IV from TAFE or a registered training organisation.
- In addition, applicants must:
- Be an Australian citizen, a New Zealand citizen or the holder of an Australian permanent visa; and
 - Meet the relevant citizenship and residency requirements for a Commonwealth Supported Place.

Applicants who have completed a TAFE/VET award at a diploma level or above, or who have studied at the higher education level for more than two years, are not eligible for admission into UniSA College diplomas

HOW TO APPLY

Applications are completed through SATAC using the unique codes listed.

satac.edu.au

Diploma in Business

SATAC code: 426075

Are you ready to disrupt the marketplace and bring new ideas to global business and workplaces? Complete a Diploma in Business then continue your studies in one of the following degrees:

- Bachelor of Accounting
- Bachelor of Business
- Bachelor of Business (Design and Marketing)
- Bachelor of Business (Economics, Finance and Trade)
- Bachelor of Business (Financial Planning)
- Bachelor of Business (Human Resource Management)
- Bachelor of Business (Innovation and Entrepreneurship)
- Bachelor of Business (International Business)
- Bachelor of Business (Logistics and Supply Chain Management)
- Bachelor of Business (Management)
- Bachelor of Business (Marketing)
- Bachelor of Business (Property)
- Bachelor of Business (Real Estate Practice)
- Bachelor of Business (Sport and Recreation Management)
- Bachelor of Business (Tourism and Event Management)
- Bachelor of Digital Business
- Bachelor of Finance
- Bachelor of Marketing and Communication

Diploma in Creative Studies

SATAC code: 426080

Tap into your creative potential and join a workforce that contributes to and promotes the creative collective, including visual and performing arts, digital and social media, web and games design, festival and event management, and more. Complete a Diploma in Creative Studies then continue to a bachelor's degree:

- Bachelor of Creative Industries

Diploma in Creative Studies (Architecture)

SATAC code: 426076

Kick-start your career in architecture or interior design, helping to design and transform the built environment around you. Complete a Diploma in Creative Studies (Architecture) then continue your studies in one of the following degrees:

- Bachelor of Architectural Studies
- Bachelor of Interior Architecture

Diploma in Creative Studies (Art and Design)

SATAC code: 426077

Become a professional artist or designer, exploring traditional and emerging practices such as painting, sculpture, glass, jewellery, graphic design, animation, and more. Complete a Diploma in Creative Studies (Art and Design) then continue your studies in one of the following degrees:

- Bachelor of Contemporary Art
- Bachelor of Design (Communication Design)
- Bachelor of Design (Illustration and Animation)
- Bachelor of Design (Illustration and Animation) (Game Art)
- Bachelor of Design (Product Design)

UniSA Online

- Bachelor of Digital Media

Diploma in Creative Studies (Communication)

SATAC code: 426078

Are you interested in writing and the power of communication in a connected world? Study a Diploma in Creative Studies (Communication) then continue your studies in one of the following degrees:

- Bachelor of Communication and Media
- Bachelor of Journalism and Professional Writing
- Bachelor of Marketing and Communication

Double degrees

- Bachelor of Journalism and Professional Writing, Bachelor of Arts (Creative Writing and Literature)
- Bachelor of Laws (Honours), Bachelor of Journalism and Professional Writing

UniSA Online

- Bachelor of Communication
- Bachelor of Journalism
- Bachelor of Marketing and Communication

Diploma in Creative Studies (Screen)

SATAC code: 426079

See into the world of screen and explore the global film and television industry, from theory and conceptualisation through to production and audience experience. Complete a Diploma in Creative Studies (Screen) then continue to a bachelor's degree:

- Bachelor of Creative Industries (Film and Television)
- Bachelor of Creative Industries (Screen Studies)
- Bachelor of Film and Television

Diploma in Education Studies

SATAC code: 426082

Become part of an essential workforce, responsible for teaching and guiding future generations in their early years. Complete a Diploma in Education then continue your studies in one of the following degrees:

- Bachelor of Early Childhood Education (Honours)
- Bachelor of Primary Education (Honours)

Diploma in Education Studies (Secondary)

SATAC code: 426081

Prepare for the classroom and get ready to teach students from Years 7-12. Complete a Diploma in Education (Secondary) then continue to a bachelor's degree:

- Bachelor of Secondary Education (Honours)

Diploma in Health

SATAC code: 426086

Diploma in Health (Mount Gambier)

SATAC code: 476002

Diploma in Health (Whyalla)

SATAC code: 466001

Diploma in Health (100% online)

Get ready for a front line career in health. Complete a Diploma in Health and then continue your studies in one of the following degrees:

- Bachelor of Health Science (Public Health)
- Bachelor of Midwifery
- Bachelor of Nursing

UniSA Online*

- Bachelor of Community Health
- Bachelor of Public Health

*Study credit not guaranteed for these programs.

Diploma in Health

(Allied Health and Human Performance)

SATAC code: 426083

Help people reach their physical potential through mindful movement and support. Complete a Diploma in Health (Allied Health and Human Performance) and then continue your studies in one of the following degrees:

- Bachelor of Clinical and Exercise Physiology (Honours)
- Bachelor of Medical Radiation Science (*all specialisations*)
- Bachelor of Occupational Therapy (Honours)
- Bachelor of Physiotherapy (Honours)
- Bachelor of Podiatry
- Bachelor of Speech Pathology (Honours)

UniSA Online*

- Bachelor of Health Science
- Bachelor of Health Science (Healthy Ageing)

*Study credit not guaranteed for these programs.

Diploma in Health (Biomedical Science)

SATAC code: 426084

Discover where a career in the biomedical sciences can take you, including laboratory work, pharmaceuticals and nutrition. Complete a Diploma in Health (Biomedical Science) and then continue your studies in one of the following degrees:

- Bachelor of Biomedical Science
- Bachelor of Laboratory Medicine (Honours)
- Bachelor of Nutrition and Food Sciences
- Bachelor of Pharmaceutical Science
- Bachelor of Pharmacy (Honours)

Double degrees

- Bachelor of Exercise and Sport Science, Bachelor of Nutrition and Food Sciences
- Bachelor of Human Movement, Bachelor of Nutrition and Food Sciences
- Bachelor of Pharmaceutical Science, Bachelor of Pharmacy (Honours)

Diploma in Health (Sport)

SATAC code: 426085

Test human performance and the strength of the human body. Complete a Diploma in Health (Sport) and then continue your studies in one of the following degrees:

- Bachelor of Exercise and Sports Science*
- Bachelor of Human Movement*

Double degrees*

- Bachelor of Exercise and Sport Science, Bachelor of Nutrition and Food Sciences
- Bachelor of Exercise and Sport Science, Bachelor of Psychology (Counselling and Interpersonal Skills)
- Bachelor of Human Movement, Bachelor of Business (Sport and Recreation Management)
- Bachelor of Human Movement, Bachelor of Nutrition and Food Sciences

UniSA Online*

- Bachelor of Health Science (Nutrition and Exercise)

*Study credit not guaranteed for these programs.

Diploma in Social Sciences

SATAC code: 426090

Discover the fascinating world of humanities and the social sciences, including people-focused programs across ageing, disability and human services. Complete a Diploma in Social Sciences and then continue your studies in one of the following degrees:

- Bachelor of Arts (*all majors*)
- Bachelor of Social Science (Ageing and Disability)
- Bachelor of Social Science (Human Services)

Double degrees

- Bachelor of Journalism and Professional Writing, Bachelor of Arts (Creative Writing and Literature)
- Bachelor of Laws (Honours), Bachelor of Arts
- Bachelor of Laws (Honours), Bachelor of Arts (History and Global Politics)
- Bachelor of Social Science (Human Services), Bachelor of Arts
- Bachelor of Social Science (Human Services), Bachelor of Psychology

Diploma in Social Sciences (Law)

SATAC code: 426087

Spark your career in law and help shape our legal system and justice more broadly. Study a Diploma in Social Sciences (Law) and then continue your studies in one of the following degrees:

- Bachelor of Business (Legal Studies)
- Bachelor of Laws (Honours)

Double degrees

- Bachelor of Psychology

Diploma in Social Sciences (Social Work)

SATAC code: 426089

Learn to enhance the wellbeing of others through advocacy, social change and empowerment. Complete a Diploma in Social Sciences (Social Work) and then continue your studies in one of the following degrees:

- Bachelor of Social Work
- Bachelor of Social Work (Honours)

Diploma in STEM

SATAC code: 426095

Explore life in aviation or how maths can be used to solve real-world challenges. Complete a Diploma in STEM and then continue your studies in one of the following degrees:

- Bachelor of Aviation (Management)
- Bachelor of Aviation (Pilot)
- Bachelor of Mathematics (Data Science)*
- Bachelor of Mathematics (Industrial and Applied Mathematics)*

*Prerequisites for entry apply

Diploma in STEM (Construction)

SATAC code: 426091

Are you looking for a professional career in the construction industry? Study a Diploma in STEM (Construction) and then continue your studies in one of the following degrees:

- Bachelor of Construction Management
- Bachelor of Construction Management (Honours)

UniSA Online

- Bachelor of Construction Management
- Bachelor of Construction Management (Honours)

Diploma in STEM (Engineering)

SATAC code: 426092

Looking for a career in engineering where you can invent, design, build and test new technologies and systems to help shape the world around you? Complete a Diploma in STEM (Engineering) and then continue your studies in one of the following degrees:

- Bachelor of Engineering (Honours) (Flexible Entry)*
- Bachelor of Engineering (Honours) (Civil)*
- Bachelor of Engineering (Honours) (Civil and Construction Management)*
- Bachelor of Engineering (Honours) (Civil and Structural)*
- Bachelor of Engineering (Honours) (Electrical and Electronic)*
- Bachelor of Engineering (Honours) (Electrical and Mechatronic)*
- Bachelor of Engineering (Honours) (Mechanical)*
- Bachelor of Engineering (Honours) (Mechanical and Advanced Manufacturing)*
- Bachelor of Engineering (Honours) (Mechanical and Mechatronic)*

*Prerequisites for entry apply

Diploma in STEM (Information Technology)

SATAC code: 426093

Curious about new and emerging technologies and all their possibilities for a more connected world? Study a Diploma in STEM (Information Technology) and then continue your studies in one of the following degrees:

- Bachelor of Information Technology
- Bachelor of Information Technology (Games and Entertainment Design)
- Bachelor of Information Technology (Mobile Application Development)
- Bachelor of Information Technology (Networking and Cybersecurity)
- Bachelor of Information Technology (Software Development)
- Bachelor of Software Engineering (Honours)

UniSA Online

- Bachelor of Data Analytics
- Bachelor of Information Technology

Diploma in STEM (Science and the Environment)

SATAC code: 426094

Make new discoveries and explore your curious mind to help the human population and the environment we live in. Study a Diploma in STEM (Science and the Environment) and then continue your studies in one of the following degrees:

- Bachelor of Environmental Science
- Bachelor of Outdoor and Environmental Leadership
- Bachelor of Science*

*Prerequisites for entry apply

Aboriginal Pathway

Our 18-month Aboriginal Pathway supports Aboriginal and Torres Strait Islander students to start their journey at university.

Duration: 18 months full-time

Cost: No tuition fee, compulsory student amenities fee applies

Location: Adelaide (City West Campus), Ceduna, Mount Gambier, Port Lincoln or Whyalla

Study mode: On-campus

You'll develop academic, literacy, digital and numerical skills, along with enhancing knowledge in areas such as Aboriginal culture and wellbeing, and the community and environment. You'll get all the support you need along the way, including local tutoring and one-on-one support from teaching staff.

The program prepares you to thrive at university and upon completion, you can apply for your preferred UniSA or UniSA Online degree using your competitive Grade Point Average (GPA).

The program is open to all people who identify as Aboriginal or Torres Strait Islander and is offered across both metro and regional locations.

"I enjoy how culturally safe the pathway program is. In primary school and high school, I was usually the only Aboriginal student in the class."

Roger Eyles | Aboriginal Pathway Student

At UniSA, we have an environment where Aboriginal students can learn, grow, and define their future in a place that respects and learns from Aboriginal knowledge.

Applicants who have not completed SACE or equivalent must be 17 years of age or over before January 1st of the year of intended enrolment.

Apply directly through UniSA College.

📍 unisa.edu.au/appform

"I have made some great friends during my time in the Aboriginal Pathway program, plus the staff really support you to achieve your goals. I'm hoping to become a physiotherapist for an AFL team. After being a sports trainer for 17 years, it's something I'm extremely passionate about."

Stella Garlett | Aboriginal Pathway Student

If you're a regional student, you might be eligible for travel and accommodation support.

Your UniSA College learning experience

STRONG LEARNING FOUNDATIONS

At UniSA College, we prepare you to study successfully at university. You'll complete core courses that develop the writing, communication, numeracy, research and study skills that you need at the tertiary level. You'll also start exploring courses in the areas that interest you most, introducing you to what a bachelor's degree will be like. Your learning will be supported by highly experienced and supportive staff, who are there to support you every step of the way.

FLEXIBLE STUDY OPTIONS

We know that not all students can study full-time, so there are flexible study options available. You can choose between full-time or part-time study, with most courses offering online study options. Your study schedule will be divided into contact hours – the time you spend on lectures and tutorials – and independent study, including your personal research and assignment work. Study hours depend on the program you choose and the amount of additional work you put in. Generally, full-time study (3-4 courses) is equivalent to 40 hours per week.

WE'RE HERE TO HELP

As a UniSA College student, you'll have access to the full range of UniSA student support services. You'll also be able to access additional services to help you transition to university life, including:

- Study support (1:1 and in small groups)
- Personal counselling and wellbeing support
- Drop-in sessions with teaching staff
- Aboriginal, regional and refugee student support
- Mentoring
- Social events

VIBRANT CAMPUS CULTURE

UniSA College programs are offered at City West Campus, but you may also find yourself studying at City East, Magill or Mawson Lakes depending on your course selections. Regional students will also have access to our Mount Gambier and Whyalla campuses, along with our Port Lincoln Study Centre. All of our campuses have modern, purpose-built facilities fitted with the latest tools and technologies to support your learning. You can also get involved with the full UniSA student experience through social events, sport and volunteering opportunities.

STARTING STRONG

At the start of your studies with UniSA College, you'll join an interactive session to build engagement, confidence, and a sense of belonging. You'll hear about university processes, how to develop strong study practices, and more. Along with the course coordinators, you'll also engage in a variety of activities including goal setting, time management and study planning strategies.

YEAR 12 RESULTS

Did you know that your Selection Rank (ATAR inclusive of adjustment factors) and Year 12 subject grades are still valid after you finish high school? You can competitively apply for your preferred UniSA degree using your Year 12 results up until you've completed two-years of tertiary study. This is a great option if you want to transfer to a different degree, or you took a gap year and are now ready to start your university studies.

UniSA Guaranteed Entry – Year 12

If you're thinking about competitively applying to university using your Year 12 results (either Selection Rank or Year 12 subject grades), don't forget about UniSA Guaranteed Entry. Make us your first preference and if you achieve the set score or grades, you'll automatically receive an offer through SATAC based on your best result. Some criteria apply. See page 29.

TAFE/VET QUALIFICATIONS

A completed Certificate IV, Diploma or Advanced Diploma from TAFE or another registered training organisation may be all you need to apply for a UniSA degree. Explore the degrees that interest you most and see what VET qualification is needed for entry.

UniSA Guaranteed Entry – TAFE/VET

Through UniSA Guaranteed Entry, your TAFE/VET qualifications can be used to secure your future place in your preferred degree. By making UniSA your first preference and successfully completing the set TAFE/VET qualification, you'll automatically receive an offer through SATAC. Some criteria apply. See page 29.

Study credit

If you're successful in securing a place into a UniSA degree through your TAFE/VET qualification, you may also be eligible to receive credit for your previous study. This also typically reduces the time it takes to complete the program. Through our online 'Credit Assessor', you can see an instant snapshot of how your qualifications may count towards your future studies.

unisa.edu.au/credit

SPECIAL TERTIARY ADMISSIONS TEST

If you don't have a competitive result from your Year 12, TAFE/VET or previous university study, you may qualify for entry into your preferred UniSA degree by choosing to sit the Special Tertiary Admissions Test (STAT) – 70 multiple choice questions designed to assess your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry with other special entry applicants. To be eligible, you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study.

unisa.edu.au/STAT

SAIBT

You can study a SAIBT Diploma and gain direct entry into the second year of more than 80 UniSA degrees (subject to academic results). SAIBT offer a Diploma in Arts, Diploma in Business, Diploma in Engineering, Diploma in Health Sciences and a Diploma in Information Technology.

As a SAIBT student, you'll have access to UniSA teachers and facilities. You'll also study some UniSA courses, giving you an introduction into university learning, and will be supported through small class sizes and personalised teaching.

OPEN UNIVERSITIES AUSTRALIA

If you've studied at least four courses of an Open Universities Australia (OUA) degree, then you can use your Grade Point Average (GPA) to competitively apply for entry into a UniSA degree. There's more than 2,000 subjects and 800 degrees to choose from, across areas like business, engineering, health, law, psychology and teaching.

TERTIARY TRANSFER

If your Year 12 results were lower than expected, you have the option of starting a different degree then using your competitive Grade Point Average (GPA) to transfer into your first preference. You can do this after completing four courses of an undergraduate degree, which is typically one full-time study period (semester) at UniSA or another recognised higher education institution. Students are also able to transfer into different degrees if they change their mind, using your competitive GPA and after completing a minimum of four courses.

Where can a UniSA degree take me?

UniSA is a place for unstoppable people from all walks of life.

EXPLORE OUR DEGREES

We're here to support you in achieving your future academic and career goals. We offer more than 200 world-class degrees across a wide range of study areas, which can take you anywhere!

Our degrees are designed in partnership with industry, so you'll graduate with the latest knowledge and the skills needed of tomorrow's professionals. Our teachers are also researchers who bring new and emerging findings into the classroom.

Our approach to learning is highly practical, so you'll work on real-world challenges and projects – making you career ready. There are also internship, placement and global learning opportunities.

unisa.edu.au/study

FLEXIBLE LEARNING

In a busy world, flexibility is everything. That's why we offer different study options, so our students can find the right balance and create their own experience. Through a UniSA degree, you can explore online, part-time, blended and accelerated learning.

No matter how you decide to study, our custom learning platforms are your go-to place to help navigate university life. You can access course outlines, weekly readings, lecture recordings, peer discussions boards, timetables, assessments and quick links to essential services like Campus Central and the IT Helpdesk. Our mobile app is also there so you can check details on the go.

Guarantee your future

Our pathways can help you gain entry into your preferred UniSA degree, but UniSA Guaranteed Entry is also there to back you.

Through UniSA Guaranteed Entry, you can secure your future place into most UniSA degrees. By making the degree you really want as your first preference and achieving the set Selection Rank, Year 12 subject grades or TAFE/VET qualification for entry (plus any academic criteria), you'll automatically receive an offer based on your best result. Here's how it works:

Don't forget, you can always put pathway programs like a UniSA College Diploma as a back-up option in your preference list. This will give you the best chance of getting into the degree you want. SATAC will work their way down the list (top to bottom), so you'll be offered the first program you're eligible for.

Example: Bachelor of Physiotherapy (Honours)

Preference	Degree	SATAC code
Preference 1	Bachelor of Physiotherapy (Honours)	414481
Preference 2	Bachelor of Human Movement	414231
Preference 3	Bachelor of Health Science (Public Health)	414501
Preference 4	Bachelor of Exercise and Sport Science	414461
Preference 5	Diploma in Health (Allied Health and Human Performance)	426083
Preference 6	UniSA Foundation Studies	427021

What your studies might look like

Starting university study is a big deal and there's lots of information to take in.

Whether you've recently finished high school or are coming back to study after some time away, understanding what your studies will look like can help you ease into university life.

Here are some things that can be different depending on what UniSA degree you choose:

- Degree length – *years it will take to complete.*
- Home campus – *we have four metro and two regional campuses.*
- Study mode – *how your degree is delivered (on-campus, online, or a combination of both).*
- Flexibility – *option to study online or part-time.*
- Courses – *create your own experience through subject, elective and stream selections.*

If you're studying full-time, you can typically expect to complete four subjects per study period, so eight subjects in total for the year. This will be a mixture of core courses and a range of electives or subjects that align to your stream, major/minor or specialisation. Lectures are mostly delivered online, but you'll come on campus for tutorials, workshops and other practical learning.

**FULL-TIME STUDY LOAD:
40 HOURS PER WEEK**

12–26 class contact hours
14–28 independent study hours

SPEAKING UNIVERSITY

Universities have a lingo that you'll pick up as you move through your studies, but here are some words you can get familiar with now:

- *Course > Subject*
- *Study period > Semester*
- *GPA > Grade Point Average*
- *HECS-HELP > Study loan*
- *SATAC > South Australian Tertiary Admissions Centre*

SUPPORTING YOU

We want you to feel confident in your studies, so there's heaps of student services you can access, including:

- Academic learning support
- Personal counselling
- Career services
- Access and inclusion services
- Aboriginal student services
- Online study resources
- Peer-to-peer mentoring and support
- Health and medical clinics
- Gym and fitness facilities
- Accommodation services
- Legal and financial advice

STUDIES**

2021 i-Graduate Survey, Student Barometer
(Domestic) – Study Support Indicator (96.3%).

Paying for your studies

If you're an Australian citizen, your place as a student at UniSA is Commonwealth supported.

This means you're only charged a portion of the cost of your studies and the Australian Government contributes the rest. If eligible, you can defer your contribution through a HECS-HELP loan and repay it later through the taxation system. Your contribution will depend on what you study.

FEES

All UniSA domestic undergraduate students are in Commonwealth-supported places.

Students pay a contribution of their fees depending on their program and the associated contribution band (see table below). Student contributions also depend on the unit value courses. As per the Australian Government guidelines, the student contribution amounts for 2023 are:

Band	Field of Education	Student contribution <small>For one year of full-time load (1 EFTSL)</small>	Student contribution <small>For each subject (0.125 EFTSL)</small>
1	Agriculture, english, mathematics, teaching, clinical psychology, languages and nursing.	\$4,124	\$515
2 (2&2A)	Architecture, IT, other health, allied health, creative arts, engineering, science, environmental studies, professional pathway psychology, professional pathway social work and clinical psychology.	\$8,301	\$1,037
3	Dentistry, medicine and veterinary science.	\$11,800	\$1,475
4 (4A,4C,4P, 4S&4Y)	Law, accounting, administration, economics, commerce, communications, society and culture, professional pathway psychology, professional pathway social work and clinical psychology.	\$15,142	\$1,892

This table should be used as a guide only (indicative 2023 only). Total costs can vary depending on the courses you study and the band they fall into.

SCHOLARSHIPS

Every year, more than 2,500 students benefit from our scholarships and grants. Find what you might be eligible for through our online scholarships search engine.

unisa.edu.au/scholarships

Your next steps

CHOOSE

Now is the time to decide. It's good to explore all of your options, which can be a mix of both UniSA College programs and UniSA degrees.

When gathering the information you need, think about what the best option is for you. If you're exploring UniSA College diplomas or UniSA degrees, make sure that you look at what subjects you'll be studying and what careers are available to see if that's what really interests you.

unisa.edu.au/study

TIP

UniSA College programs can be listed as a back-up option if you don't receive an offer to your preferred bachelor's degree. Or, you might like to put one as your top preference if you prefer a year to build your confidence before starting your university degree.

If you have questions about your study options, connect with our Future Student Enquiries team who are always happy to help.

APPLY

Armed with your list of preferences, you can now apply to study at UniSA through the SATAC website. If you need help with your application, check out our self-help resources.

unisa.edu.au/apply

TIP

Remember to list your preferences in order of what you're most passionate about. How you preference is how SATAC will provide offers (by working down the list). In your SATAC application, make sure you use your own mobile number and a personal email address.

And, don't forget to apply before the early application deadline to avoid a late fee.

KEY DATES

August 2023

SATAC applications open

September 2023

Early application deadline

December 2023

Equal consideration deadline

CHECK AND CONFIRM

If you're a Year 12 student, your results are finalised in mid-December. Check to see if you're eligible for adjustment factors and confirm your Selection Rank (ATAR inclusive of adjustment factors) by visiting SATAC's self-service portal. Then, give our Future Students Enquiries team a call to talk through your study options.

You could be eligible for UniSA's Guaranteed Entry into your preferred degree by using either your Year 12 subject grades or by achieving the guaranteed Selection Rank score.

Did you know that you could also gain entry to UniSA by using your TAFE/VET qualification? We offer both minimum and guaranteed TAFE/VET options.

It's also important to confirm your preferences by the change of preference deadline to be considered for an offer.

unisa.edu.au/guaranteed

TIP

You could be eligible for guaranteed entry into your preferred UniSA degree, so go online and check out our Guaranteed Entry Calculators.

Remember to pay your SATAC application fee. If you don't, you won't be eligible to receive an offer.

KEY DATES

Keep an eye out for events and campus tours later in the year where you can connect with our staff to have your questions answered.

unisa.edu.au/infosessions

December 2023

Year 12 results release

January 2024

Change of preference deadline

RESPOND

Applicants not waiting for Year 12 results could receive an offer as early as September and will continue monthly. Main offer rounds for Year 12 students occur in December/January and will continue until late February.

If you do receive an offer, read your SATAC email carefully for important information about responding to your offer and the program enrolment process.

satac.edu.au

TIP

Didn't get an offer? Contact our Future Student Enquiries team to discuss your options.

KEY DATES

December 2023/January 2024

Main offer round (all preferences)

PREPARE

Your university adventure starts here. Visit your student portal for next steps, including our video on how to enrol and our enrolment checklist.

You should also plan to attend Orientation, which will give you the opportunity to explore your campus, find lecture rooms, navigate through your online student portal and make new friends.

unisa.edu.au/newstudents

TIP

Make it a priority to attend Orientation. It's the best time to sign up to UniSA Sport, connect with your student association and explore different clubs and societies.

KEY DATES

February 2024

Orientation at UniSA

February 2024

UniSA classes commence

WHAT'S NEW?

Keep up to date with the latest degrees on offer and what's new at UniSA.

unisa.edu.au/new

HOW TO APPLY

We know the university application process can be confusing, so go online and check out our video on how to apply.
