Adelaide University
a new university for South Australia

We're planning for an exciting
new future.

The new Adelaide University, which is targeted to
open in January 2026, will combine the strengths
of the University of South Australia (UniSA) and
the University of Adelaide to offer contemporary
curriculum aligned to industry and enterprise, provide
more flexible and accessible ways to study, and aim to
deliver the best in research, student experience and
graduate outcomes.

There are no changes for 2025 entry. If you start
your studies with UniSA or the University of Adelaide,
you'll be highly supported in your transition to the
new institution in either your existing or an equivalent
program. Graduates from 2026 onwards will receive
their award from the new Adelaide University.

A new 'Adelaide University' is subject to legal and regulatory approvals.

adelaideuni.edu.au

YOUR FUTURE, GUARANTEED

We're here to back you. That's why we have a
few ways to guarantee your place at UniSA.

Make us your
first preference

+

Achieve the guaranteed
Year 12 subject grades

or

Achieve the guaranteed
Selection Rank

or

Achieve the guaranteed
TAFE/VET qualification

That's it. You're automatically in.

See what you might be eligible for with UniSA's Guaranteed Entry Calculators.
Find out more unisa.edu.au/guaranteed

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet.
Year 12 subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

#1 IN SA FOR GRADUATE CAREERS

ComparED (QILT) Graduate Outcomes Survey 2021-23 –
Full-time Employment Indicator (Domestic Undergraduate).
SA public universities.

MAKE IT YOUR WAY

Develop your sense of individuality and push your creativity to new limits by studying art, architecture, urban planning or design. Build an unstoppable career that will contribute to the creative and cultural landscape of the world around you. Express yourself through creative practice and learn from professional artists, architects, designers and researchers who are leaders in their field. Access a range of purpose-built spaces on campus, including practical design studios and workshops fitted with all the tools you need and the latest industry-standard technologies like 3D modelling, virtual reality systems, digital fabrication, water jet cutters and 3D printers.

HOME OF CREATIVE

UniSA is the home of creative. It's in our DNA. In fact, we're home to one of the oldest art schools in Australia. We're also one of the most actively engaged universities, known for connecting our students, alumni and the broader community to the world of art and all its possibilities through public galleries and spaces, exhibitions, events and partnerships. You can find inspiration in our creative spaces like the South Australian School of Art (SASA) Gallery, Australia's only architecture museum and the highly celebrated Samstag Museum of Art, all located on campus.

ARCHITECT YOUR FUTURE

Shape the world and environments we live in by studying an architecture degree at UniSA. Learn to create new spaces that will define and influence the way we interact, work, socialise and engage. Our undergraduate and postgraduate degrees will prepare you for your professional career by connecting you with real clients, industry mentors, communities and projects. You'll also get hands-on experience by designing, making and building in customised studios and workshops located on campus, along with opportunities to participate in national and international study tours, competitions and exhibitions.

FAST-TRACK YOUR FUTURE IN ARCHITECTURE

You can guarantee your future through a packaged Bachelor of Architectural Studies and Master of Architecture. Apply directly to SATAC and study both qualifications in five years of full-time study and be on your way to an unstoppable career as a registered architect.

🔗 unisa.edu.au/fast-track-to-masters

WHAT'S INDUSTRY SAYING?

"The best advice I can give to current students is to be part of the conversation. Understanding the people and environment around you, will give your work greater depth and integrity. Always take advantage of the diverse industry connections during your studies and jump at the chance to do hands-on work experience."

Amy Grundy | Director | BLOT STUDIO

ART WITH AN EDGE

Teaching contemporary artists since 1861, our experience in art education dates back more than 160 years! We offer the largest range of art studio areas in Australia through our Bachelor of Contemporary Art. Explore your creativity through painting and drawing, photography, glass, ceramics, jewellery, sculpture or printmaking. Learn in cutting-edge studios and state-of-the-art workshops with the latest analogue and digital technologies.

MODERN DESIGN

Change the way we view and interpret the world through a degree in design. Discover the many places that design can take you – whether it's designing new products like mobile phones, toys or solar cars; creating illustrations for books or animations for movies and games; or developing visual identities for websites, apps or brands. In your design degree at UniSA, you can choose to specialise in an area of your choice, including product design, graphic and communication design, illustration and animation, or game art. If you decide to do postgraduate studies, you can focus on areas like industrial design, sustainable design and interior architecture.

160+ YEARS OF EXPERIENCE TEACHING VISUAL ARTS

This incorporates the South Australian School of Art (one of Australia's oldest art schools), which opened in 1856 and became part of UniSA in 1991 when the University was established.

WORLD'S FIRST DESIGN DEGREE

UniSA is home to the world's first Bachelor of Design program, established by Professor Emeritus Robert Miller-Smith in 1979 through the South Australian School of Art's Department of Design at Underdale.

Artwork by Myka Staude, Bachelor of Design (Illustration & Animation).

TOP 10 IN AUSTRALIA FOR EMPLOYABILITY

Ranked #7, ComparED (QILT) Employer Satisfaction Survey 2021-23. SA public universities.

CREATIVE COLLABORATION

Through our partnerships with leading South Australian creative arts organisations like Adelaide Fringe, Guildhouse, JamFactory and the Helpmann Academy, you'll have access to a range of opportunities to support your creative practice and kickstart your career, such as internships, exhibitions, artist residencies, grants and awards, mentoring, masterclasses and more.

MAKE A LASTING IMPACT

Take part in the award-winning UniSA Design and Construct learning experience, where you'll design and then construct buildings and structures in locations around Australia and overseas. Collaborate with other students from a range of design disciplines, consider client and community needs, and get first-hand experience on a building site. Get involved and develop the skills you need for professional practice while making a lasting impact on individuals and communities. This is the largest and longest running teaching of its type in Australia.

ABORIGINAL PERSPECTIVES

Grow your understanding of how Aboriginal knowledges can be applied to your creative field. Depending on your chosen degree there are opportunities to learn about community consultation, working with diversity, designing on Country, caring for Country, reciprocity, and more. For example, students who undertake our Design and Construct courses can gain knowledge through working with First Nations communities on building projects.

BIG HEART FOR ART

Since graduating, Dave Court has been a rising star on the Adelaide arts scene, painting large-scale murals and creating immersive installations for the SALA, Spin Off, and Laneway festivals. He has also been crowned a previous winner of the Adelaide Fringe Poster Design Competition. His design captured the event's 60th diamond anniversary, using a colourful combination of aerosol spray paints.

In his solo exhibition, *House Party*, Dave transformed an abandoned house ready for demolition, into a full-scale immersive art piece. He also incorporated augmented reality for audiences, playing with the idea of physical and virtual, offline and online.

Dave says this approach to creativity was nurtured during his time at UniSA, where he was able to play with a broad range of mediums.

"I was able to use all the workshop facilities to try a range of different things, from glass making, ceramics and sculpture, to textiles, printmaking and photography. My teachers really pushed experimentation as a driving force for making things."

An incredible young talent, Dave continues to put his stamp on multiple projects and is also a board member of Renew Adelaide, supporting cool new ventures throughout the CBD.

@dave.court

MEET YOUR TEACHER

"We work closely with industry, so our graduates learn professional practice from the very first day they start university. It's so rewarding to mentor students in unlocking their potential in illustration, animation and drawing. I very much enjoy being a part of their growth, seeing how their individual skills and understanding have developed."

Jo Mignone | Course Coordinator: Bachelor of Design (Illustration and Animation)

PRACTICAL LEARNING

We offer more than 200 world-class degrees across a wide range of study and career areas. You'll learn in a highly practical environment with a focus on real-world applications. You can also take the opportunity to complete an internship or placement during your studies, learning from experts and building work-ready skills.

TOP RANKING TEACHERS

Make your study experience relevant by learning from highly qualified academics and industry professionals with curriculum informed by the latest insights and trends. Our teachers are also researchers who bring new and emerging findings into the classroom – so you'll have access to incredible knowledge, which will help inform your studies and professional practice.

CONNECTED WITH INDUSTRY

WORLD-CLASS FACILITIES

Study in modern, purpose-built facilities. Learn with the latest industry-standard tools and technologies that will take you from the classroom to the workplace.

POWERFUL PARTNERSHIPS

We collaborate with more than 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry and build your professional networks while you study.

BECOME A UniSA GLOBAL CITIZEN

You can travel and complete a student exchange, short-term program, internship, volunteering opportunity or study tour. Or, develop your cultural intelligence through interactive online learning, including virtual project work

REAL RESEARCH

Our research is inspired by challenges. We produce new knowledge that provides real solutions for industry, businesses and the wider community. You'll even explore new concepts and findings in your chosen degree, influenced by our world-class research outcomes.

EMBRACING ABORIGINAL KNOWLEDGES

At UniSA, we embrace the significance of nurturing respect and awareness of diverse First Nations knowledges. We are actively engaged in the process of weaving Aboriginal Knowledges into student learning. Our commitment stems from the belief that this inclusive approach enhances the educational experience and fosters a greater understanding of Australia's diverse heritage.

UniSA ACCELERATE

You can kickstart your university studies early through the UniSA **ACCELERATE** program. Study up to two courses, fully funded by a UniSA scholarship through UniSA Online while you're in Year 12. You can also choose to count this study towards your SACE Stage 2.

unisa.edu.au/accelerate

LEARN A LANGUAGE

Develop the skills you need to work internationally by studying French, Italian, Japanese or English through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree. Entry criteria apply.

unisa.edu.au/languages

GET CAREER READY

As a UniSA student, you'll have full access to the Career Services team. Their job is to get you career ready before you graduate. They lead a career development program, have active job boards, host workshops and produce online resources – like templates for creating awesome resumes. You can also connect with a career adviser, attend industry events or visit them on campus for on the spot advice.

DID YOU KNOW?

As a UniSA Online student you still have full access to the facilities, resources, events and support services available across all of our campuses.

STUDY A SINGLE COURSE

You can study a single course 100% online over 10 weeks to upskill in an area that interests you most or to gain new knowledge that employers are looking for. Explore areas like accounting, marketing, data analytics, psychology and digital design. You can even get study credit towards a full degree.

UPSKILL FAST WITH AN UNDERGRADUATE CERTIFICATE

UniSA Online now offers six-month undergraduate certificates in business, digital innovation, IT, mental health and psychology. Developed by our experienced academics, you'll gain a tertiary qualification in just six months, and can even receive study credit into a bachelor degree.

BECOME A DIGITAL BUSINESS LEADER

The adoption of technology is changing every aspect of how we live and work, from delivering pizza faster to making surgery safer. Demand for employees with the unique combination of digital and business skills continues to grow, as emerging technologies are incorporated into organisations across all industries. UniSA has partnered with global professional services company, Accenture, to develop a range of qualifications that address the digital skills gap. No matter how fast technology changes, you'll be one step ahead when you study digital business.

Bachelor of Design (Graphic and Communication Design)

unisa.edu.au/design

	City West Campus		
	On-campus		Intakes: Feb and Jul
	3 years full-time		Real-world projects

Prerequisites: none
Assumed knowledge: none
UniSA College pathways: Diploma in Creative Studies (Art and Design) or UniSA Foundation Studies + Undergraduate Certificate in University Studies (Creative Studies)

SATAC code	424151	Program code	DBGC
Year 12 Selection Rank:	Year 12 Grades:	TAFE/VET:	
guaranteed	65.00	guaranteed	B, B, C
cut-off 2024	65.00	cut-off 2024	CIV

 Part-time study available  Honours available

Choose electives in areas like digital marketing, package design, animation, consumer behaviour and photography; or you can choose to complete design projects with real clients through Match Studio.

Enter the creative world of graphic design. Learn to design visual communication that's intended to motivate, persuade and inform. Create new visual identities, messages and ideas through strategic thinking and design. Examine, shape and transform meaning using image and typographic communication. Build the skills required for information and publication design, branding and design strategy, and design for motion and interaction. Create in contemporary design studios located on campus. Choose from a wide range of electives focusing on areas such as printmaking, life drawing, package design, animation design, and more. Connect with real clients and work on design projects through Match Studio – our collaborative, on-campus learning space. After graduation, you'll also be eligible for Graduate Membership with the Design Institute of Australia (DIA).

CAREERS

Graphic designer · communication designer · signage and exhibition designer · branding specialist · web and digital designer · motion graphics designer · experience designer · freelance designer · creative director · studio coordinator · content creator

Study Australia's only degree combining illustration and animation. Gain the technical skills to become a visual storyteller across a variety of mediums, exploring your own practice and creating your own visual identity. Learn a broad range of techniques needed to produce professional standard pictures for industries such as book and comic publishing, gaming, film, advertising, and animation and design. Develop your skills in free-hand and digital drawing, painting and printing, illustration and animation along with in-depth knowledge of digital software for moving and static pictures. This includes the opportunity to study 2D, 3D and stop motion animation, including a unique industry-led maquette (model) making course. Study in custom-built workshops on campus fitted with the latest tools and technologies. Complete an industry internship, mentorship or collaborative project in your final year.

Complete a major in Game Art, focusing on artistic design for games development and virtual world simulation.

Study Australia's only degree combining illustration, animation and game art through a unique collaboration between UniSA and TAFE SA. Discover the growing field of games development and virtual world simulation, and prepare for a dynamic and creative career that can take you around the world. Begin your studies by exploring the theoretical knowledge and technical skills needed for pictorial development, visual storytelling and game art. Develop skills in free-hand and digital drawing, painting, illustration and animation, visual effects, sculpture, and conceptual thinking; and also build your understanding of 2D, 3D and stop motion animation software applications. In second year, you'll complete a Diploma of Screen and Media (Animation, Gaming and Visual Effects) by studying courses at TAFE SA. You'll then return to UniSA to finish your degree and graduate with two qualifications, along with a personal portfolio or showreel. Learn in on-campus workshops fitted with state-of-the-art equipment, including 3D modelling and visual effects software, industry-standard motion capture and virtual reality systems, 3D printers and a green screen.

CAREERS

Games developer · game designer · animator · illustrator · technical artist · visual effects artist · game play tester · production artist · character modeller · storyboard artist

Discover the innovative world of product design. Build a career designing products that people use every day, including electronic gadgets, medical devices, mobility solutions, tools, sports equipment, fashion accessories, domestic appliances and furniture, along with digital user interfaces. Learn about the fundamentals of design history, theory and thinking; human-centred design principles; and the evolution of creativity. Broaden your knowledge through studies in ergonomics, human factors, advanced 3D modelling, manufacturing, sustainable design, materials and processes, and design for usability. Develop practical skills through design studio classes, model making and prototyping. Learn from practising design professionals in modern, custom-built workshops on campus. Work with the latest digital fabrication equipment such as laser cutters, CNC routers, 3D printers, water jet cutters and virtual reality systems. Gain practical experience through professional placements, and connect with real clients and work on real design projects through Match Studio – our collaborative, on-campus learning space. After graduation, you'll also be eligible for Associate Membership with the Design Institute of Australia (DIA).

Study electives in business, advertising, marketing or animation; or complete an overseas study tour, major marketing project or placement in our on-campus Marketing Clinic.

Prepare for a specialist marketing career in digital and print design. Develop foundation knowledge in design and evidence-based marketing; and learn how to apply key design principles across a range of marketing activities. Learn about the creative elements of advertising and how to work collaboratively with graphic designers to create high quality marketing materials. Study core courses in digital marketing, design for publication, consumer behaviour, computer graphics and imaging. Build your practical skills through an industry internship, a mentor program, or an overseas study experience. Learn from experts who advise global brands like Colgate-Palmolive, Mondelez International and Nestlé. You may also get the opportunity to participate in our on-campus Marketing Clinic and provide advice to small businesses under the supervision of marketing professionals. High achieving students may be eligible for the Ehrenberg Scholarship, which covers study fees for one year and the opportunity to apply for a part-time position as a Research Assistant at the world-renowned Ehrenberg-Bass Institute for Marketing Science. You can also apply for a Vacation Research Scholarship and become involved in world-class research.

Continue your studies with a one-year honours program following your undergraduate degree, aimed at further developing your knowledge and research skills in a chosen subject area. You can explore the creative industries, including contemporary art, graphic and communication design, illustration, animation, product design, cultural studies, film and television, journalism and professional writing, communication and media, creative writing, social media, screen studies, and more. Prepare an in-depth honours thesis which can include a creative practice component in your discipline, and be guided by up to two academic supervisors who are well-established in their field. Graduate with a competitive advantage and a qualification that will broaden your career opportunities or prepare you for postgraduate study.

CAREERS

Depending on your chosen area of focus, this qualification can lead to a variety of careers in creative arts, design, education or research.

Entry requirements
This program is available to students who have successfully completed an undergraduate degree in a relevant visual arts or design discipline, or equivalent qualification, with an overall Grade Point Average (GPA) of 5 or above (credit level average) and who obtained a credit level average in the final year of the discipline that the candidate intends to pursue within the honours program. Applicants are considered on an individual basis and selection is competitive.

FURTHER STUDY

- Master of Design – various specialisations
- Master of Research
- Doctor of Philosophy (PhD)

DEGREE STRUCTURE

FIRST YEAR	Research Methods (Creative) Research Practices (Creative) Honours Research 1 (Creative)
	Honours Research 2 (Creative)
	Honours Research 3 (Creative)

Students will be required to attend on-campus classes as part of their studies. Some classes may be completed online, including all lectures.

POSTGRADUATE AND RESEARCH DEGREES

Take your career to the next level and develop your knowledge further through postgraduate study.

You can also make a positive and lasting contribution to your field through a research degree.

Master of Architecture

unisa.edu.au/architecture

 City West Campus	 Intakes: Feb and Jul
 On-campus	 Internship/placement
 2 years full-time	 Commonwealth supported*

SATAC code	4CM012	Program code	DMAE
------------	--------	--------------	------

 Part-time study available *see page 33 for more on fees

Build on your undergraduate studies by completing the qualification needed to become a registered architect. Apply advanced knowledge to contemporary architecture and design practice. Develop an in-depth understanding of construction systems, digital design and communication, sustainable strategies, architectural practice, and the historical and theoretical contexts that shape our built environment. Gain valuable practical experience through intensive architectural design studio classes where you'll design complex projects, and participate in industry placements and international field trips. Learn from highly experienced teachers and leaders in their field. Enhance your employment prospects by pursuing an area of interest such as Design and Construct, Urban and Regional Planning, Construction and Project Management, or Sustainable Design. Engage in real work-integrated learning projects through the Design and Construct learning experience – the longest running practice-based teaching of its type in Australia, where you'll design and build projects in locations across the country and overseas.

This master's program is accredited by the Architectural Practice Board of South Australia and is listed as an accredited degree by the Architects Accreditation Council of Australia. Graduates must complete a minimum period of work in the industry and the Architectural Practice Examination to be eligible to apply for registration as an architect.

CAREERS

Architect (once registered) · spatial designer · urban designer · studio manager · design consultant · heritage consultant · project manager · construction manager

Entry requirements

- Bachelor of Architectural Studies (DBAE) from UniSA, or a bachelor degree in a three-year pre-professional architecture program from a recognised Australian higher education institution, or equivalent qualification.
- Applicants with a bachelor degree in a three-year pre-professional architecture program from a non-Australian higher education institution must also submit a portfolio as part of their application.
- Entry into this program is competitive, based on academic merit and subject to quota. The University may admit other applicants who provide satisfactory evidence of academic achievement, which is recognised as an equivalent qualification to a completed Bachelor of Architectural Studies (DBAE).

DEGREE STRUCTURE

FIRST YEAR	Advanced Architectural Design Studio (Environment) Research Methods (Creative) Elective	SECOND YEAR	Architectural Design Research Studio (Context) Professional Architecture Practice Elective
	Advanced Architectural Design Studio (Construction) Research Practices (Creative) Elective		Architectural Design Research Studio (Integrated) Contemporary Architectural Practice Elective

Students will be required to attend on-campus classes as part of their studies. Some classes may be completed online, including all lectures.

"Studying architecture at UniSA has helped me to observe and understand the world around me on a finer scale. It has also given me some amazing opportunities to travel and expand my creative practice. Participating in an international study tour also allowed me to broaden my thinking and understanding of architectural practice."

Caitlin Murphy | Architecture Graduate / Graduate of Architecture, Walter Brooke

The Unstoppables

DAS GOOD

Dino Vrynios
Architect & Director at
Das Studio
Master of Architecture

Sara Horstmann
Designer & Director at Das Studio
Bachelor of Architectural Studies
Bachelor of Design
(Product Innovation)

Talented husband and wife duo, Sara Horstmann and Dino Vrynios, are the creative masterminds behind Das Studio and designers of ESCAPOD – movable, off-grid luxury accommodation that's popping up across regional Australia.

Combining their expertise in architecture and product design, these UniSA grads and **UNSTOPPABLE** forces are redefining the idea of place and space, and the definition of a true power couple.

- Bachelor degree from a recognised higher education institution or equivalent qualification in a related discipline along with a portfolio of work, curriculum vitae and written statement of intent.
- Applicants who have completed a Graduate Diploma in Design (DGSP) from UniSA are eligible to enter and are not required to submit a portfolio of work or statement of intent.
- Some applicants may be eligible for Advanced Standing and can complete in less than 2 years full-time study or equivalent part-time study.

FURTHER STUDY

- Master of Research
- Doctor of Philosophy (PhD)

DEGREE STRUCTURE

Table with 2 columns: Year and Courses. Rows show First Year (Research Studio 1, Research Methods (Creative), Nature, Culture and Sustainability) and Second Year (Masters Project 1, Masters Project Report 1, Elective).

Students will be required to attend on-campus classes as part of their studies. Some classes may be completed online, including all lectures.

Master of Design
(Sustainable Design)

Nested with:
Graduate Diploma in Design (Sustainable Design)

unisa.edu.au/design

Table with 4 columns: Location, Mode, Duration, and Intakes. Rows include City West Campus, On-campus, and 2 years full-time.

Table with 3 columns: Duration, SATAC code, and Program code. Rows show 2 years, 1 year, SATAC codes 4CM131 and 4CM208, and program code DMSP.

Part-time study available *see page 33 for more on fees

Focus on sustainable design theory and practice. Study the social, cultural, economic and technological advancements and their impact on design. Learn to create design solutions that seek to reduce negative impacts on the environment and improve the health and wellbeing of communities. Discover ways to enhance different environments through minimising waste and consumption. Tailor your studies through a range of electives in areas such as planning and professional ethics, energy management, construction, land and law, and the global business environment. Access purpose-built workshops and learning spaces on campus, and learn from practising professionals with strong links to industry. Gain valuable professional experience by working on real creative projects, including writing proposals and presenting to clients.

CAREERS

Sustainability consultant · urban designer · project manager · heritage consultant · design consultant · freelance designer · community project developer

Master of Research
Doctor of Philosophy (PhD)

unisa.edu.au/researchdegrees

Our research degrees are designed to make a difference. You'll be at the forefront of solving real-world problems, by studying a project-based research degree where you'll partner with end-users to develop solutions for the challenges of today and tomorrow.

We want you to thrive in a vibrant postgraduate culture that celebrates creativity and innovation. You'll develop new knowledge to meet contemporary art and design challenges, and spark new ways of thinking and producing. Be inspired by visiting scholars and artists, who are leaders in their field. Engage in thought-provoking symposiums, work-in-progress seminars and studio critiques. Learn under the guidance of highly experienced research supervisors and benefit from national and international research links that will help inform your studies.

TOPICS OF RESEARCH

- Architecture
- Visual Arts
- Design
- Urban and Regional Planning

Entry requirements
A research degree is suitable for someone who has completed a previous degree, normally with a research component. At UniSA, all research degree applications are made to a specific project as listed on our research projects web page. Most projects will have additional, project-specific selection criteria. It is also possible to develop your own research project by negotiation. Please contact the Graduate Research Admissions team if you have any questions.
research.degrees@unisa.edu.au

Master of Research
- Bachelor degree (or equivalent) of at least three years in a relevant discipline with a minimum credit average; or
- Honours degree or bachelor degree with honours; or
- Relevant master's degree.

Doctor of Philosophy (PhD)
- Honours degree or bachelor degree with honours of at least class 2A standard in an appropriate discipline; or
- Relevant master's degree.

Alternative entry
- Other applicants may be considered for admission if their previous education, professional experience and published research work is of sufficient quality and relevance to prepare the applicant for a research degree.

EXPLORE OUR RESEARCH PROJECTS
Apply for a research degree and choose from one of our many research projects, or design your own. Scholarships and fee-waivers are available. Conditions apply.

HOW TO UNLOCK YOUR UNSTOPPABLE CAREER

GET THE COMPETITIVE EDGE

In the next five years, more than 90% of new jobs will need post-secondary qualifications like a university degree.

Latest federal government reporting shows that there'll be jobs growth across a wide range of industries and job types, but the most growth will be careers that demand higher skill levels. Professional roles alone are on the rise, with projected growth sitting at 14.7% between 2021 and 2026.

This means furthering your education has never been more important. Developing soft skills in communication, computing, cognitive ability and care will also be essential ingredients to your future success.

It's in our DNA to produce unstoppable graduates, and with more than 200 world-class degrees to choose from, we'll help you become a force of the future in Australia's workforce and beyond.

Information Source: 2021–2026 Australian Government National Skills Commission, Employment Outlook

PREFERENCE BY PASSION

We know that choosing your preferences can be confusing, but we're here to help. Applications to study at UniSA are made through SATAC and you can select up to six preferences (degrees).

SATAC make offers by working down your preference list, so it's important to preference in order of what you want to study *most*. Don't forget, SATAC will also look at your eligibility criteria (for example, does the degree have any prerequisites?).

There are also some other things to consider when narrowing down your six choices:

1. By preferencing UniSA first, you might also be eligible for guaranteed entry. All you need to do is meet the guaranteed Selection Rank, Year 12 subject grades or TAFE/VET qualification (and any other academic criteria).

2. Do you need a back-up option? Alternative pathways offered through UniSA College can be included as part of your preference list.

That's the hard work done!

You'll automatically receive an offer from SATAC for the first preference you're eligible for in the list. It's also good to remember that there are multiple offer rounds so don't worry if you miss out on your top pick first go.

Don't just settle, follow your passion – we'll help get you into your preferred degree and you'll be on your way to that unstoppable career.

#1 IN SA FOR STUDENT SUPPORT

ComparED (QILT) Student Experience Survey 2021-22, Student Support Indicator (Postgraduate). SA public universities.

UniSA STUDENT EXPERIENCE

Orientation is the start of your journey at university. Explore your campus, meet new people, connect with teaching staff, get study advice and enjoy different activities.

Campus Central teams are there to help you with everything from ID cards, to enrolment, fees, student services and any questions you have about your studies.

Support services are available to you throughout your time at university, including study support, personal counselling and peer mentoring, along with access to a range of community clinics located on campus.

USASA (University of South Australia Student Association) is your student association and voice at university. They also organise social activities, coordinate 100+ student clubs and publish our award-winning student magazine.

Career Services will help you prepare for your future career. Connect with one of our expert career advisers, access the online Career Hub for the latest resources and job listings, and attend networking and industry events.

UniSA+ and ASPIRE will help to shape your personal and professional journey through leadership and self-development work while you study, so you can become the best version of yourself.

Student lounges feature open social spaces, study nooks, kitchen facilities, mobile charging stations, lockers, gaming stations and more.

UniSA Sport has 25+ sporting clubs, including rowing, netball, gridiron, rock climbing and even esports!

24-hour security services are available on campus and the free SafeZone app is available for download through the App Store or Google Play.

Accommodation services are available to help you set up a home away from home.

STUDY AT UniSA – THE BASICS

APPLYING WITH YEAR 12 RESULTS

- Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:
- A competitive Selection Rank (ATAR inclusive of adjustment factors);
 - Fulfilment of the degree's prerequisite requirements (where applicable).
- Applicants may also be eligible to compete for entry if they have completed the degree's prerequisite requirements and one of the following:
- An interstate or overseas qualification considered by the University as equivalent to SACE; or
 - The International Baccalaureate Diploma with a minimum score of 24 points.
- unisa.edu.au/Year-12
- ## ADJUSTMENT FACTORS
- Australian high school students applying for university study may be eligible for adjustment factors. These are based on set equity factors and/or subject choices (see below). SATAC will combine them with your ATAR to improve your Selection Rank for entry.
- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
 - The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.
- unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY

There are a few ways to guarantee your place at UniSA:

Year 12 Grades Guaranteed Entry – UniSA offers guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that's it, you're automatically in.

Subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

Selection Rank Guaranteed Entry – UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do.

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. Application timelines and fees also apply.

TAFE/VET Guaranteed Entry – UniSA offers guaranteed entry based on successfully completed VET qualifications. If your completed VET award meets the set VET Guaranteed Entry, you have met any prerequisites and specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer.

Try UniSA's Guaranteed Entry Calculators

unisa.edu.au/guaranteed

ALTERNATIVE PATHWAYS

Entering your chosen degree straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following:

UniSA College – there are a variety of pathway options offered through UniSA College, including Diplomas, Undergraduate Certificates in University Studies, Foundation Studies, and the Aboriginal Pathway Program. You'll be enrolled as a UniSA student and build the academic skills needed for university study, along with introductory knowledge for your preferred UniSA degree.

Find out more about the full range of UniSA College programs at:

unisa.edu.au/college

UniStart – Study a tailored and supportive, fee-free university pathway program designed to prepare you to succeed in university study. In just six months full-time study you will build fundamental academic skills, gaining the confidence and competitive results to transition into a degree to pursue your goals. UniStart is offered 100% online, commencing in 2025.

unisaonline.edu.au/unistart

STAT – a competitive Skills for Tertiary Admissions Test (STAT) score, based on 70 multiple choice questions designed to assess your aptitude for tertiary study. A personal competencies statement or relevant employment experience alongside your STAT score may also be considered for some degrees.

TAFE/VET – many UniSA degrees will accept applicants who hold an AQF Certificate IV or higher from TAFE or another Registered Training Organisation. UniSA Diplomas accept Certificate III and higher.

SAIBT – there are a range of bridging qualifications offered through the South Australian Institute of Business & Technology.

Tertiary transfer – completion of at least half a year of full-time equivalent study towards an undergraduate degree at a recognised higher education institution. You can apply using your competitive Grade Point Average (GPA).

RELOCATING TO ADELAIDE

If you're interested in relocating to Adelaide to study, there's a few things to think about before making the move.

unisa.edu.au/regional-relocation

SCHOLARSHIPS

Each year, more than 2,500 students from all walks of life benefit from scholarships at UniSA, providing financial assistance as well as valuable work experience, mentoring opportunities and overseas travel. Go online to check what you might be eligible for.

unisa.edu.au/scholarships

HOW TO APPLY

Applications to most UniSA degrees are administered through the South Australian Tertiary Admissions Centre (SATAC). Visit our website for all the information you need about applying.

unisa.edu.au/apply

For all UniSA Online degrees, you can apply directly.

unisaonline.edu.au

FEES

All UniSA domestic undergraduate students are in Commonwealth-supported places. Students pay a contribution of their fees depending on their program and the associated contribution band (see table below). Student contributions also depend on the unit value courses. As per the Australian Government guidelines, the student contribution amounts for 2024 are:

Band	Field of education	Student contribution <small>For one year of full-time load (1 EFTSL)</small>	Student contribution <small>For each subject (0.125 EFTSL)</small>
1	Agriculture, english, mathematics, teaching, clinical psychology^, languages and nursing.	\$4,445	\$555
2 (2 & 2A)	Architecture, IT, other health, allied health, creative arts, engineering, science, environmental studies, professional pathway psychology, professional pathway social work and clinical psychology^.	\$8,948	\$1,118
3	Dentistry, medicine and veterinary science.	\$12,720	\$1,590
4 (4A, 4C, 4P, 4S & 4Y)	Law, accounting, administration, economics, commerce, communications, society and culture, professional pathway psychology, professional pathway social work and clinical psychology.	\$16,323	\$2,040

Some postgraduate programs are Commonwealth-supported, while others are full fee-paying. These details are listed under each program in this guide. For programs under one year full-time study, fees are listed as the whole program. For programs over one year of full-time study, fees are listed based on the cost per annum.

This table should be used as a guide only (indicative 2024 only). Total costs can vary depending on the courses you study and the band they fall into. For more information about fees, including eligibility for Commonwealth-supported places and deferring your student contributions through HECS-HELP or FEE-HELP loans, visit unisa.edu.au/fees

^ Band determined by program/plan.
