## **Adelaide University**

a new university for South Australia

## We're planning for an exciting new future.

The new Adelaide University, which is targeted to open in January 2026, will combine the strengths of the University of South Australia (UniSA) and the University of Adelaide to offer contemporary curriculum aligned to industry and enterprise, provide more flexible and accessible ways to study, and aim to deliver the best in research, student experience and graduate outcomes.

There are no changes for 2025 entry. If you start your studies with UniSA or the University of Adelaide, you'll be highly supported in your transition to the new institution in either your existing or an equivalent program. Graduates from 2026 onwards will receive their award from the new Adelaide University.

A new 'Adelaide University' is subject to legal and regulatory approvals.

Our Career Services team recommend using the **SODA** exercise to get you thinking about your next steps.

Self-awareness - understand your values, strengths/weaknesses, beliefs, personality and likes.

**Opportunities** – do some research into where careers of interest can take you and the future job market.

**Decision-making** – ask yourself some important questions like:

- Does this meet my personal values
- Do I have a real interest in this area?
- Do I have the right abilities and experience?
- · Is there a demand in the market?

Action – now, armed with the right knowledge about yourself, explore your degree options with all of this in mind.

#### Meet some of the Unstoppables

A pop culture guru and tastemaker of new trends, Boon Ken Wong is part of Spotify's International Music Team, responsible for leading artist and editorial strategy and multi-market collaboration in the APAC region.

This UniSA grad and UNSTOPPABLE force is working across South East Asia, South Korea, Greater China, Japan, India, Australia and New Zealand, introducing the world to the best new music and well-loved classics for the global streaming giant.

## NASA SUPERSTAR

Have you ever dreamt of working with NASA? Well, UniSA psychology grad and expert sleep researcher, Dr Cassie Hilditch, has made that her reality investigating ways to improve sleep, alertness and performance in flight.

Based in California, this UNSTOPPABLE force now walks the same campus as past and future astronauts as they prepare for their missions to the moon.

## **SNACK STARTUP**

Who doesn't love eating chips? Well for some, like UniSA marketing grad Matt Parry, his need for a low FODMAP diet made it a little tricky.

Not wanting to miss out on one of his favourite snacks, this UNSTOPPABLE force became a startup sensation, creating The Good Crisp Company, with products now lining the shelves at Walmart and Whole Foods across the United States.

## **LEGO MASTER**

Vietnam is set to become home to LEGO's first ever carbon neutral factory and UniSA engineering grad, Thi Quang Linh Tran, is one of the company's driving forces behind building a more sustainable future.

This UNSTOPPABLE force and woman in STEM is bringing her technical expertise and passion for environmental ethics to the project as a sustainable construction manager, with the Vietnamese Government championing the expansion of renewable energy production infrastructure across the country.
