Adelaide University
a new university for South Australia

We're planning for an exciting
new future.

The new Adelaide University, which is targeted to
open in January 2026, will combine the strengths
of the University of South Australia (UniSA) and
the University of Adelaide to offer contemporary
curriculum aligned to industry and enterprise, provide
more flexible and accessible ways to study, and aim to
deliver the best in research, student experience and
graduate outcomes.

There are no changes for 2025 entry. If you start
your studies with UniSA or the University of Adelaide,
you'll be highly supported in your transition to the
new institution in either your existing or an equivalent
program. Graduates from 2026 onwards will receive
their award from the new Adelaide University.

A new 'Adelaide University' is subject to legal and regulatory approvals.

adelaideuni.edu.au

YOUR FUTURE, GUARANTEED

We're here to back you. That's why we have a
few ways to guarantee your place at UniSA.

Make us your
first preference

+

Achieve the guaranteed
Year 12 subject grades

or

Achieve the guaranteed
Selection Rank

or

Achieve the guaranteed
TAFE/VET qualification

That's it. You're automatically in.

See what you might be eligible for with UniSA's Guaranteed Entry Calculators.

Find out more unisa.edu.au/guaranteed

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet.
Year 12 subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

#1 IN SA FOR GRADUATE CAREERS

ComparED (QILT) Graduate Outcomes Survey 2021-23 –
Full-time Employment Indicator (Domestic Undergraduate).
SA public universities.

A PASSION FOR PEOPLE

Pursue an unstoppable career that helps empower individuals and creates more socially engaged communities. You can explore the fascinating world of the humanities through an arts degree, or you can study programs focused on the connections between the brain and behaviour, the meaning behind human interactions, and the broader social sciences. Help to drive better social outcomes and an understanding of mental health across different pockets of society, and deep dive into social policy, research and education to help improve existing systems and contemporary practice. Learn in purpose-built facilities on campus, including our social work and human services studios, Cognitive Neuroscience Laboratory and the Behaviour-Brain-Body Research Centre – home to the Cognitive Ageing and Impairment Neurosciences Laboratory, and the Sleep and Chronobiology Laboratory.

unisa.edu.au/study

#1 IN SA FOR GRADUATE CAREERS IN SOCIAL SCIENCES

ComparED (QILT) Graduate Outcomes Survey 2021-23, Humanities, Culture and Social Sciences – Full-time Employment Indicator (Domestic Postgraduate). SA public universities.

#1 IN SA FOR STUDENT SATISFACTION IN SOCIAL WORK

ComparED (QILT) Course Experience Questionnaire 2021-22 – Overall Satisfaction Indicator (Domestic Undergraduate and Postgraduate). SA Public universities.

STUDY SOMETHING UNIQUE

Did you know that we offer South Australia's only psychology degree in cognitive neuroscience, which explores the neural connections in the brain and the way we process and interpret information? We also offer unique degrees that specialise in areas like ageing and disability or counselling and interpersonal skills. Learning alongside experienced practitioners and teaching staff, you'll develop the knowledge and skills to help people thrive, solve complex problems and support the overall wellbeing of individuals, families, carers and communities.

Jody Tang, UniSA Social Work Graduate.

GO BEYOND THE CLASSROOM

When you study a degree in psychology, social work or human services at UniSA, your studies will go beyond the classroom. You'll have opportunities to immediately apply your learnings to real-world environments while building your professional networks and connecting with industry. Complete fieldwork or a placement, or collaborate with industry on cutting-edge research projects. Postgraduate students can also gain practical experience in our on-campus Psychology Clinic, where you'll treat real patients under the supervision of qualified clinical psychologists and develop skills in a range of therapeutic practices.

DOUBLE YOUR KNOWLEDGE

Enhance your learning and career opportunities by studying a double degree. Combine your psychology qualification with a second discipline in areas like law, human resource management, exercise and sport science or human services. Examine human behaviour and its application in different environments, broadening your knowledge and expertise.

CREATE YOUR OWN ADVENTURE

The more you can learn and follow your passions, the more options you'll have as a graduate. That's why our Bachelor of Arts offers you the flexibility of a double major with more than 150 combinations to choose from. You'll be able to deep dive into real areas of interest and draw connections to future career paths that you couldn't do in any other way. You could pair Languages with History and Global Politics and work as a diplomat. You could use your knowledge in Sociology and Cultural Studies to develop new policies. You can study Criminology and Criminal Justice, and Languages to work in security and intelligence, or even combine Applied Linguistics and Psychology to explore art therapy. See page 13.

People-focused degrees are all about experience and connection, so you'll complete fieldwork, placements and research projects during your studies.

Our Psychology Clinic offers postgraduate students real experience in treating members of the community.

WHAT'S INDUSTRY SAYING?

"The practical application of your study is an amazing way to gain the kind of skills that benefit the whole service ecosystem; a fantastic way to learn while you contribute."

Lydia Crawford-Pope | Designer & University Relations, Research and Innovation | Uniting Communities

#1 IN SA FOR EMPLOYABILITY

ComparED (QILT) Employer Satisfaction Survey 2021-23. SA public universities.

STAND FOR SOCIAL CHANGE

We offer industry-recognised social science degrees in both ageing and disability or human services. Develop the skills to support individuals, families and carers involved with the elderly and people living with disabilities, or those who have experienced personal or social difficulties.

Learn to navigate the Australian National Disability Insurance Scheme (NDIS), explore ethical practice and discover how to enhance services within the sector; or delve into the world of human services and understand how behaviour is affected by cultural, environmental, psychological and political factors – and what you can do to have a meaningful impact.

Graduate with more than 500 hours of placement experience and be part of the next generation of social change.

WELL ABOVE WORLD-CLASS RESEARCH IN PSYCHOLOGY
2018 Excellence in Research for Australia (ERA).

CONNECT WITH REAL PEOPLE

UniSA runs a Psychology Clinic that provides affordable services to the community. Based at Magill Campus, postgraduate clinical psychology students learn to provide high quality therapeutic services to real patients under the guidance of fully qualified and practising clinical psychologists. You can gain valuable experience in helping people to overcome difficulties by building the tools they need to thrive, and explore critical areas of mental health like anxiety, depression, eating disorders, PTSD, insomnia and behavioural issues in children.

unisa.edu.au/communityclinics

ENGAGE IN GROUNDBREAKING RESEARCH

During your studies, you can get involved with fascinating research projects conducted at the Behaviour-Brain-Body Research Centre located on campus. This research group combines expertise in sleep, nutrition and physical activity. They explore a diverse range of topics such as the effects of sleep on human performance, cognitive decline and links to dementia, as well as fatigue management and reducing risks with shift workers.

unisa.edu.au/BBBR

DISCOVER OUR ABORIGINAL EMPLOYMENT PATHWAYS

Aboriginal and Torres Strait Islander students who are studying a degree in psychology, social work or human services are able to engage in paid work during their studies through a unique partnership with SYC – a not-for-profit organisation that invests in the community by helping people with housing, education and employment. Students can apply their learnings and gain valuable experience with the possibility of continuing employment after graduation.

FIRST NATIONS PERSPECTIVES ACROSS SOCIAL SCIENCES

Grow your understanding of how Aboriginal knowledges intersect with psychology, social work and arts. Build your knowledge and awareness relating to intercultural, cross-cultural and Aboriginal and Torres Strait Islander principles within clinical, mental health and wellbeing contexts. Depending on your degree, you could participate in a culturally rich experience on placement or within research with Aboriginal communities, organisations or employers.

Associate Professor Yvonne Clark | Associate Researcher Professor: Psychology

"I am a proud Kokatha/Wirangu woman, was the first Aboriginal psychologist in SA and have my doctorate. Sharing Aboriginal knowledge about one of the oldest living cultures in the world, especially in relation to psychology and wellbeing, is an honour."

JOBS GROWTH

Jobs in aged care and disability are projected to grow by 74,900 (28%) between 2021 and 2026. 2021–2026 Australian Government National Skills Commission, Employment Outlook.

MEET YOUR TEACHER

"My job is to ensure that students are ready to support diverse people living with disability or experiencing ageing. It's important to develop the right skills to help build family leadership, valued social roles, person centred services and social inclusion, so that individuals, families and communities can live more enriching lives."

Caroline Ellison | Program Director: Social Science (Ageing and Disability)

PRACTICAL LEARNING

We offer more than 200 world-class degrees across a wide range of study and career areas. You'll learn in a highly practical environment with a focus on real-world applications. You can also take the opportunity to complete an internship or placement during your studies, learning from experts and building work-ready skills.

TOP RANKING TEACHERS

Make your study experience relevant by learning from highly qualified academics and industry professionals with curriculum informed by the latest insights and trends. Our teachers are also researchers who bring new and emerging findings into the classroom – so you'll have access to incredible knowledge, which will help inform your studies and professional practice.

CONNECTED WITH INDUSTRY

WORLD-CLASS FACILITIES

Study in modern, purpose-built facilities. Learn with the latest industry-standard tools and technologies that will take you from the classroom to the workplace.

POWERFUL PARTNERSHIPS

We collaborate with more than 2,500 companies worldwide to bring our students placement, project, research and work opportunities. Connect with industry and build your professional networks while you study.

BECOME A UniSA GLOBAL CITIZEN

You can travel and complete a student exchange, short-term program, internship, volunteering opportunity or study tour. Or, develop your cultural intelligence through interactive online learning, including virtual project work

REAL RESEARCH

Our research is inspired by challenges. We produce new knowledge that provides real solutions for industry, businesses and the wider community. You'll even explore new concepts and findings in your chosen degree, influenced by our world-class research outcomes.

EMBRACING ABORIGINAL KNOWLEDGES

At UniSA, we embrace the significance of nurturing respect and awareness of diverse First Nations knowledges. We are actively engaged in the process of weaving Aboriginal Knowledges into student learning. Our commitment stems from the belief that this inclusive approach enhances the educational experience and fosters a greater understanding of Australia's diverse heritage.

UniSA ACCELERATE

You can kickstart your university studies early through the UniSA **ACCELERATE** program. Study up to two courses, fully funded by a UniSA scholarship through UniSA Online while you're in Year 12. You can also choose to count this study towards your SACE Stage 2.

unisa.edu.au/accelerate

LEARN A LANGUAGE

Develop the skills you need to work internationally by studying French, Italian, Japanese or English through a Diploma in Languages. Access the Multimedia Languages Lab at Magill Campus and connect with native speakers from around the world in real-time. Graduate with an additional qualification by studying the diploma alongside your undergraduate degree. Entry criteria apply.

unisa.edu.au/languages

GET CAREER READY

As a UniSA student, you'll have full access to the Career Services team. Their job is to get you career ready before you graduate. They lead a career development program, have active job boards, host workshops and produce online resources – like templates for creating awesome resumes. You can also connect with a career adviser, attend industry events or visit them on campus for on the spot advice.

SUPPORT SERVICES

UniSA Online provides personalised support services over extended hours – including on weekends – so you can get help when you need it. Whether it's for assignments, referencing, administrative or technical support, you'll have access to a team ready to assist you every step of the way.

Access online academic support seven days a week

- Connect with a dedicated Student Adviser

- Access tech support 24/7

unisaonline.edu.au

DID YOU KNOW?

As a UniSA Online student you still have full access to the facilities, resources, events and support services available across all of our campuses.

STUDY A SINGLE COURSE

You can study a single course 100% online over 10 weeks to upskill in an area that interests you most or to gain new knowledge that employers are looking for. Explore areas like accounting, marketing, data analytics, psychology and digital design. You can even get study credit towards a full degree.

UPSKILL FAST WITH AN UNDERGRADUATE CERTIFICATE

UniSA Online now offers six-month undergraduate certificates in business, digital innovation, IT, mental health and psychology. Developed by our experienced academics, you'll gain a tertiary qualification in just six months, and can even receive study credit into a bachelor degree.

BECOME A DIGITAL BUSINESS LEADER

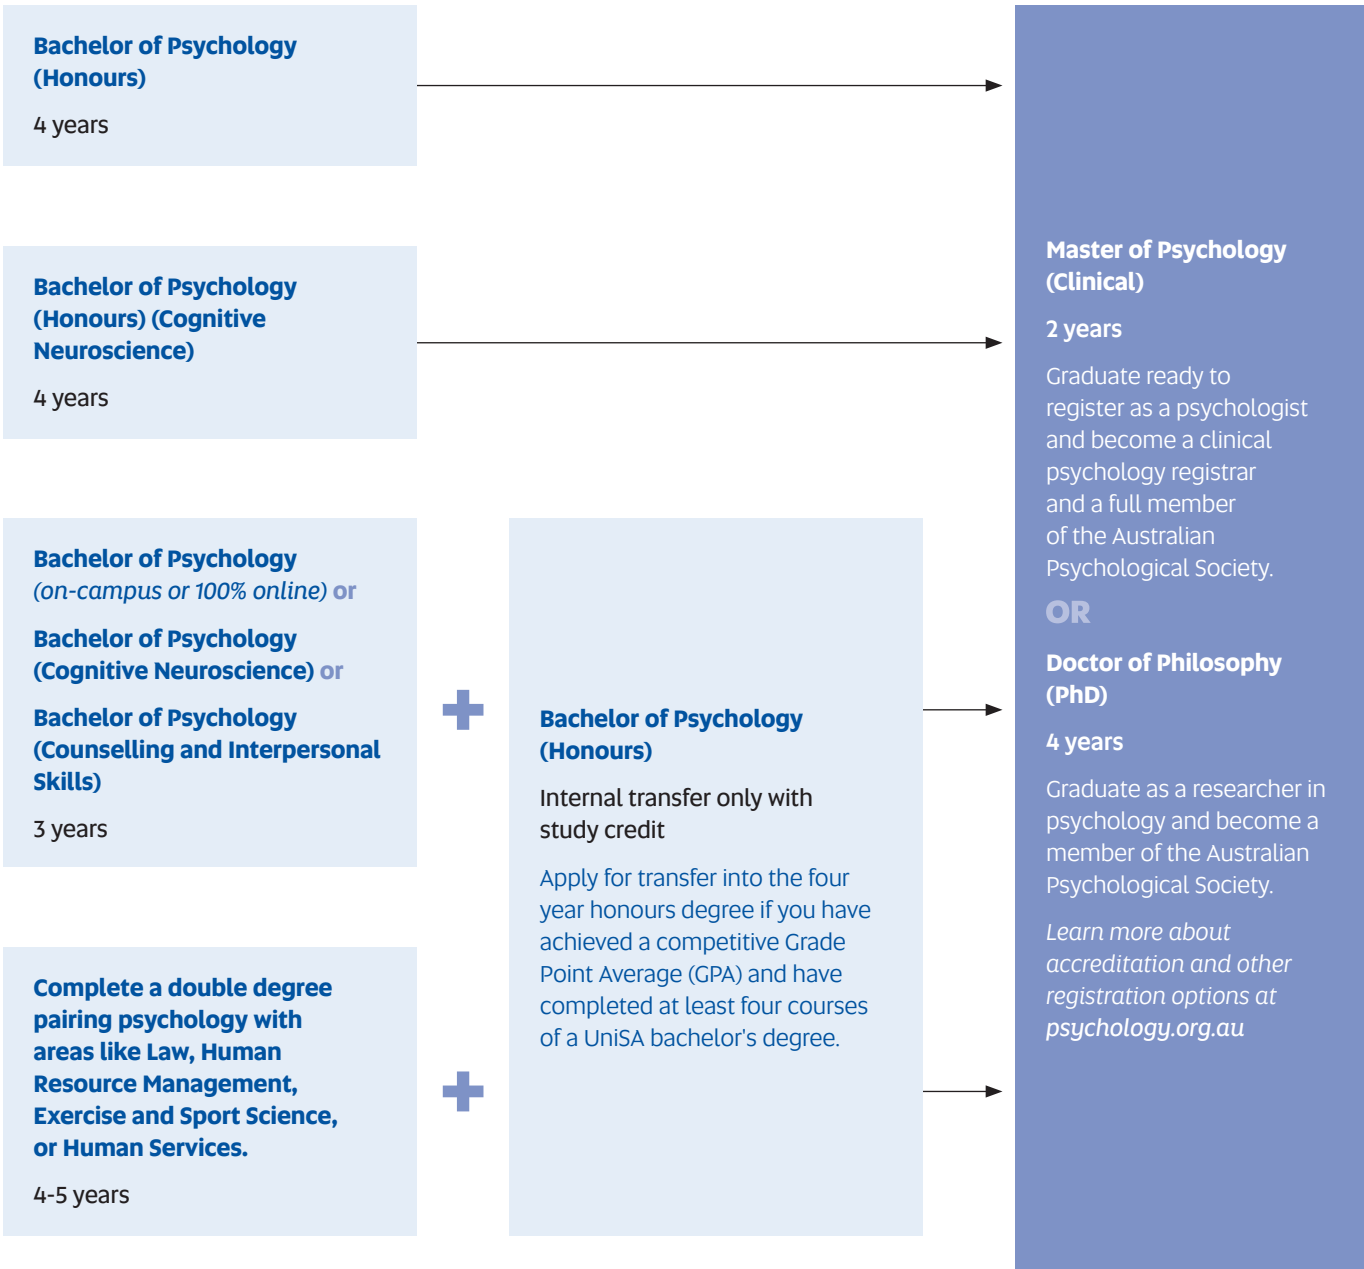

The adoption of technology is changing every aspect of how we live and work, from delivering pizza faster to making surgery safer. Demand for employees with the unique combination of digital and business skills continues to grow, as emerging technologies are incorporated into organisations across all industries. UniSA has partnered with global professional services company, Accenture, to develop a range of qualifications that address the digital skills gap. No matter how fast technology changes, you'll be one step ahead when you study digital business.

YOUR PSYCHOLOGY CAREER STARTS HERE

Kickstart your career in psychology through our wide range of study options. You can become a registered clinical psychologist or researcher in psychology, or complete your studies sooner to explore other exciting career options across a variety of fields.

There are lots of non-clinical and research-based careers that you can explore.

Psychology

Behavioural ecologist · change management consultant · training and development coach · case manager · youth worker · disability support worker

Cognitive Neuroscience

Cognitive neuroscientist · behavioural scientist · clinical laboratory manager · data analyst · assistant neuropsychologist

Counselling and Interpersonal Skills

Student support worker · community development officer · drug and alcohol case worker · counsellor (with further study)

Social Work

Social worker · social planning officer · aged care worker · cultural diversity officer

Business

Business consultant · marketing coordinator · management consultant · organisational change consultant · human resources manager

Create your own arts adventure

Do you have a passion for learning? Open a world of new possibilities by studying a Bachelor of Arts at UniSA. Take a deep dive into two study majors that interest you most and develop the knowledge and understanding that will diversify and push your thinking to new levels.

- Be prepared for a wide range of professional careers.
- Choose from 150+ possible study combinations.
- Connect with partners from more than 100 organisations, including micro-placements.
- Go on an international placement or volunteering opportunity.
- Complete an international exchange with an overseas partner.
- Become a high school teacher or social worker through additional study.

Choose two majors:

- | | | |
|------------------------------------|---|----------------------------|
| · Aboriginal Studies | · Cultural Studies | · Law, Policy and Politics |
| · Applied Linguistics | · History and Global Politics | · Psychology |
| · Creative Writing and Literature | · Languages (French, Italian, Japanese) | · Sociology |
| · Criminology and Criminal Justice | | |

One minor (four courses) from one of the remaining majors above.

OR

International exchange
Travel overseas on an international exchange or through opportunities like our Hawke Ambassador Volunteer program. Connect with local communities while learning about the local social, cultural, political and economic life.

Professional Directions Program
Engage with community and industry partners to explore connections between your studies, interests and future careers, through guided research, mentoring and placements.

OR

Develop in-depth knowledge about the scientific study of human behaviour, cognition and emotion. Graduate with a theoretical understanding of psychology, along with building critical thinking and analytical skills, and the ability to manage data and produce ethical research. Choose from a range of specialist courses that focus on areas like sleep, sport psychology and organisational behaviour. You can also choose to complement your studies in psychology with a major in another discipline tailored to your professional interests like human resources or social services. Gain industry experience through an optional professional placement totalling 150 hours. Attend classes on campus with the option to study some courses online. Graduate with a degree accredited by the Australian Psychology Accreditation Council (APAC). Complete further study to become a registered psychologist or researcher in psychology.

Students are required to undertake Criminal History Checks through the Department of Human Services (DHS), obtain a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

To become a registered psychologist or researcher in psychology, further study is required. See page 12 for more information.

The Unstoppables

NASA SUPERSTAR

Have you ever dreamt of working with NASA? Well, UniSA psychology grad and expert sleep researcher, Dr Cassie Hilditch, has made that her reality – investigating ways to improve sleep, alertness and performance in flight.

Based in California, this *UNSTOPPABLE* force now walks the same campus as past and future astronauts as they prepare for their missions to the moon.

Dr Cassie Hilditch
Senior Research Associate at NASA Ames Research Center
Doctorate by Research (PHD)

Bachelor of Psychology (Counselling and Interpersonal Skills)

unisa.edu.au/psychology

	Magill Campus		Intakes: Feb and Jul
	On-campus		Placement
	3 years full-time		

Prerequisites: none
Assumed knowledge: none
UniSA College pathways: Diploma in Social Sciences (Psychology) or UniSA Foundation Studies + Undergraduate Certificate in University Studies (Social Sciences)

SATAC code	444481	Program code	MBPU
Year 12 Selection Rank:	Year 12 Grades:	TAFE/VET:	
guaranteed 67.00	guaranteed B, B, B	guaranteed	Dip
cut-off 2024 67.00		cut-off 2024	CIV

Part-time study available Honours available

Study South Australia's only undergraduate degree in psychology, specialising in counselling and interpersonal skills. Learn about psychology theory coupled with the practice of counselling to work with individuals, groups and communities. Build critical skills in effective communication and analytical thinking. Develop advanced knowledge in areas like behavioural research, cognitive skills and counselling techniques. Tailor your degree through a range of specialist courses focusing on areas like language and social behaviour, sleep, sport psychology, and counselling skills and interventions. Gain valuable industry experience through a 150 hour professional work placement in your final year of study. Attend classes on campus with the option to study some courses online. Graduate with a degree accredited by the Australian Psychology Accreditation Council (APAC). Complete further study to become an accredited counsellor, registered psychologist or researcher in psychology.

Students are required to undertake Criminal History Checks through the Department of Human Services (DHS), obtain a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

To become a registered psychologist or researcher in psychology, further study is required. See page 12 for more information.

CAREERS

Student support worker · community development officer · disability support officer · drug and alcohol case worker · youth worker · case manager

Following further study, your career options can include:

Counsellor · youth and family counsellor · relationship counsellor · palliative care counsellor · student counsellor · healthcare counsellor · registered psychologist or researcher in psychology (with further study)

Study the only double degree of its kind in South Australia and develop your expertise in the areas of exercise and sport science, psychology, counselling and behavioural research. Study core courses in human anatomy, exercise physiology and counselling skills, and explore the relationship between psychology and physical activity. Develop the skills to enhance the physical and mental wellbeing of individuals, including children, elite athletes and older people. Learn alongside elite athletes and industry experts in purpose-built facilities, including biomechanics and exercise physiology laboratories and an environmental chamber for athlete testing. Embark on more than 140 hours of industry placements across a range of settings, including schools and sporting clubs. Attend classes on campus with the option to study some courses online. Graduate with a degree accredited by Exercise and Sport Science Australia (ESSA) and be eligible for registration as an accredited exercise scientist. This degree is also accredited by the Australian Psychology Accreditation Council (APAC).

Students are required to undertake Criminal History Checks through the Department of Human Services (DHS), obtain a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements. Students will be required to hold a current National Police Certificate and Department of Human Services (DHS) Working With Children Check. Some placement providers may require students to meet additional requirements, see unisa.edu.au/clinical-placements

To become a registered psychologist or researcher in psychology, further study is required. See page 12 for more information.

Part-time study available

Graduate with a law double degree, including professional honours and the option to complete your Graduate Diploma in Legal Practice (GDLP) in just five years of study, fast-tracking your legal career. Study core courses and concepts that underpin the Australian legal system across areas such as torts, contracts, criminal law and constitutional law. You'll also develop in-depth knowledge about human behaviour, social services and human resources by exploring key concepts in psychology. Choose from a range of specialist psychology courses to tailor your degree, including Psychological Assessment, Cognitive Neuroscience, Health Psychology, and Work and Organisational Psychology. Undertake a community justice project and gain professional experience through an industry placement or placement within our in-house Legal Advice Clinic. There are also opportunities to go on an overseas study experience. In final year, you can choose to complete your GDLP – a compulsory qualification needed to practise as a barrister or solicitor in South Australia. Attend classes on campus with the option to study some courses online. You'll also graduate with a double degree accredited by the Legal Practitioners Education and Admission Council along with the Australian Psychology Accreditation Council (APAC).

The Graduate Diploma in Legal Practice (GDLP) is delivered by arrangement with the College of Law during your final year. Following completion of the GDLP, you can claim 4 course credits towards your law degree, shortening your pathway to practice.

This double degree covers the academic requirements for admission to practise law (the Uniform Admissions Rules) as specified by the National Law Admissions Consultative Committee.

ADMISSIONS INFORMATION

If you're interested in one of our popular law double degrees, there's a few ways you can apply. The first option is to apply directly using the SATAC code listed above. You can also give yourself a back-up option by listing the Bachelor of Psychology as your second preference. If you're offered a place in the psychology degree, you'll be eligible to transfer into the double degree if you successfully complete at least four courses (subjects) with the required Grade Point Average (GPA).

Prepare for a rewarding career in social work. Learn to enhance the wellbeing of others through advocacy, social change, relationship building and empowerment. Focus on four major study areas, including social work theory, social work practice, social policy and social research. Develop knowledge of contemporary social work practices and their application in supporting individuals, families, communities, groups and organisations. Learn how to identify the social policies that impact people's lives and the strategic ways to implement change. Interpret, evaluate and conduct relevant social analysis exploring current real-world challenges. Focus your degree by choosing to incorporate a minor in Children, Families and Society. Access our custom-built social work and human services studio to practise your skills through simulated scenarios. Gain valuable professional experience through industry placements in your final years of study. Attend classes on campus or choose to study online and make the most of a flexible, dynamic learning environment. Graduate with a degree recognised by the Australian Association of Social Workers and be eligible for full membership.

Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

CAREERS

Social workers can work across a wide range of sectors and settings, including:

Mental health · homelessness · child protection · correctional services · domestic violence services · aged care · schools · disability services · policy work · community services · refugee services

Develop your understanding of critical disability studies, ableism and ageism, as well as the capacities available to support individuals living with disability and their support networks. Explore the underlying principles of social and emotional development and wellbeing, community engagement and promoting independence. You'll also explore the ethical practices at the individual, community and policy level of ageing and disability services. Learn to navigate major systems such as the Australian National Disability Insurance Scheme (NDIS) and My Aged Care policies, inform social policy development, enhance service provisions, and promote social inclusion within the ageing and disability sectors. Gain valuable work experience and build professional networks by completing more than 500 hours of supervised field placements throughout your degree. Attend classes on campus with the option to study some courses online. Graduate with a degree recognised by the Australian Community Workers Association and be eligible for full membership.

Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. Some placements may also require students to hold a current driver's licence and/or additional requirements as requested by the placement provider.

Prepare for a professional career in human services and learn how to identify the social policies that impact people's lives and the strategic ways to implement change. Develop the skills to enhance the wellbeing of people who have experienced personal or social difficulties, across areas like child protection, community housing, welfare, community services, disability support and aged care. You'll focus on studies in behavioural and social sciences, contemporary human service practice, human service management and social policy development. You'll also learn how behaviour is affected by different cultural, environmental, psychological and political factors, along with the communication and ethical skills needed to work in the field. Gain practical experience through our social work and human services studios on campus and complete more than 500 hours of supervised placements during your studies. Attend classes on campus with the option to study some courses online. Graduate with a degree recognised by the Australian Community Workers Association and be eligible for full membership.

Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. Some placements may also require students to hold a current driver's licence and/or additional requirements as requested by the placement provider.

Study a double degree that explores human services and the broad discipline of arts. Develop the skills to enhance the wellbeing of people who have experienced personal or social difficulties. Focus on key areas such as behavioural and social sciences, human service practice, human service management, and social policy. You'll also choose two arts majors (see below) that will enhance your learning in areas that interest you most. Gain practical experience through our social work and human services studios on campus and complete over 500 hours of supervised placements. You'll attend classes on campus with the possibility to study some courses online. Graduate with a degree recognised by the Australian Community Workers Association and be eligible for full membership.

Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

Develop a strong understanding of how psychology relates to the human services sector, including child protection, family support, community housing, welfare, community services, disability support and aged care. You'll explore topics like psychology theory, behavioural sciences, social policy, social research, data analysis and project management. You can also tailor your degree through specialist psychology courses focusing on language and social behaviour, patient assessment and sleep. Gain practical experience through our social work and human services studios on campus, and complete supervised industry placements during your studies. Attend classes on campus with the option to study some courses online. Graduate with a degree accredited by the Australian Psychology Accreditation Council (APAC) and recognised by the Australian Community Workers Association, and be eligible for full membership.

Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. Some placements may also require students to hold a current driver's licence and/or additional requirements as requested by the placement provider.
To become a registered psychologist or researcher in psychology, further study is required. See page 12 for more information.

The Unstoppables

ANIMAL WHISPERER

Dr Janette Young
Lecturer in Health Sciences
(Health Promotion & Health Services)
Bachelor of Social Work
Doctorate by Research, Health Sciences

For many of us, there is nothing better than cuddles and chats with our animal friends. Pets bring joy and are foundational to many people's mental health.

That's why UniSA grad and lecturer, Dr Janette Young, has spent more than 10 years investigating the benefits of animals during times of loss, trauma and change. This *UNSTOPPABLE* force is now applying her knowledge to aged care, where pets can continue to give purpose and connection for residents. Core to her work is the recognition that both human and animal rights need to be considered to best support positive outcomes.

Choose two study majors.
Choose one minor, or participate in an overseas volunteering program or international exchange.
Choose to connect with industry through micro-placements across a range of sectors.

Study a flexible degree that you can tailor to your specific interests and career goals. Choose a double major combining two distinct fields of study. Develop your writing, communication, presentation, digital and research skills through practical learning and project-based work. Enrich your learning experience through community and industry engagement opportunities and gain an international perspective through programs like the Hawke Ambassador Volunteer Program. You can also engage with industry and apply your knowledge across a variety of sectors through the Professional Directions Program in second year. Depending on your selected majors, you can also continue your studies to become a high school teacher through the Master of Teaching (Secondary).

 Part-time study available

Graduate with a law double degree, including professional honours and the option to complete your Graduate Diploma in Legal Practice (GDLP) in just five years of study, fast-tracking your legal career. Develop strong skills in analysis, reasoning, advocacy, negotiation and communication to resolve complex legal problems. Study core courses and concepts that underpin the Australian legal system across areas such as torts, contracts, criminal law and constitutional law. You can also tailor your degree by choosing an arts major and minor, focusing on areas that interest you most. Experience practical learning in a moot court and engage with our student-run Legal Advice Clinic, working with clients under the supervision of a managing solicitor. You can undertake an industry placement or community justice project, and there's opportunities to go on an overseas study experience. In final year, you can choose to complete your GDLP – a compulsory qualification needed to practise as a barrister or solicitor in South Australia. Attend classes on campus with the option to study some courses online. You'll also graduate with a degree accredited by the Legal Practitioners Education and Admission Council.

The Graduate Diploma in Legal Practice (GDLP) is delivered by arrangement with the College of Law during your final year. Following completion of the GDLP, you can claim 4 course credits towards your law degree, shortening your pathway to practice

This double degree covers the academic requirements for admission to practise law (the Uniform Admissions Rules) as specified by the National Law Admissions Consultative Committee.

HOW TO PREFERENCE

If you're interested in one of our popular law double degrees, there's a few ways you can apply. The first option is to apply directly using the SATAC code listed above. You can also give yourself a back-up option by listing the Bachelor of Arts as your second preference. If you're offered a place in the arts degree, you'll be eligible to transfer into the double degree if you successfully complete at least four courses (subjects) with the required Grade Point Average (GPA).

CAREERS

Depending on your chosen majors, your career options can include:

Solicitor · barrister · international relations specialist · foreign correspondent · ministerial adviser · diplomat · policy adviser · advocate · cultural adviser

YOU MIGHT ALSO LIKE

- Bachelor of Laws (Honours), Bachelor of Arts (History and Global Politics)

If you're interested in one of our popular law double degrees, there's a few ways you can apply. The first option is to apply directly using the SATAC code listed above. You can also give yourself a back-up option by listing the Bachelor of Arts (History and Global Politics) as your second preference. If you're offered a place in the arts degree, you'll be eligible to transfer into the double degree if you successfully complete at least four courses (subjects) with the required Grade Point Average (GPA).

CAREERS

Solicitor · barrister · international relations specialist · foreign correspondent · ministerial adviser · diplomat · policy adviser · governance manager · political campaign manager · political chief of staff · external affairs adviser · government relations manager · political analyst

STUDY ON DEMAND

Study a unique qualification informed by the Australian Centre for Child Protection's pioneering research, which is producing new approaches to child protection policy and practice. Gain specialised knowledge of child abuse and neglect, harmful sexual behaviours, child development, and the impact of trauma on children, families, and communities. Develop the skills to understand, assess and respond to childhood trauma, and learn to provide effective support for children exposed to abuse and neglect. Engage in regular community of practice sessions, connecting with specialists and peers to share experiences and further your learning in a collaborative and supportive environment.

Access online support services seven days a week, view learning resources 24/7 and log in to the interactive online environment anywhere, any time, and on any device. Benefit from flexible study with no need to attend lectures or visit campus – all courses and assessments are delivered online. Scholarships and grants are also available for eligible students.

CAREERS

This qualification will provide the specialised knowledge to help you move forward in your career in the following settings:

Child protection · government · social work · education · health · youth work · human services · correctional services

CREDIT CHECK

Fast-track your degree and receive credit for past study and/or work experience.

HOW TO APPLY

1. Check your eligibility at unisaonline.edu.au/eligibility
2. Gather your relevant documents
3. Complete your application and send through your documents

Part-time study available *see page 45 for more on fees

Develop the knowledge and skills required to become a registered clinical psychologist. Benefit from a curriculum designed in collaboration with industry practitioners. Graduate with a strong understanding of the latest developments in clinical psychology practice and the ability to critically reflect on psychological theory and its practical applications. Study advanced coursework covering topics such as adult psychopathology, child and adolescent psychological assessment, specialised interventions, and behavioural medicine. Elevate your research skills through a major project in your final year. Build your practical skills through clinical studies, professional clinical placements, as well as training under the supervision of registered psychologists in our on-campus Psychology Clinic. Graduate with a qualification accredited by the Australian Psychology Accreditation Council (APAC) and be eligible for full membership with the Australian Psychological Society. You'll also be eligible for full registration with the Psychological Board of Australia.

All students studying this degree will be required to complete criminal history screening through the Department of Human Services prior to being accepted for work placements. The clearance is valid for three years and can take up to eight weeks to be processed.

In addition to this, a National Police check is also required. A combination of histories will be required as part of this check, and is only current at the time of issue.

You must also have completed a course in Responding to Risks of Harm, Abuse and Neglect – Education and Care. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

CAREERS

Clinical psychologist (with further clinical practice) · registered psychologist · researcher in psychology

Minimum entry requirements

- A four-year qualification in psychology accredited by the Australian Psychology Accreditation Council (typically an honours degree), with honours 2A or equivalent overall marks.
- Relevant prior professional experience and acquired skills will also be considered in the selection process through written application, references and an interview.
- Applicants are also required to be minimally registered as a Provisional Psychologist, prior to enrolment in the program.

Go online for more details.

Master of Social Work

unisa.edu.au/socialwork

	Magill Campus		Intakes: Feb
	On-campus		Placement
	2 years full-time		Commonwealth supported*

SATAC code	4CM036	Program code	MMSK
 Part-time study available *see page 45 for more on fees			

Prepare for professional practice in social work. Develop an advanced body of knowledge in current social issues, social work values, social policy, ethics and identity, human rights, child protection, mental health and cross-cultural practice. Access our purpose-built social work and human services studios located on campus, learning alongside practitioners and academic staff in simulated scenarios. Gain valuable practical experience by completing field placements during your studies, across metropolitan and regional settings. Attend classes on campus with the option to study some courses online. Graduate with a qualification accredited by the Australian Association of Social Workers and be eligible for membership.

Students will be required to undertake Criminal History Checks through the Department of Human Services (DHS), a SAPOL National Police Record Check and complete a one-day Safe Environments for Children and Young People course prior to being accepted for work placements. To be eligible for placement, providers may also require students to be screened and provide evidence of their vaccination status, hold a driver's licence, and/or meet additional requirements.

CAREERS

Social worker · case manager · child and youth welfare officer · community development officer · aged care social worker · rehabilitation officer · disability services officer · correctional services officer · cultural diversity officer · social planning officer · social policy adviser · social researcher

Entry requirements

- Bachelor degree or higher level qualification, of at least three years equivalent full-time study duration, with a minimum of one year full-time study, or equivalent, in a related discipline (including, but not limited to, human services, community services, social science, psychology, Australian Indigenous or Aboriginal studies, public or community health) from a recognised higher education institution, or equivalent qualification.
- Applicants holding a completed Australian bachelor degree or master's qualification in social work are not eligible for entry into this program.

DEGREE STRUCTURE

FIRST YEAR	Social Work and Policy Practice	SECOND YEAR	Innovation and Research
	Contemporary Practice Theories for Social Work		Innovative Social Work Practice with Children and Families
	Social Work Practice Skills AND		Mental Health and Social Work Practice
	Aboriginal Health and Wellbeing OR Social Work in the Australian Context		Human Rights Based Practice and Community Development
	Social Work Practicum 1		Leadership in Social Work
	Ethical Decision Making		Social Work Practicum 2

Students will be required to attend on-campus classes as part of their studies. Some classes may be completed online, including all lectures.

“Further study allowed me to work in an allied health team within government. It helped to diversify my career options and I'm so glad I did it. My role is focused on working with young offenders and their families to try and reduce repeat behaviour, and includes making home visits, attending and writing court reports. I enjoy helping young people to make better choices, which can have significant long-term outcomes.”

Steven Goss | Social Work Graduate / Accommodation Supervisor, Youth Justice – Department of Human Services

Master of Aboriginal Studies

Students will be required to attend on-campus classes as part of their studies. Some classes may be completed online, including all lectures.

Master of Research

Doctor of Philosophy (PhD)

unisa.edu.au/researchdegrees

Our research degrees are designed to make a difference. You'll be at the forefront of solving real-world problems, by studying a project-based research degree where you'll partner with end-users to develop solutions for the challenges of today and tomorrow.

Enter a dynamic and stimulating research environment focused on human psychology, social work, Aboriginal studies, social sciences and the arts. Explore contemporary social issues and outcomes and work on groundbreaking research to help inform industry and support the wellbeing of communities. Conduct meaningful research in our Cognitive Neuroscience Laboratory (part of the Australian Research Centre for Interactive and Virtual Environments) and Behaviour-Brain-Body Research Centre – home to the Cognitive Ageing and Impairment Neurosciences Laboratory, and Sleep and Chronobiology Laboratory located on campus.

TOPICS OF RESEARCH

- Arts – Aboriginal Studies, Applied Linguistics, Cultural Studies, Criminology and Criminal Justice, History and Global Politics, Sociology
- Psychology
- Social Sciences
- Social Work

Entry requirements

A research degree is suitable for someone who has completed a previous degree, normally with a research component. At UniSA, all research degree applications are made to a specific project as listed on our research projects page. Most projects will have additional, project-specific selection criteria. It is also possible to develop your own research project by negotiation. Please contact the Graduate Research Admissions team if you have any questions.

research.degrees@unisa.edu.au

Master of Research

- Bachelor degree (or equivalent) of at least three years in a relevant discipline with a minimum credit average; or
- Honours degree or bachelor degree with honours; or
- Relevant master's degree.

Doctor of Philosophy (PhD)

- Honours degree or bachelor degree with honours of at least class 2A standard in an appropriate discipline; or
- Relevant master's degree.

Alternative entry

- Other applicants may be considered for admission if their previous education, professional experience and published research work is of sufficient quality and relevance to prepare the applicant for a research degree.

EXPLORE OUR RESEARCH PROJECTS

Apply for a research degree and choose from one of our many research projects, or design your own. Scholarships and fee-waivers are available. Conditions apply.

HOW TO UNLOCK YOUR UNSTOPPABLE CAREER

GET THE COMPETITIVE EDGE

In the next five years, more than 90% of new jobs will need post-secondary qualifications like a university degree. Latest federal government reporting shows that there'll be jobs growth across a wide range of industries and job types, but the most growth will be careers that demand higher skill levels. Professional roles alone are on the rise, with projected growth sitting at 14.7% between 2021 and 2026.

This means furthering your education has never been more important. Developing soft skills in communication, computing, cognitive ability and care will also be essential ingredients to your future success. It's in our DNA to produce unstoppable graduates, and with more than 200 world-class degrees to choose from, we'll help you become a force of the future in Australia's workforce and beyond.

Information Source: 2021–2026 Australian Government National Skills Commission, Employment Outlook

PREFERENCE BY PASSION

We know that choosing your preferences can be confusing, but we're here to help. Applications to study at UniSA are made through SATAC and you can select up to six preferences (degrees). SATAC make offers by working down your preference list, so it's important to preference in order of what you want to study *most*. Don't forget, SATAC will also look at your eligibility criteria (for example, does the degree have any prerequisites?). There are also some other things to consider when narrowing down your six choices:

1. By preferencing UniSA first, you might also be eligible for guaranteed entry. All you need to do is meet the guaranteed Selection Rank, Year 12 subject grades or TAFE/VET qualification (and any other academic criteria).

2. Do you need a back-up option? Alternative pathways offered through UniSA College can be included as part of your preference list.

That's the hard work done! You'll automatically receive an offer from SATAC for the first preference you're eligible for in the list. It's also good to remember that there are multiple offer rounds so don't worry if you miss out on your top pick first go. Don't just settle, follow your passion – we'll help get you into your preferred degree and you'll be on your way to that unstoppable career.

STUDY AT UniSA – THE BASICS

APPLYING WITH YEAR 12 RESULTS

Applicants are required to have successfully completed the South Australian Certificate of Education (SACE) with:

- A competitive Selection Rank (ATAR inclusive of adjustment factors);
- Fulfilment of the degree's prerequisite requirements (where applicable).

Applicants may also be eligible to compete for entry if they have completed the degree's prerequisite requirements and one of the following:

- An interstate or overseas qualification considered by the University as equivalent to SACE; or
- The International Baccalaureate Diploma with a minimum score of 24 points.

unisa.edu.au/Year-12

ADJUSTMENT FACTORS

Australian high school students applying for university study may be eligible for adjustment factors. These are based on set equity factors and/or subject choices (see below). SATAC will combine them with your ATAR to improve your Selection Rank for entry.

- The Universities Equity Scheme – provides additional points for students coming from specified schools, as well as individuals experiencing socio-economic disadvantage.
- The Universities Language, Literacy and Mathematics Adjustment Scheme – provides additional points for students who successfully complete a language other than English, or specified English and Mathematics subjects.

unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY

There are a few ways to guarantee your place at UniSA:

Year 12 Grades Guaranteed Entry – UniSA offers guaranteed entry based on your three best Year 12 subject grades for most degrees. If you achieve the selection grades and you put us as your first preference, that's it, you're automatically in.

Subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS). Students also need to achieve a minimum ATAR of 50.

Selection Rank Guaranteed Entry – UniSA has set guaranteed entry scores for most of our degrees. This means, that if you achieve that set Selection Rank and you put us as your first preference, you're in. There's nothing more you have to do.

Some degrees also have prerequisites and other eligibility criteria for entry that you'll still have to meet. Application timelines and fees also apply.

TAFE/VET Guaranteed Entry – UniSA offers guaranteed entry based on successfully completed VET qualifications. If your completed VET award meets the set VET Guaranteed Entry, you have met any prerequisites and specific entry requirements, and you have listed the degree as your first preference, you're guaranteed an offer.

 Try UniSA's Guaranteed Entry Calculators

unisa.edu.au/guaranteed

ALTERNATIVE PATHWAYS

Entering your chosen degree straight from high school is not the only pathway into UniSA. Applicants may also meet the minimum requirements to apply for entry (via competitive selection) through one of the following:

UniSA College – there are a variety of pathway options offered through UniSA College, including Diplomas, Undergraduate Certificates in University Studies, Foundation Studies, and the Aboriginal Pathway Program. You'll be enrolled as a UniSA student and build the academic skills needed for university study, along with introductory knowledge for your preferred UniSA degree.

Find out more about the full range of UniSA College programs at:

unisa.edu.au/college

UniStart – Study a tailored and supportive, fee-free university pathway program designed to prepare you to succeed in university study. In just six months full-time study you will build fundamental academic skills, gaining the confidence and competitive results to transition into a degree to pursue your goals. UniStart is offered 100% online, commencing in 2025.

unisaonline.edu.au/unistart

STAT – a competitive Skills for Tertiary Admissions Test (STAT) score, based on 70 multiple choice questions designed to assess your aptitude for tertiary study. A personal competencies statement or relevant employment experience alongside your STAT score may also be considered for some degrees.

TAFE/VET – many UniSA degrees will accept applicants who hold an AQF Certificate IV or higher from TAFE or another Registered Training Organisation. UniSA Diplomas accept Certificate III and higher.

SAIBT – there are a range of bridging qualifications offered through the South Australian Institute of Business & Technology.

Tertiary transfer – completion of at least half a year of full-time equivalent study towards an undergraduate degree at a recognised higher education institution. You can apply using your competitive Grade Point Average (GPA).

unisa.edu.au/pathways

RELOCATING TO ADELAIDE

If you're interested in relocating to Adelaide to study, there's a few things to think about before making the move.

HOW TO APPLY

Applications to most UniSA degrees are administered through the South Australian Tertiary Admissions Centre (SATAC). Visit our website for all the information you need about applying.

unisa.edu.au/apply

For all UniSA Online degrees, you can apply directly.

unisaonline.edu.au

FEES

All UniSA domestic undergraduate students are in Commonwealth-supported places. Students pay a contribution of their fees depending on their program and the associated contribution band (see table below). Student contributions also depend on the unit value courses. As per the Australian Government guidelines, the student contribution amounts for 2024 are:

Band	Field of education	Student contribution	Student contribution
		For one year of full-time load (1 EFTSL)	For each subject (0.125 EFTSL)
1	Agriculture, english, mathematics, teaching, clinical psychology^, languages and nursing.	\$4,445	\$555
2 (2 & 2A)	Architecture, IT, other health, allied health, creative arts, engineering, science, environmental studies, professional pathway psychology, professional pathway social work and clinical psychology^.	\$8,948	\$1,118
3	Dentistry, medicine and veterinary science.	\$12,720	\$1,590
4 (4A, 4C, 4P, 4S & 4Y)	Law, accounting, administration, economics, commerce, communications, society and culture, professional pathway psychology, professional pathway social work and clinical psychology.	\$16,323	\$2,040

Some postgraduate programs are Commonwealth-supported, while others are full fee-paying. These details are listed under each program in this guide. For programs under one year full-time study, fees are listed as the whole program. For programs over one year of full-time study, fees are listed based on the cost per annum.

This table should be used as a guide only (indicative 2024 only). Total costs can vary depending on the courses you study and the band they fall into. For more information about fees, including eligibility for Commonwealth-supported places and deferring your student contributions through HECS-HELP or FEE-HELP loans, visit unisa.edu.au/fees

^ Band determined by program/plan.
